ROEL RODRIGUEZ, P.E., City Manager

To the Honorable Mayor, Members of the City Commission, Members of the Public Utility Board of Trustees and Citizens of the City of McAllen:

State and local law requires that the City of McAllen publish annually a complete set of audited financial statements. This report, the Comprehensive Annual Financial Report of the City of McAllen, is published to meet that requirement for the fiscal year ended September 30, 2014.

Management assumes full responsibility for the completeness and reliability of the information presented in this report, based upon a comprehensive internal control framework that it has established for this purpose. Since the cost of internal control should not exceed anticipated benefits, the objective is to provide reasonable, rather than absolute, assurance that the financial statements are free of any material misstatements.

The firm of Grant Thornton, L.L.P., Certified Public Accountants, was selected by the City to perform the audit and have issued an unmodified ("clean") opinion on the City of McAllen's financial statements for the year ended September 30, 2014. In addition to meeting the requirements set forth in state statutes, the audit was also designed to meet the requirements of the Single Audit Act and OMB Circular A-133. Generally accepted auditing standards and the standards set forth in the Government Accountability Office's *Government Auditing Standards* were used by the auditors in conducting the engagement. The auditors' report on the basic financial statements and required supplementary information as well as the individual fund statements and schedules are included in the financial section of this report. The auditors' reports on internal controls and compliance with applicable laws and regulations can be found in the single audit section of this report.

Management's Discussion and Analysis (MD&A) immediately follows the independent auditors' report and provides a narrative introduction, overview and analysis of the basic financial statements. MD&A complement this letter of transmittal and should be read in conjunction with it.

The City of McAllen is required to undergo an annual single audit in conformity with the provisions of the Single Audit Act of 1984 and the U.S. Office of Management and Budget's Circular A-133, *Audits of State and Local Governments and Non-Profit Organizations* and the *State of Texas Single Audit Circular*. Information related to this single audit, including a schedule of expenditures of federal and state awards, the independent auditors' reports on internal controls and compliance with applicable laws and regulations, and a schedule of findings and questioned costs are included in the single audit section of this report.

PROFILE OF THE GOVERNMENT

The City of McAllen, incorporated in 1911 and the largest city in Hidalgo County, is located at the intersection of U. S. Highway 83 and State Highway 336. It is approximately 230 miles south of San Antonio, 150 miles north of Monterrey, Nuevo Leon, Mexico, a city with a population of over 5.9 million including the surrounding suburbs, and just 7 miles north of Reynosa, Tamps. Mexico. Within a 150-mile radius of McAllen, its trade area represents approximately 10 million people. According to the 2010 census, McAllen's estimated population was 129,877, increasing 23,463 or 22% over that of the 2000 census, 106,414. Using the latest census number as a new base, it is estimated that as of September 30, 2013 and 2014 the population has grown to 135,435 and 137,358 respectively. The City is empowered to levy a property tax on both real and business personal property located within its boundaries. The City also has the power by state statute to extend its corporate limits by annexation, which it has done from time to time, as deemed appropriate by the City Commission.

The City has operated under the council-manager form of government since 1911. Policymaking and legislative authority is vested in the City Commission, which currently consists of a mayor and a six-member commission. The City

Commission is responsible, among other things, for passing ordinances, adopting the budget, appointing committees and hiring the City Manager, City Secretary, Police Chief, Fire Chief, the City Attorney and the Municipal Judges. The City Manager is responsible for carrying out the policies and ordinances of the City Commission, for overseeing the day-to-day operations of the City, and for appointing the heads of the City's departments. The City Commission is elected on a non-partisan basis. In May 2000 the voters decided in favor of single member district representation. Under this system, City Commission members are elected to four-year staggered terms with three elected every two years. The Mayor was and will continue to be elected at large to four-year terms.

The financial reporting entity (the government) includes all the funds of the primary government (i.e., the City of McAllen as legally defined). The City of McAllen provides a full range of services including public safety (primarily police and fire protection), highways and streets, health and welfare, recreational and cultural activities, water, sewer, sanitation and recycling services, a municipal golf course, a civic center, a convention center, an international airport, intermodal transit terminal, a transit system and two international toll bridge operations.

The City acts in the capacity of fiduciary for the Firemen's Relief and Retirement Fund, Developer's Fund, and Communications Group; therefore, these activities are included in the reporting entity. However, the McAllen Independent School District (MISD), McAllen Chamber of Commerce (MCC), McAllen Economic Development Corporation (MEDC), McAllen Affordable Homes of South Texas, Inc., and the Texas Municipal Retirement System (TMRS) do not meet the established criteria for inclusion in the reporting entity, and accordingly are excluded from this report.

The City Commission is required to adopt a final budget by no later than the close of the fiscal year. This annual budget serves as the foundation for the City of McAllen financial planning and control. The budget is prepared by fund, function (e.g., public safety), and department (e.g., police). The legal level of control is at the department level.

LOCAL ECONOMY

Over the last 15 to 20 years, the City's economy has undergone a significant transformation, characterized by a decreasing reliance on agriculture. As a consequence of this transformation, the City has experienced substantial economic growth that has spurred an increase in employment and a decline in its unemployment rate despite brisk growth in the labor force—until it began to experience a slowdown during the last year period. Although the City's economy did not decline to the extent of that experienced by other cities, in both the nation and to a lesser extent the state, it did present some very real challenges during the budget process last year, which persisted, if not more difficult this year compared to the 15 years prior.

According to the Texas Workforce Commission, over the last 10 years the McAllen-Edinburg-Mission MSA employment has grown from 231,999 in 2004 to 284,640 in 2014—a 22.69% increase. At this level, the unemployment rate is 9.8%. Some of the more significant employment numbers by industry, include government; trade, transportation and utilities; education and health services; and leisure and hospitality.

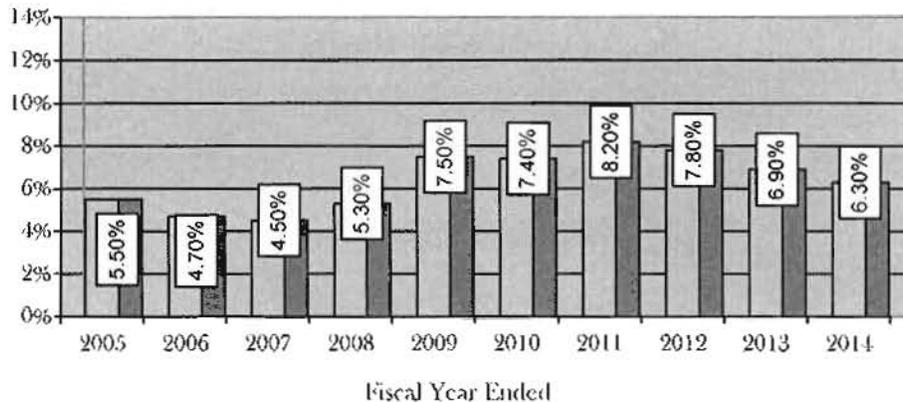

The City's location has positioned it to take advantage of The Maquiladora "Twin Plant" Program, under which U.S. firms locate manufacturing facilities in Mexico accompanied by warehousing facilities in McAllen's foreign trade zone in order to cut labor costs and remain competitive, has been responsible for a large part of the job growth. Since 1988 through 2014, the latest year available, which on a calendar year basis, the McAllen Economic Development Corporation has been responsible for bringing 307 new companies, which including expansions, has created 29,924 jobs in McAllen. Its efforts have also resulted in 357 new companies, which including expansions, has created 133,719 new jobs in Reynosa, Mexico.

The impact of the North American Free Trade Agreement (NAFTA), as it continues to develop, has also played a major role in increased trade with Mexico for the City as well as the State of Texas. During 2013 Texas exported \$101B to Mexico, which represented over 36% of Texas' total exports—making Mexico its Number One Trading Partner. This new level of trade represents a 39% increase from 2010. As NAFTA continues to mature, the City of McAllen's international toll bridge, connecting Hidalgo, Texas with Reynosa, will continue to facilitate trade between Mexico and the U. S.; and, more particularly the City with its proximity to Mexico and strong social, economic and cultural ties with the people of Mexico. The Anzalduas International Crossing also provides another bridge to connect the peoples of the U.S. and Mexico and facilitate economic development opportunities between the two countries.

The City's unemployment rate has declined 1.90% over the last 10 fiscal years with its unemployment rate, in the 5% range during 2005, rising to 7.5% in 2009, decreasing in 2010 to 7.4%, increasing back up to 8.2% in 2011, decreasing

to 7.85 in 2012, before decreasing down to 6.9% in 2013 and further down to 6.3% this year. Although the unemployment rate decreased due to job growth resulting from a decline in the unemployed while the labor market increased.

City of McAllen's Unemployment Rate
Ten Year History

Source: Texas Workforce Commission

Another useful source of information for assessing the City's economy is the *McAllen Area Economic Pulse* report, published by the McAllen Chamber of Commerce. This year's report indicates a marginal improvement over last year. According to the latest report available, August 2014, the economic index for the McAllen Area increased from 179.2 in August 2013 to 183.3 in August 2014. This index reflects, for the McAllen area economy, an increase in retail sales, an increase in lodging tax receipts, airline boardings, motor vehicle purchases, construction permit values, and average home sales price although bridge crossings were down.

LONG-TERM FINANCIAL PLANNING

As of September 30, 2014 the City's General Fund unassigned fund balance amounted to \$41.2M, which represents 150 days of operating expenses appropriated in next year's budget. This amount exceeds the City's 140 day policy.

RELEVANT FINANCIAL POLICIES

During this fiscal year, the City adopted no new financial policies, which would have a significant impact on the current year's financial statements.

MAJOR INITIATIVES For the Year 2013-14

The City's staff, following specific directives of the City Commission and the City Manager, has been involved in a variety of projects throughout the year. These projects reflect the City's commitment of ensuring that its citizens are able to live and work in a highly desirable community and include the following:

The goals adopted by the Mayor and City Commission for FY 2013-14 as well as each's status as follows:

Continue to implement City Business Plan

- Continue Incentive programs for "Destination" Retail Projects including La Plaza Mall
Management's Response: Completed agreement with Simon at La Plaza Mall for construction of Parking Decks for 1300 cars.
- Public Art to City
Management's Response: Veteran's Spire under construction for opening on Veteran's Day. Vaquero statue under construction for 2015 installation at new Vaquero park site at Performing arts building.

- Continue to Market McAllen-Miller Airport for Additional flights to Mexico and Domestic Market
Management's Response: Aeromar began flight to Mexico City, San Luis Potosi began on November 2013, Completed SIXIL air service meeting with American United and working of Denver-McAllen non-stop service with airline.

Complete City assets currently in design

- Phase One of Morris/Perez Park
Management's Response: Installation of Irrigation system, trees and new turf completed. Phase II will commence this year.
- Complete construction on Airport Terminal Expansion
Management's Response: Construction 95% complete with a schedule completion date- February, 2015. Landscape and lighting improvements underway with completion date for January 2015.
- One-stop Development Center City business affairs.
Management's Response: Development Center completed with departments functional on November 2013.
- Bentsen-Pecan to 3 mile Reconstruction
Management's Response: Roadway completed. Design completed for a Hike/Bike for construction in F.Y. 14-15.
- Bicentennial: Nolana to Trenton and hike/bike trail
Management's Response: Roadway completed and Hike/Bike Trail completed. IMAS building façade revised and completed as well as an addition of left turn lane by widening bridge.

Improve City Traffic flow and Storm Drainage

- Traffic Management Improvements
Management's Response: Traffic Signal installation completed on Business 83 and 15th, 16th and Main street; and 10th and Wisconsin.
- Regional Storm water improvements – Retiree Haven
Management's Response: South McAllen site. Improvements completed September 2014.
- Construction of storm water projects.
Management's Response: East McAllen site being acquired. 2 of 3 parcels purchased. Kendlewood: 19th to 22nd street completed. Design underway for Quince & Redwood: 49th to 51st and Quince and NW Blue line to 27th. 4th & 6th: Harvey to Fern 75% complete.

Leisure, Cultural and Entertainment

- Begin design and financing plan of performing Arts Center
Management's Response: Design development by Architects approved on 03/25/2013. Bond was approved November 5, 2013 for additional funding of project.
- New Year's Bash.
Management's Response: Upgrade with Private Sector sponsor and moving it to Convention Center.
- McAllen City Marathon.
Management's Response: First City marathon held December 15, 2013 with next year scheduled on December 14, 2014.
- Motorcross Course.
Management's Response: Received grant from Texas Parks and Wildlife and will construct the course south of Airport runway.

- Hike & Bike Trail on Bentsen Road.

Management's Response: Received grant from Texas Parks and Wildlife and will construct the trail from Pecan to 3 Mile line.

AWARDS AND ACKNOWLEDGEMENTS

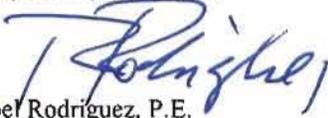

The Government Finance Officers Association (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to the City for its comprehensive annual financial report for the year ended September 30, 2013. This was the twenty-seven consecutive year and the twenty-eight overall that the City has received this prestigious award. In order to be awarded a Certificate of Achievement, the City published an easily readable and efficiently organized comprehensive annual financial report. This report satisfies both generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. We believe that our current comprehensive annual financial report continues to meet the Certificate of Achievement Program's requirements and we are submitting it to the GFOA to determine its eligibility for another certificate.

In addition, the City also received the GFOA's Award for Distinguished Budget Presentation for its annual appropriated budget dated October 1, 2013. The budget for October 1, 2014 has been submitted for review and notification of an award is awaited. In order to qualify for the Distinguished Budget Presentation Award, the City's budget document is judged on proficiency in several categories including policy documentation, financial planning and organization.

The preparation of this report could not have been accomplished without the efficient and dedicated services of the entire Finance Department staff. Due credit also should be given to the Mayor, City Commission, McAllen Public Utilities Board of Trustees, the Bridge Board, Development Corp Board and management for their interest and support in planning and conducting the operations of the City in a responsible and progressive manner.

Respectfully submitted,

Roel Rodriguez, P.E.
City Manager

Susan Lozano, CPA CGFO
Interim-Finance Director

Report on the financial statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of McAllen, Texas (the "City") as of and for the year ended September 30, 2014, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the City's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control.

Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of McAllen, Texas as of September 30, 2014, and the respective changes in financial position and, where applicable, cash flows thereof and the respective budgetary comparison for the General Fund and the Development Corporation Fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 1 the financial statements, the City adopted new guidance in 2014 related to the accounting for bond issuance costs as current period expenses. Our opinion is not modified with respect to this matter.

Other Matters

Required supplementary information

Accounting principles generally accepted in the United States of America require that the management discussion and analysis on pages 5 through 17, schedules of funding progress on pages 106 through 108, be presented to supplement the basic financial statements. Such information, although not a required part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. This required supplementary information is the responsibility of management. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America. These limited procedures consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City's basic financial statements. The combining fund financial statements, individual budget schedules and other, the schedule of expenditures of federal

awards, as required by the U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*,) and the schedule of expenditures of state awards as required by the State of Texas Single Audit Circular as listed in the table of contents are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures. These additional procedures included comparing and reconciling the information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other information

The introductory section and statistical section as listed in the table of contents are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information has not been subjected to the auditing procedures applied in the audit of the basic financial statements, and accordingly, we do not express an opinion or provide any assurance on it.

Other reporting required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report, dated March 13, 2015, on our consideration of the City's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control over financial reporting and compliance.

Management Discussion and Analysis
September 30, 2014**

This discussion and analysis is intended to provide an overview of the City's financial performance for the fiscal year ended September 30, 2014 and the related effect on the City's financial condition. Please read it in conjunction with the transmittal letter on pages i-v and the City's financial statements, which begin on page 19.

FINANCIAL HIGHLIGHTS

City's Change in Net Position – Governmental and Business-Type Activities

Total government-wide net position decreased \$4M as a result of this year's operations. Governmental activities decreased \$8M with business-type activities contributing \$4M. In compliance with GASB Statement 65, \$2M in issuance cost were restated to prior year's net position.

- **Governmental Activities – Revenues and Expenses Compared to Last Year** – Total revenues in the aggregate increased \$4M over last year. The increases were in the following categories: property tax increased \$2M, and other taxes and other general revenues increased by \$1M each. Expenses increased \$21M or 18% over last year, which is primarily as a result of construction projects during the year. The net increase is the result of a \$14M increase in general government, \$4M increase in public safety, and \$3M increase in culture and recreation. Highways and streets as well as health and welfare were unchanged from last year.
- **Business-Type Activities – Revenues and Expenses Compared to Last Year** – Total revenues reflected an increase of \$6M from last year. Charges for services increased by \$2M, grants and contributions also increased by \$2M, and \$2M in proceeds from the sale of capital assets. Expenses increased \$5M or 6.8% over last year with the more significant increases coming from the Sewer Fund–\$1M; the Sanitation Fund–\$1M; the McAllen Express Transit Fund–\$1M; Convention Center Fund–\$1M; McAllen International Toll Bridge Fund–\$1M;
- **City as a Whole – Revenues and Expenses Compared to Last Year** –Governmental revenues reflected an increase of \$4M and business-type activity revenues increased by \$6M, thus generating revenues of \$10M or 4.9% more over last year while expenses increased by \$26M or 13.5% more than last year.

USING THE ANNUAL REPORT

The annual report consists of a series of financial statements. The Statement of Net Position and the Statement of Activities (on pages 19 and 20-21) provide information about the activities of the City as a whole and present a longer-term view of the City's finances. Fund financial statements start on page 22. For governmental activities, these statements tell how these services were financed in the short term as well as what remains for future spending. Fund financial statements also report the City's operations in more detail than the government-wide statements by providing information about the City's most significant funds. The remaining statements provide financial information about activities for which the City acts solely as a trustee or agent for the benefit of those outside of the government.

Reporting the City as a Whole

The Statement of Net Position and the Statement of Activities

One of the central concerns in assessing any City's finances could be summarized in the question, "Is the City as a whole better off or worse off as a result of the year's activities?" Our analysis addressing this

City of McAllen, Texas
Management Discussion and Analysis
September 30, 2014

question begins on page 8-9. The analysis includes a condensed summary of the government-wide financial statements—The Statement of Net Position and the Statement of Activities, which present information about the City in a way that facilitates answering this question. These statements are presented much like the private-sector companies—including *all* assets and liabilities using the *accrual basis of accounting*. All revenues and expenses for the current year are reported without regard to when cash is received or paid.

These government-wide financial statements report both net position and changes thereto. Net position is reported in the Statement of Net Position. The City's net position, which is the difference between assets and deferred outflows of resources and liabilities and deferred inflows of resources, is one indicator of the City's financial well-being or *financial position* at one point in time. Increases or decreases to net position over a period of time is an indication whether its financial well-being is improving or deteriorating. Of course, other non-financial considerations enter into the determination of the City's overall health, which would include such things as changes in the City's property tax base and the condition of its streets.

Changes to net position are reported in the Statement of Activities, which divides all City functions into two categories:

Governmental activities—Most of the City's basic services are reported in this category, which includes public safety (including police and fire), highways and streets, health and welfare, culture and recreation and general administration. These activities are primarily supported by sales and property taxes and franchise fees.

Business-type activities—Certain services that the City provides are paid for from fees that are charged to customers. Water, sewer, garbage collection, civic center, convention center, golf course, airport, transit terminal, transit services and the bridges are activities that are reported in this category.

Reporting the City's Most Significant Funds
Fund Financial Statements

Our analysis of the City's major funds commences on page 11. The fund financial statements are presented on pages 22 through 49. These statements present detailed information about the City's more significant funds as opposed to the City as a whole. Funds are established for various reasons—some are required by state law; others, by bond covenants. Some funds are established by the City Commission to assist in managing money that is to be spent for particular purposes. For example, the Community Development Block Grant Fund was established to demonstrate that the money received from the U. S. Department of Housing and Urban Development was used for purposes established by the federal government. The City has two categories of funds, which can be used for public purpose—*governmental* and *proprietary*. Each category uses a different accounting approach.

Governmental funds—Most of the City's basic services are reported in governmental funds. These funds focus on the flow of money into and out of the funds and the balance left over at the end of the year that is available for future spending. Governmental funds use a method of accounting called modified accrual. The purpose of this method is to measure cash and other *financial* assets that can readily be converted to cash. This approach provides a detailed short-term perspective of the City's general government operations and the basic services it provides. This view of the City's operations provides information that helps to determine the extent to which financial resources are available to spend in the near future to finance City programs. The relationship between these governmental fund financial

City of McAllen, Texas
Management Discussion and Analysis
September 30, 2014

statements and the governmental activities column shown in the government-wide financial statements is shown in the form of a reconciliation presented on the page following each governmental fund financial statement.

Proprietary funds—Services provided to either outside customers or to another unit of the City, where a fee is charged, are generally reported in proprietary funds. Proprietary funds are reported the same way that is used in the government-wide financial statements. Matter of fact, the City's enterprise funds (a component of proprietary funds) are substantially the same as the business-type activities column of the government-wide financial statements but provide more detail including cash flows. The other component of proprietary funds is internal service funds. These funds are used to report services that are provided for other City funds—such as the Fleet and Materials Management Fund, which reports maintenance activities for all City vehicles.

The City as Trustee

Reporting the City's Fiduciary Responsibilities

The City is the trustee, or fiduciary, for the Firemen's Pension Fund, Developers' Fund, Communications Group Fund and Payroll Fund. This activity is reported in separate Statements of Fiduciary Net Position and Statement of Changes in Fiduciary Net Position on pages 50-51. These activities are not included with the City's other government-wide financial information since the City cannot use these assets to finance its programs or operations. The City's is responsible for ensuring that these funds are used for their intended purpose.

THE CITY AS A WHOLE

The City's Condensed Net Position Information is presented in the table below.

Net Position Information
(in Millions)

	Governmental Activities		Business-type Activities		Total Primary Government	
	2014	2013	2014	2013	2014	2013
Current and other assets	\$ 187	\$ 154	\$ 132	\$ 136	\$ 319	\$ 292
Capital assets	281	266	397	393	678	659
Deferred outflows of resources	-	-	0.5	-	0.5	-
Total assets and deferred outflows of resources	<u>\$ 468</u>	<u>\$ 420</u>	<u>\$ 529</u>	<u>\$ 529</u>	<u>\$ 997</u>	<u>\$ 951</u>
Long-term debt outstanding	\$ 87	\$ 34	\$ 146	\$ 150	\$ 233	\$ 184
Other liabilities	16	24	15	11	31	39
Deferred inflows of resources	12	-	-	-	12	-
Total liabilities and deferred inflows of resources	<u>115</u>	<u>58</u>	<u>161</u>	<u>161</u>	<u>276</u>	<u>223</u>
Net position:						
Net investment in capital assets	261	244	264	264	525	504
Restricted	24	33	55	50	79	83
Unrestricted	68	85	49	56	117	141
Total net position	<u>\$ 353</u>	<u>\$ 362</u>	<u>\$ 368</u>	<u>\$ 370</u>	<u>\$ 721</u>	<u>\$ 728</u>

Net position of the City's governmental activities decreased by \$9M or 2.21% over last year; primarily as a result of increase in net investment in capital assets by \$17M, with a corresponding decrease of \$26M from restricted and unrestricted. Unrestricted net position is the portion of net position, which can be utilized to finance day-to-day operations, free of any constraints established by debt covenants, enabling legislation or other legal requirements.

The net position of the City's business-type activities decreased \$2M or .50% less than last year's amount. Generally the City can only use this net position to finance continuing operations and capital expenses of the enterprise funds.

The table on the following page presents more detail on revenues and expenses.

City of McAllen, Texas
Management Discussion and Analysis
September 30, 2014

Total revenues generated from both governmental and business-type activities this year amounted to \$215M, representing an increase of \$10M or 2.44% over last year due primarily to charges for services, property taxes, and grants and contributions. Sales tax remained flat, which was offset by an increase of \$1M in other taxes. Expenses came in at \$219M, \$26M more or 13% over last year, leaving -\$4M as a decrease to net position. The following analysis considers separately the operations of governmental and business-type activities.

Governmental Activities

Total revenues generated from governmental activities this year amounted to \$128M. Expenses came in at \$140M, leaving -\$12M as a decrease before transfers-in of \$4M, thus decreasing net position by -\$8M.

The cost of all governmental activities this year was \$140M. However, as shown on the Statement of Activities on pages 20-21, the amount that our taxpayers ultimately financed for these activities through taxes and other general revenues was \$124M. The other \$16M to finance these programs was paid by those who directly benefited from them (\$9M) and by other governments that subsidized certain programs with grants (\$7M).

The table below presents the cost of each of the City's five largest programs as well as each program's net cost (total cost less revenues generated by the activities). The net cost shows the financial burden that was placed on the City's taxpayers by each of these functions.

Governmental Activities
(in Millions)

	Total Cost of Services		Net Cost of Services	
	<u>2014</u>	<u>2013</u>	<u>2013</u>	<u>2013</u>
Police	\$ 33	\$ 32	\$ 25	\$ 26
Fire	19	17	19	17
Street maintenace	10	9	10	3
Parks	13	6	12	6
Drainage	<u>3</u>	<u>3</u>	<u>3</u>	<u>2</u>
 Total	 <u>\$ 78</u>	 <u>\$ 67</u>	 <u>\$ 69</u>	 <u>\$ 54</u>

Business-type Activities

Total revenues generated from business-type activities this year amounted to \$87M. Expenses came in at \$79M leaving \$8M before transfers out of \$4M, which, resulted in a net increase to net position of \$4M, before a restatement of 2M to the prior year. The restatement was the result of removing \$2M issuance cost.

**City of McAllen, Texas
Management Discussion and Analysis
September 30, 2014**

More details will be provided about governmental and business-type activities' operations later in this discussion and analysis.

**GOVERNMENTAL FUNDS – A Detailed Discussion
(General Fund, Special Revenue Funds, Debt Service Fund and Capital Project Funds)**

As a result of this year's operations, governmental funds (as reflected in the balance sheet on page 22-23) combined fund balance totaled \$129M or an increase of \$42M from last year. Current revenues, including net transfers in, were sufficient to cover current expenditures, thus, resulting in an increase to net assets by \$42M.

Revenues and Transfers-In and Other Financing Sources

The following table presents a summary of general fund, special revenue funds, debt service fund and capital projects funds revenues and transfers-in and other financing sources for the years ended September 30, 2014 and 2013.

Revenues, transfers-in and Other Financing Sou	2014 Amount	% of Total	2013 Amount	Amount of Increase (Decrease)	% Increase (Decrease)
Taxes	\$ 107,695,530	52.99%	\$ 105,293,773	\$ 2,401,757	2.28%
Licenses and permits	1,447,712	0.71%	1,429,150	18,562	1.30%
Intergovernmental	7,376,849	3.63%	6,782,631	594,218	8.76%
Charges for services	5,220,385	2.57%	5,279,159	(58,774)	-1.11%
Fines and forfeitures	2,556,904	1.26%	2,548,733	8,171	0.32%
Investment income	739,885	0.36%	69,628	670,257	962.63%
Miscellaneous	1,784,518	0.88%	2,101,208	(316,690)	-15.07%
Proceeds from capital debt	57,723,908	28.40%	-	57,723,908	N/A
Transfers-in	18,703,155	9.20%	22,353,826	(3,650,671)	-16.33%
Totals	\$ 203,248,846	100.00%	\$ 145,858,108	\$ 57,390,738	39.35%

The \$2.4M increase in taxes is primarily an increase in property tax of \$400K and an increase of \$2M in hotel and venue tax due to an approved 2% rate increase (from 7% to 9%). Licenses and permits and charges for services were relatively flat. The increase of \$8K in fines and forfeitures was largely due to increased collection efforts. Funding from federal and state assistance increased marginally this year as reflected in intergovernmental revenues' category. Investment earnings also reflect a substantial increase as compared to last year. The decline of \$317K in the miscellaneous category is a result of a decrease in several miscellaneous items and grant funding requests. The decrease of \$4M in transfers-in was the result of a decrease of transfers from the General Fund for funding capital improvement projects.

**City of McAllen, Texas
Management Discussion and Analysis
September 30, 2014**

Expenditures and Transfers-Out

The following table presents a summary of general fund, special revenue funds, debt service fund and capital projects funds expenditures, transfers-out for the years ended September 30, 2014 and 2013.

Expenditures and Transfers-out	2014 Amount	% of Total	2013 Amount	Amount of Increase (Decrease)	% Increase (Decrease)
General government	\$ 36,318,600	22.58%	\$ 21,967,597	\$ 14,351,003	65.33%
Public safety	58,295,032	36.24%	52,646,894	5,648,138	10.73%
Highways and streets	17,311,957	10.76%	21,573,945	(4,261,988)	-19.76%
Health and welfare	4,563,154	2.84%	5,208,427	(645,273)	-12.39%
Culture and recreation	27,296,284	16.97%	22,124,895	5,171,389	23.37%
Debt service:					
Principal	2,765,000	1.72%	2,645,000	120,000	4.54%
Interest and fiscal charges	774,407	0.48%	896,365	(121,958)	-13.61%
Transfers-out	13,544,283	8.42%	20,697,182	(7,152,899)	-34.56%
Totals	\$ 160,868,717	100.00%	\$ 147,760,305	\$ 13,108,412	8.87%

The increase of \$13.1M in total expenditures was primarily due to an increase of \$14.6M in general government, \$5.6M in public safety, as well as culture and recreation functions, \$5.2M, offset by a decrease of \$4.3M in highways and streets and a decrease of \$645K in health and welfare. Additionally, expenditures slightly increased in: principal payments—\$120K and decreased in interest and fiscal payments—\$122K. As indicated, transfers-out decreased by \$7.1M compared to last year—primarily due to a decrease of transfers: from General Fund—\$5.9M to Capital Improvement Fund; from Civic Center and Convention Center Funds—\$1.0M to Capital Improvement Fund; and to a lesser extent \$ 300K within governmental funds.

Fund Balances

The governmental fund balances increased by \$42M, from \$87M in the prior year to \$129M in the current year, which is attributed to the general obligation and certificate of obligation proceeds received for street improvements, sports facility complex, and the new Performing Arts facility. Fund balances by major funds are discussed below.

City of McAllen, Texas
Management Discussion and Analysis
September 30, 2014

General Fund

As a result of this year's operations, total fund balance decreased by \$45K—to \$43.8M. Fund balance categories reflect \$2.1M in non-spendable, \$447K in restricted, leaving \$41M unassigned. During fiscal year 1997-98, the City adopted, by resolution, a financial policy requiring a minimum of 140 days of operating expenses in fund balance. Based upon next year's operating budget, exclusive of capital outlay and transfers-out, unassigned fund balance represents 150 days, which is 10 days in excess of the minimum requirement.

Development Corp Fund

The fund balance in the Development Corporation Fund reflected a decrease of \$9.8M, leaving the ending restricted fund balance at \$15M.

Capital Improvement Fund

The Capital Improvement Fund ended the year with a net decrease, amounting to \$4.4M, leaving the assigned fund balance at \$4.7M.

PROPRIETARY FUND TYPES
(Enterprise Funds and Internal Service Funds)

Enterprise Funds

The City's enterprise operations consist of the McAllen Public Utility (Water and Sewer Funds), Sanitation Fund, Palm View Golf Course Fund, Transit Terminal Fund, McAllen International Civic Center Fund, McAllen Convention Center, McAllen International Airport Fund, McAllen Express Transit Fund, McAllen International Toll Bridge Fund and the Anzalduas International Crossing Fund. In the aggregate, the proprietary funds reported a \$4M increase to net position. Of that amount, the Water and Sewer Funds accounted for approximately -\$200K; the Sanitation Fund, \$1M; the McAllen International Airport, \$3M; the McAllen International Toll Bridge's, \$1M. The Convention Center Fund, the Anzalduas International Crossing, and non-major proprietary funds combined generated a net decrease amounting to \$1M.

McAllen Public Utilities (MPU) – Water and Sewer Funds

Water Fund

Operating revenues decreased by 2.6% as compared to last year. With operating expenses held to last year's totals, the decrease to net position amounted to \$1.4M. Combine Water and Sewer Fund working capital is in excess of the board policy of 120 days of operating expenses.

Sewer Fund

Since sewer revenues are impacted by water consumptions and as noted above, operating revenues increased by 1% from last year. Operating expenses increased 12% over last year, mainly due to an increase in depreciation. The net impact to net position was an increase of \$1.2M, leaving combined Water and Sewer Fund working capital in excess of the board policy of 120 days of operating expenses.

**City of McAllen, Texas
Management Discussion and Analysis
September 30, 2014**

Sanitation Fund

This year's operating revenues, representing charges for services, slightly increased \$230K or 1.4% over prior year, which primarily represents a small increase in growth in the customer base. As a whole, operating expenses increased \$681K or 5% over last year—leaving an operating income of \$1.4M. The effect of non-operating revenues and capital contributions were minimal. Consequently, the net position increased by \$1.2M. Working capital as of year-end amounted to \$9.4M.

Convention Center Fund

Operating revenues were \$2.2M and operating expenses were \$5.6M, leaving an operating loss of \$3.4M, which was partially covered by transfers-in from the Hotel Occupancy Tax Fund in the amount of \$2.4M and \$1.8M in gain from sale of capital assets leaving a decrease in net position of \$1.3M, after a transfer out of \$2.0M. Working capital is now reported at \$2.1M.

McAllen International Airport Fund

Operating revenues marginally increased this year by 9% from last year's levels. Operating expenses increased by 9%. As a result, the loss amounted to \$1.5M before capital contributions and transfers out. Capital contributions from the Passenger Facility Charge as well as the FAA amounted to \$5.6M. Transfers-out to the City amounted to \$1M to reimburse for public safety personnel assigned to the Airport. As a result, an increase in net position of \$3M is reported. This year's working capital is reflected at \$5.4M, not considering liabilities payable from restricted assets, which are included in current liabilities.

McAllen International Toll Bridge Fund

The table in the following page reflects four types of crossings for 2013, as well as 2012. With the exception of truck crossings, all other categories reflect decreases.

<u>Category</u>	<u>FY 13-14</u>	<u>FY 12-13</u>	<u>Increase (Decrease)</u>	<u>% Increase (Decrease)</u>
Cars	2,834,249	2,908,166	(73,917)	-2.50%
Trucks	13,075	9,119	3,956	43.40%
Buses	19,933	16,160	3,773	23.30%
Passengers in cars	7,085,623	7,270,415	(184,792)	-2.50%

Despite a decline in southbound car crossings of 74K or 2.5%, revenues came in at \$10.6M or a slight increase of \$373K over last year. Rental and other income remained relatively flat. Operating expenses increased slightly by \$180K over last year. After considering all other non-operating revenues and expenses, changes in this year's increase in net position totaled \$1.0M.

Net position, and its components, over time serve as a meaningful measure of the Bridge's financial position. The Bridge's assets exceed liabilities by \$32M at September 30, 2014. Working capital, not considering liabilities payable from restricted assets, which are included in current liabilities, at year end amounted to \$1.4M.

**City of McAllen, Texas
Management Discussion and Analysis
September 30, 2014**

Anzalduas International Crossing

The table below reflects four types of crossings for 2014, as well as 2013. With the exception of truck crossings, all other categories of crossings reflect increases.

<u>Category</u>	<u>FY 13-14</u>	<u>FY 12-13</u>	<u>Increase (Decrease)</u>	<u>% Increase (Decrease)</u>
Cars	950,143	933,694	16,449	1.80%
Trucks	859	960	(101)	-10.52%
Buses	1,922	4,417	(2,495)	-56.50%
Passengers in cars	2,375,358	2,334,235	41,123	1.76%

Southbound car crossings increased 16K or 2.0% with revenues coming in at \$3.0M or a slight increase of \$165K over last year. Operating expenses increased slightly by \$48K over last year. After a transfer in of \$947K and implementation of GASB Statement 65, the change in net position was a negative \$543K. This resulted in an ending net position deficit of \$700K.

Unrestricted net position is reflected as a deficit in the amount of \$14.8M, largely the consequence of advances made to it by the McAllen International Toll Bridge Fund.

General Fund Budgetary Highlights

During the year the City Commission amended the budget several times. The increase from the original appropriations to the final budget appropriations was approximately \$1.5M. This increase was primarily to cover: personnel services—\$643K; miscellaneous services—\$507K; and another \$350K for other agencies.

Totals	\$ 73	\$ 22	\$ 139	\$ 146	\$ 212	\$ 168

For more detailed information on long term debt activity, refer to the notes to financial statements (refer to page 90).

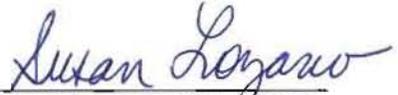

ECONOMIC FACTORS AND NEXT YEAR'S BUDGETS AND RATES

During the budget process for fiscal year 2014-15 the elected and appointed officials considered many factors including the forces driving the economy—among which were slowing of job growth, lack of growth in new housing, bank deposits, retail sales growth, the unemployment rate, and inflation. As a result of the deliberations, within the General Fund, revenues budgeted to increase from this year's actual by \$2.43M or more than 3%. Expenditures were budgeted with a \$1.7M increase or 2% over this year's actual.

CONTACTING THE CITY'S FINANCIAL MANAGEMENT

This financial report is designed to inform the citizens, taxpayers and customers of the City of McAllen as well as its investors and creditors about the City's finances and to provide accountability for the public support that it receives. If you have any questions about the report or need additional financial information, contact the Finance Director's Office at the City of McAllen, 1300 Houston, McAllen, Texas 78501.

Roel Rodriguez
City Manager

Susan Lozano, CPA, CGFO
Interim-Finance Director

CITY OF McALLEN, TEXAS
Reconciliation of the Balance Sheet of the Governmental Funds
to the Statement of Net Position
September 30, 2014

Total governmental fund balances (refer to page 23) \$ 129,489,674

Amounts reported for governmental activities in the statement of net position are different because:

Capital assets used in governmental activities are not financial resources and therefore are not reported in the funds. 266,574,111

Other long-term assets are not available to pay for current-period expenditures and therefore are deferred in the funds. The amount consists of the following: property taxes-\$3,577,352; sales and franchise taxes-\$5,406,299; weed and lot cleaning-\$769,336; others; \$661,185; and Mission repayment on Series B Bridge bonds, \$1,918,717. 12,332,890

Internal service funds are used by management to charge the costs of certain activities, such as fleet management and insurance, to individual funds. The assets and liabilities of certain internal service funds are included in governmental activities in the statement of net position. 34,295,945

Some liabilities, including bonds payable, are not due and payable in the current period and therefore are not reported in the funds, including unpaid compensated absences, (\$10,270,983), sales tax revenue bonds payable, (\$100,000), accrued interest, (\$625,208), certificate of obligations, (\$30,845,000), general obligations, (\$42,380,000), premium, (\$3,887,561), Firemen's pension obligation, (\$814,623), and net OPEB obligation, (\$1,131,455). (90,054,830)

Net position of governmental activities \$ 352,637,790

CITY OF McALLEN, TEXAS
Reconciliation of the Statement of Revenues
Expenditures, and Changes in Fund Balances of Governmental Funds
to the Statement of Activities
For the year ended September 30, 2014

Net change in fund balances--total governmental funds (refer to page 27)	\$ 42,380,129
Amounts reported for governmental activities in the statement of activities are different because:	
Governmental funds report capital outlays as expenditures. However, in the statement of activities the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense. This is the amount by which capital outlays \$21,104,192 exceeded depreciation, net of depreciation (\$14,400,755) in the current period.	6,703,437
Revenues in the statement of activities that do not provide current financial resources are not reported as revenues in the funds.	386,127
Repayment of bond principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the statement of net position.	2,765,000
Some expenses reported in the statement of activities do not require the use of current financial resources and therefore are not reported as expenditures in governmental funds of which (\$848,144) is compensated absences, (\$521,772) accrued interest expense, bond amortization expense, \$479,518, and (\$267,867) Firemen's Fund net pension obligation.	(1,158,265)
Internal service funds are used by management to charge the costs of certain activities, such as fleet management and insurance, to individual funds. The net revenue (expense) of certain internal service funds reported with governmental activities.	(1,823,585)
Certificates of obligations, (\$11,850,000), premium, (\$464,567), general obligations, (\$42,380,000), and premium, (\$3,029,340), provides current financial resources to governmental funds, but issuing debt increases long-term liabilities in the statement of net position.	(57,723,907)
Change in net position of governmental activities	<u>\$ (8,471,064)</u>

The notes to the financial statements are an integral part of this statement.

CITY OF McALLEN, TEXAS

NOTES TO FINANCIAL STATEMENTS

September 30, 2014

I. Summary of significant accounting policies

(A) Reporting entity

The City of McAllen, Texas (the City) is a municipal corporation, which was incorporated February 20, 1911 under Article XI, Section 5 of the Texas Constitution. The City operates under the commission-manager form of government and provides a full range of municipal services as authorized by its charter. The governing body consists of an elected mayor and a six-member commission. Services provided include those typically provided by general-purpose local governments, namely public safety (principally police and fire,) highways and streets, health and welfare, culture and recreation (principally library, parks and recreation). Other services provided include water and sewer utilities, sanitation, civic center, convention center, international airport, international toll bridge linking Hidalgo, Texas with downtown Reynosa, Tamaulipas, Mexico, international toll bridge linking south of the City of Mission with the west side of Reynosa, Tamaulipas, Mexico, golf course, bus transit system, and intermodal transit terminal.

The accompanying financial statements present the reporting entity, which consists of the primary government. Financial reporting standards also require the City to include, if any, legally-separate entities or organizations for which the primary government is financially accountable and other organizations for which the primary government is not accountable, but for which the nature and significance of their relationship with the primary government are such that exclusion could cause the City's basic financial statements to be misleading or incomplete.

Financial accountability exists if a primary government appoints a voting majority of an organization's governing Board and either is able to impose its will on that organization or there is a potential for the organization to provide specific financial benefits to, or impose specific financial burdens on, the primary government. A primary government may also be financially accountable for governmental organizations with a separately elected governing Board, a governing Board appointed by another government, or a jointly appointed Board that is fiscally dependent on the primary government.

Applying these tests to other entities and activities for possible inclusion in the reporting entity, the City has determined that the Development Corporation meets the financial accountability tests and, therefore is included as a blended component unit. Its Board is appointed by the City Commission and serves as an advisory board to the City Commission.

The City of McAllen issues separate publicly available audited financial statements of the McAllen International Toll Bridge and the Anzalduas International Crossing, which may be obtained by writing to City of McAllen Finance Department, 1300 Houston, P.O. Box 220, McAllen, Texas 78505.

CITY OF McALLEN, TEXAS

NOTES TO FINANCIAL STATEMENTS

September 30, 2014

The Firemen's Relief and Retirement Fund is included as a pension trust fund, and reported as a fiduciary fund in the accompanying financial statements.

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (US GAAP) applicable to states and local governments. US GAAP for local governments include those principles prescribed by the Governmental Accounting Standards Board ("GASB"), the American Institute of Certified Public Accountants in the publication entitled Audits of State and Local Governments.

Governmental Accounting Standards Board has issued the following pronouncement, which is relevant to the City, became effective this fiscal year and has been implemented:

GASB Statement No. 65, *Items Previously Reported as Assets and Liabilities*.

This Statement establishes accounting and financial reporting standards that reclassify, as deferred outflows of resources or deferred inflows of resources, certain items that were previously reported as assets and liabilities and recognizes, as outflows of resources or inflows of resources, certain items that were previously reported as assets and liabilities. For the City, this affects the presentation of debt issuance costs as an expense versus a capitalized cost. See Note 12 for the impact to beginning net position.

The following statements will become effective in future years. Management has not yet determined the effect of these statements, however, the impact is expected to be significant as it related to GASB 68, as this statement will require the recognition of a previously unrecorded liability.

GASB Statement No. 68, *Accounting and Financial Reporting for Pension Plans—an amendment of GASB Statement No.27*

The primary objective of this Statement is to improve accounting and financial reporting by state and local governments for pensions. It also improves information provided by state and local governmental employers about financial support for pensions that is provided by other entities. This Statement results from a comprehensive review of the effectiveness of existing standards of accounting and financial reporting for pensions with regard to providing decision-useful information, supporting assessments of accountability and inter-period equity, and creating additional transparency. This Statement is effective for fiscal years beginning after June 15, 2014.

CITY OF McALLEN, TEXAS

NOTES TO FINANCIAL STATEMENTS

September 30, 2014

GASB Statement No. 69, *Government Combinations and Disposals of Government operations*

The objective of this Statement is to improve financial reporting by addressing accounting and financial reporting for government combinations and disposals of government operations. The term *government combinations* is used in this Statement to refer to a variety of arrangements including mergers and acquisitions. Government combinations also include transfers of operations that do not constitute entire legally separate entities and in which no significant consideration is exchanged. Transfers of operations may be present in shared service arrangements, reorganizations, redistricting, annexations, and arrangements in which an operation is transferred to a new government created to provide those services. This Statement is effective for government combinations and disposals of government operations occurring in financial reporting periods beginning after December 15, 2013.

GASB Statement No. 70, *Accounting and Financial Reporting for Nonexchange Financial Guarantees*

Some governments extend financial guarantees for the obligations of another government, a not-for-profit organization, a private entity, or individual without directly receiving equal or approximately equal value in exchange (a nonexchange transaction). As a part of this nonexchange financial guarantee, a government commits to indemnify the holder of the obligation if the entity or individual that issued the obligation does not fulfill its payment requirements. Also, some governments issue obligations that are guaranteed by other entities in a nonexchange transaction. The objective of this Statement is to improve accounting and financial reporting by state and local governments that extend and receive nonexchange financial guarantees. The provisions of the Statement are effective for reporting periods beginning after June 15, 2013. Earlier application is encouraged. Except for disclosures related to cumulative amounts paid or received in relation to a nonexchange financial guarantee, the provisions of this Statement are required to be applied retroactively. Disclosures related to cumulative amounts paid or received in relation to a nonexchange financial guarantee may be applied prospectively.

GASB Statement No. 71, *Pension Transition for Contributions Made Subsequent to the Measurement Date—an amendment of GASB Statement No. 68*

The objective of this Statement is to address an issue regarding application of the transition provisions of Statement No. 68, *Accounting and Financial Reporting for Pensions*. The issue relates to amounts associated with contributions, if any, made by a state or local government employer or nonemployer contributing entity to a defined benefit pension plan after the measurement date of the government's beginning net pension liability. This Statement amends paragraph 137 of Statement 68 to require that, at transition, a government recognize a beginning deferred outflow of resources for its pension contributions, if any, made subsequent to the measurement date of the beginning net pension liability. Statement 68, as amended,

CITY OF McALLEN, TEXAS

NOTES TO FINANCIAL STATEMENTS

September 30, 2014

continues to require that beginning balances for other deferred outflows or resources and deferred inflows of resources related to pensions be reported at transition only if it is practical to determine *all* such amounts. The provisions of this Statement are required to be applied simultaneously with the provisions of Statement 68.

The more significant accounting policies of the City are described below.

(B) Government-wide and fund financial statements

Government-wide Financial Statements

The government-wide financial statements consist of the statement of net position, a statement of financial position, and the statement of activities, a statement of results of operations. These statements report information on all the activities of the reporting entity with the exception of fiduciary activity. Generally, the effect of inter-fund activity has been eliminated from these statements. *Governmental activities*, normally supported by taxes and intergovernmental revenues, are reported separately from *business-type activities*, which primarily rely on fees and charges.

The statement of activities reflects the extent to which direct expenses of each function are offset by program revenues. *Direct expenses* are those that are attributable to a specific function and are clearly identifiable. *Program revenues* include charges to customers or applicants who purchase, use or directly benefit from goods, services or privileges provided by a specific function as well as grants and contributions that are restricted to meeting the operational or capital requirements of a specific function. Taxes and other items not appropriately included with program revenues are shown as *general revenues*.

Fund Financial Statements

In addition to and apart from the government-wide financial statements, fund financial statements are presented for governmental funds, proprietary funds and fiduciary funds. In each of these financial statements, major funds are presented in separate columns.

(C) Measurement focus, basis of accounting and financial statement presentation

The government-wide financial statements are presented using the *economic resources measurement focus* and the *accrual basis of accounting*; consistent with the presentation of the proprietary fund and fiduciary fund financial statements, with the exception that agency funds do not have a measurement focus. Revenues are recorded when earned and expenses are recorded when a liability is incurred, without regard to the timing of the related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon all eligibility requirements imposed by the provider have been met.

CITY OF McALLEN, TEXAS

NOTES TO FINANCIAL STATEMENTS

September 30, 2014

Governmental fund financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be *available* when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. The City considers revenues to be available if they are collected within 30 days of the end of the current fiscal period, except for property taxes, which is 60 days required by GAAP. Expenditures generally are recorded when a liability is incurred, consistent with accrual accounting. However, debt service expenditures, as well as those related to compensated absences and claims and judgments are recognized only when payment is made.

Revenues derived from federal or state grants are recognized when earned at the end of the current fiscal year and are reflected as due from other governments. Because of their nature, the availability period has a longer duration of six months to a year.

Property taxes, sales taxes, franchise taxes, and interest associated with the current fiscal period are all considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period. Other revenue items are considered to be measurable and available only when cash is received by the government.

The City reports the following governmental fund types and related major governmental funds:

The *General Fund* is the primary operating fund. It accounts for all of the financial resources of the general government, except those required to be accounted for in another fund.

The *Special Revenue Funds* are used to account for and report the proceeds of specific revenue sources, other than for debt service or major capital projects that are legally restricted or committed to expenditure for specified purposes. The only special revenue fund reported as a major fund is the *Development Corp. Fund*, a blended component unit. It is used to account for the additional ½¢ sales tax for economic development.

The *Debt Service Fund* is used to account for and report financial resources that are restricted, committed or assigned for the payment of principal, interest and related costs on general long-term debt paid primarily from taxes levied by the City. The fund balance of the Debt Service fund is restricted to signify the amounts that are restricted exclusively for debt service expenditures.

The *Capital Projects Funds* are used to account for and report financial resources that are restricted, committed or assigned for the acquisition and/or construction of capital facilities except those financed by proprietary fund types. The *Capital Improvement Fund* is the only fund of this type that is reported as a major fund.

CITY OF McALLEN, TEXAS

NOTES TO FINANCIAL STATEMENTS

September 30, 2014

The governing body has adopted the policy that the Development Corp. Fund and the Capital Improvement Fund are to be considered major funds, without regard to the major fund criteria, due to them being particularly important to the users of these financial statements.

The City reports the following major *proprietary fund types* and related funds:

The following *enterprise funds* are used to account for City operations for which a fee is charged to external users for goods or services. These funds must be used for activities, whose debt is backed solely by fees and charges or there is a legal requirement to recover cost, including capital cost, or a policy decision has been made to recover cost, including capital cost. Enterprise funds, which are reported as major funds include:

The *Water Fund*, which accounts for the activities of the City's water system.

The *Sewer Fund*, which accounts for the activities of the City's sewer system.

The *Sanitation Fund*, which accounts for the activities of the City-owned residential and commercial garbage and brush collection as well as recycling systems.

The *Convention Center Fund*, which accounts for the activities of the City's convention center.

The *McAllen International Airport Fund*, which accounts for the activities of the City-owned international airport.

The *McAllen International Toll Bridge Fund*, which accounts for the operations of the City-owned international bridge connecting the City of Hidalgo, Texas with downtown Reynosa, Mexico.

The *Anzalduas International Crossing Fund*, which accounts for the operations of the international bridge connecting south of the City of Mission, Texas with the west side of Reynosa, Mexico.

The City also reports, although not as major funds, the *internal service funds as proprietary funds*. These fund types were established to finance and account for goods and services provided to various departments of the City, and on a limited basis to other local agencies, on a cost-reimbursement basis. They account for fleet management, health insurance, retiree health insurance, and general insurance services provided to other operating funds of the City, as well as a general depreciation fund for rolling stock used within departments of the General Fund. In the statement of net position, only fleet management is reported in the business-type column, because the predominant user is determined to be the Sanitation Fund, a proprietary fund.

CITY OF McALLEN, TEXAS

NOTES TO FINANCIAL STATEMENTS

September 30, 2014

The City reports *fiduciary fund types*, in which the City accounts for assets received and held by the City in the capacity of trustee, agent or custodian. Expenditures are made only in accordance with the purpose for which the assets are received and cannot be used to support the City's programs. Within this category of fund types, the *pension trust fund* accounts for the activities of the *Firemen's Relief and Retirement Fund*, this accumulates resources for pension benefit payments to qualified firefighters. It also accounts for developers' contributions for future infrastructure development in the *Developers' Fund*, an agency fund. Additionally, it accounts for *Communications Group Fund*, an agency fund, which was established for the purpose of accounting for the operations and maintenance of a consolidated regional public safety services communication system. The City also includes the *Payroll Fund* as an agency fund.

Generally, the effect of inter-fund activity has been eliminated from the government-wide financial statements. Exceptions to this general statement are charges between the City's water and sewer function and various other functions of the City. Eliminating these charges would distort the direct costs and program revenues reported by the respective functions.

Amounts reported in *program revenues* include 1) charges to customers or applicants for goods, services or privileges provided, 2) operating grants and contributions, and 3) capital grants and contributions. Internally dedicated resources are reported as *general revenues*, which include all taxes, as opposed to program revenues.

Proprietary funds distinguish *operating* revenues and expenses from *non-operating* items. Operating revenues and expenses typically are the result from activities specific to a particular proprietary fund's operations. Operating revenues include charges for services. Operating expenses include costs of services as well as materials, contracts, personnel and depreciation. All other revenues and expenses are reported as non-operating revenues and expenses.

When an expense is incurred for purposes for which both restricted and unrestricted net position is available, the City typically first applies restricted resources, as appropriate opportunities arise, but reserves the right to selectively defer the use thereof to a future project or replacement equipment acquisition.

(D) Assets, liabilities, and net position

(1) Deposits and investments

The City's cash and cash equivalents are considered to be all cash in its operating accounts and money market accounts with an original maturity date of 90 days or less for the statements of cash flows. The Public Funds Investment Act for the state of Texas allows municipalities to invest in the following:

- Obligations of, or guaranteed by governmental entities, including:

CITY OF McALLEN, TEXAS

NOTES TO FINANCIAL STATEMENTS

September 30, 2014

- Obligations of the United States or its agencies or instrumentalities
 - Direct obligations of this state or its agencies and instrumentalities
 - Collateralized mortgage obligations directly issued by a federal agency or instrumentality of the United States, the underlying security for which is guaranteed by an agency or instrumentality of the United States.
 - Other obligations, the principal and interest of which are unconditionally guaranteed or insured by or backed by the full faith and credit of, this state or the United States or their respective agencies and instrumentalities
 - Obligations of states, agencies, counties, cities, and other political subdivisions of any state rated as to investment quality by a nationally recognized investment rating firm not less than A or its equivalent
 - Bonds issued, assumed, or guaranteed by the State of Israel
- Certificates of deposit
 - Fully collateralized repurchase agreements
 - Bankers' acceptances
 - Commercial paper
 - No-load mutual funds
 - Guaranteed investment contracts
 - Investment pools

The City's investment policy further restricts investments to the following:

- U.S. Treasury obligations and government agency securities, specifically those issued by the Federal Home Land Bank, the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, and the Federal Farm Credit Bank, excluding mortgage-backed securities (i.e., those issued by the Government National Mortgage Association (Ginnie Mae), Student Loan Marketing Association (Sallie Mae) and Tennessee Valley Authority (TVA).
- Certificates of Deposit
- Local government investment pools

The City's investments are reported at fair value based on quoted market prices. Fair value is the amount at which a financial instrument could be exchanged in a current transaction between willing parties.

(2) Receivables and payables

Lending/borrowing between funds that results in amounts outstanding at the end of the fiscal year are referred to as either "due to/from other funds" or "advances to/from other funds". "Due to/from other funds" represents the current portion of interfund loans. "Advances to/from other funds" represents the non-current portion of interfund loans. With respect to the

CITY OF McALLEN, TEXAS

NOTES TO FINANCIAL STATEMENTS

September 30, 2014

government-wide financial statements, any residual balances outstanding between the governmental activities and business-type activities are reported as “internal balances.”

Advance receivables between funds, reported in the fund financial statements, are offset by a restricted category of fund balance in the applicable governmental fund(s) to indicate that they are not available for appropriation and are not expendable available financial resources.

All trade receivables are shown net of an allowance for uncollectible.

Property taxes are levied on October 1 based on the assessed value of property as listed on the previous January 1, on which date a tax lien attaches. Assessed values are an approximation of market value. A valuation of all property must be made at least every three (3) years. However, due to growth, the appraisal district conducts annual valuation by property category. Property taxes at the fund level are recorded as receivables and deferred revenues at the time the taxes are levied. Revenues are recognized as the related ad valorem taxes are collected. Additional amounts estimated to be collectible in time to be a resource for payment of obligations incurred during the fiscal year and, therefore, susceptible to accrual in accordance with GAAP have been recognized as revenue. Taxes are due on October 1, the levy date, and are delinquent after the following January 31. Tax liens are automatic on January 1 each year. The tax lien is part of a lawsuit for property that can be filed any time after taxes become delinquent (February 1). The City usually waits until after May 1 and July 1 to file suits on business personal property and real property, respectively.

(3) Inventories and prepaid items

Inventories for all governmental funds are valued at the lower of cost or market on the first-in, first-out basis. The consumption method is used to account for inventories. Under the consumption method, all inventory purchases are recorded as inventory acquisitions (current assets) at the time of purchase and expended when used.

Inventories of proprietary funds are valued at the lower of cost or market on the first-in, first-out basis as well.

Payments to vendors, reflecting costs applicable to future accounting periods, are recorded as prepaid items in both government-wide and fund financial statements.

(4) Restricted assets

Proceeds from the issuance of bonds, primarily related to enterprise funds and sales tax revenue bonds, as well as certain resources set aside for their repayment, are classified as restricted assets on the balance sheet due to their use being limited by applicable bond covenants. The “revenue bond current debt service” account is used to report segregated assets accumulated for debt service payments over the next twelve months. The “revenue

CITY OF McALLEN, TEXAS

NOTES TO FINANCIAL STATEMENTS

September 30, 2014

bond contingency” account is used to report resources set aside to subsidize potential deficiencies from the McAllen International Toll Bridge Fund and/or the Anzalduas International Crossing Fund operation that could adversely affect debt service payments. In addition to assets restricted by bond covenants, others are restricted by enabling legislation for replacement and/or acquisition of capital assets.

(5) Capital assets

Capital assets, which includes property, plant, equipment and infrastructure assets (e.g., roads, bridges, sidewalks and similar items), are reported in the applicable governmental or business-type activities columns in the government-wide financial statements. Capital assets are defined by the City as assets with an initial, individual cost of \$2,500 or more and an estimated useful life in excess of one year. Such assets are recorded at historical cost. Donated assets are reflected at estimated fair market value at the date of donation.

The costs of normal maintenance and repairs that do not add to the value of an asset or materially extend the assets life are not capitalized.

Gains or losses on dispositions of capital assets are included in income within the proprietary fund financial statements and in the governmental activities and business-type activities columns of the government-wide financial statements. In the governmental fund financial statements only the proceeds from the disposition are reported. Within the proprietary funds, interest cost, less interest earned on investments acquired with proceeds of related borrowing, is capitalized during the construction of capital projects when material. The Airport Fund has incurred \$927K of capitalized interest and will be re-classed at the end of the next fiscal year. Interest expense is not capitalized on general capital assets.

Depreciation of capital assets used by proprietary funds, including those acquired by contributed capital, is charged as an expense against their operations in the fund financial statements as well as the government-wide financial statements. Depreciation of general capital assets used by funds categorized as governmental activities is not provided in the fund financial statements, however is included in the gross expense by function in the government-wide Statement of Activities. Capital assets, accumulated depreciation as well as the net amount are reported on proprietary fund balance sheets and in both the governmental activities and business-type activities column of the government-wide statement of net assets. Depreciation has been provided over the estimated useful lives using the straight-line method. The estimated useful lives are as follows:

Buildings and improvements	10 – 50 years
Equipment	5 – 15 years
Infrastructure	15 – 40 years

CITY OF McALLEN, TEXAS

NOTES TO FINANCIAL STATEMENTS

September 30, 2014

(6) Compensated absences

Accumulated unpaid compensated absences are accrued when incurred in all funds reported within the proprietary fund financial statements as well as the governmental activities and business-type activities columns of the government-wide statements. The expense is recognized in the governmental fund financial statements when paid or expected to be paid with current financial resources.

(7) Long-term obligations

In the government-wide financial statements and the proprietary fund types in the fund financial statements, long-term debt and other long-term obligations are reported as liabilities in the governmental/business-type activities or the specific proprietary fund to which each relates, as applicable. Bond premiums and discounts are amortized over the life of the bonds. Bonds payable are reported net of the applicable bond premium or discount.

In the fund financial statements, governmental fund types recognize bond premiums and discounts, as well as bond issuance costs, during the current period. Premiums received on debt issuances are reported as other financing sources and discounts are reported as other financing uses. Issuance costs, whether or not withheld from debt proceeds, are reported as debt service expenditures.

(8) Fund balances

Fund balance, reported in governmental funds, which has some level of constraint placed on it, is classified as nonspendable, restricted, committed, or assigned. The amount remaining, which can be spent for any lawful purpose is classified as unassigned. Amounts classified as restricted have constraints placed on the use by law, regulations of other governments, creditors, grantors or by enabling legislation. Those classified as committed are constrained by the City Commission through an ordinance for specific purposes, but are neither restricted nor committed. Reversing a commitment would require City Commission approval through an ordinance. Non-spendable amounts cannot be spent because they are either (a) not in spendable form, or (b) legally or contractually required to be maintained intact. The City Commission has delegated the authority to make assignments to the City Manager with Commission direction. For the purposes of classifying governmental fund balances, the City typically considers expenditure to be made from the most restrictive first when more than one classification is available, however reserves the right to selectively defer the use thereof to future expenditure. During the budget process, the City Manager designates the assignment of

CITY OF McALLEN, TEXAS

NOTES TO FINANCIAL STATEMENTS

September 30, 2014

fund balances and makes recommendations to the City Commission for their consent and approval.

The table below outlines the composition of the City’s governmental fund balances classifications.

	Major Funds			Non-major	Total
	General	Development Corp.	Capital Improvements	Funds Other	
Fund balances:					
Nonspendable:					
Board advances	\$ 1,918,717	\$ -	\$ -	\$ -	\$ 1,918,717
Advances to other funds	190,000	-	-	-	190,000
Prepays	51,826	-	-	-	51,826
Restricted for:					
Law enforcement	-	-	-	4,476,724	4,476,724
Debt service	-	-	-	292,192	292,192
Economic development	-	15,194,374	-	4,095	15,198,469
Tourism	-	-	-	2,019,554	2,019,554
Capital improvements	-	-	-	56,580,468	56,580,468
Public access network	447,859	-	-	-	447,859
Parks	-	-	-	963,184	963,184
Committed to:					
Downtown services parking	-	-	-	387,626	387,626
Assigned to:					
Information technology projects	-	-	-	1,004,740	1,004,740
Other capital projects	-	-	4,736,936	-	4,736,936
Unassigned	41,221,379	-	-	-	41,221,379
 Total fund balances	 \$ 43,829,781	 \$ 15,194,374	 \$ 4,736,936	 \$ 65,728,583	 \$ 129,489,674

(9) Minimum fund balance policy

In order to maintain a margin of safety in the General Fund balance in anticipation of economic downturns or natural disasters, the City Commission has adopted an ordinance, requiring a minimum fund balance of 140 days of expenditures.

(10) Deficit Unrestricted Net Position

The unrestricted portion of net position reflects a deficit in the amount of \$14,815,009 primarily as a result of advances from the Hidalgo Bridge, as authorized by the board of trustees. These advances supported the annual debt service requirements and interest on the

CITY OF McALLEN, TEXAS

NOTES TO FINANCIAL STATEMENTS

September 30, 2014

advances. The Hidalgo Bridge Board of trustees has no intention of calling these advances, which will be repaid once the resources are available. In addition, the Employee Benefits Fund reflects a deficit fund balance in the amount of \$1,070,528. It is estimated that this temporary shortfall will be covered by a health insurance premium rate increase in addition to a transfer in from the General Insurance Fund during the next fiscal year.

(11) Deferred Outflows/Inflows of Resources

In addition to assets, the statement of financial position and/or balance sheet will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. The City only has one item that qualifies for reporting in this category. It is the deferred charges on refundings reported in the government-wide statement of net position. A deferred charge on refunding results from the difference in the carrying value of refunded debt and its reacquisition price. This amount is deferred and amortized over the shorter of the life of the refunded debt or refunding debt.

In addition to liabilities, the statement of financial position and/or balance sheet will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. At the governmental fund level, revenues that have been billed but not yet collected or collected within the availability period are reported as unavailable revenues. These amounts are deferred and recognized as an inflow of resources in the period that the amounts become available. The City has five categories that qualifies as deferred inflows of resources. The following table describes the items and amounts:

<u>Deferred Inflows</u>	<u>Amount</u>
Property taxes	\$ 3,577,352
Weedy lots	769,336
Mission Repayment on Series B	1,918,717
Sales taxes	5,412,939
Other	<u>654,545</u>
Totals	<u>\$12,332,889</u>

CITY OF McALLEN, TEXAS

NOTES TO FINANCIAL STATEMENTS

September 30, 2014

(12) Restatement of Net Position at Beginning of Year

As a result of implementing GASB Statement 65, *Items Previously Reported as Assets and Liabilities*, debt issuance costs in the amount of \$1,911,167 were eliminated from the statement of activities, thus resulting in a restatement of prior year net position. The following governmental activities and business type activities were impacted: governmental-\$241,743; Water Fund-\$318,075; Sewer Fund-\$410,778; Airport Fund-\$150,137; and Anzalduas International Crossing-\$790,434.

	Fund Level				Government Wide
	Water	Sewer	McAllen International Airport	Anzalduas International Crossing	Governmental Activities
Net position, as previously reported at 10/01/2013	\$ 82,543,556	\$ 71,175,763	\$ 67,789,514	\$ 634,543	\$ 361,350,597
Change in reporting debt issuance costs	(318,075)	(410,778)	(150,137)	(790,434)	(241,743)
Restated net position at 10/01/2013	<u>\$ 82,225,481</u>	<u>\$ 70,764,985</u>	<u>\$ 67,639,377</u>	<u>\$ (155,891)</u>	<u>\$ 361,108,854</u>

II. Stewardship, compliance and accountability

(A) Budgetary information

The City adheres to the following procedures in establishing the budgetary data reflected in the basic financial statements:

1. Prior to August 1 of each year, the City Manager is required to submit to the City Commission a proposed budget for the fiscal year beginning on the following October 1. The operating budget includes proposed expenditures and the means of financing them.
2. Public hearings are conducted to obtain taxpayer comments.
3. Prior to October 1, the budget is legally enacted by the City Commission through passage of an ordinance.
4. The City Manager is authorized to transfer budgeted amounts between accounts within any department; however, any revisions that alter the total expenditures of any department must be approved by the City Commission. Budgeted amounts include transfers and revisions to the original appropriations ordinance.

CITY OF McALLEN, TEXAS

NOTES TO FINANCIAL STATEMENTS

September 30, 2014

5. Annual appropriated budgets are adopted for all governmental funds with the exception of less significant grants, which are included in the Miscellaneous Government Grants fund.
6. The budget and actual comparisons include the General Fund and the Development Corp Fund. Budgets for these funds are adopted on a basis consistent with accounting principles generally accepted in the United States of America (US GAAP) applicable to state and local governments. Budgets for proprietary funds have been prepared on a non-US GAAP basis, which excludes depreciation but includes capital outlay and debt principal payments.
7. Annual budgeted expenditures are adopted at the department level within funds. As previously noted, the City Manager is authorized to make transfers within a department. Accordingly, the level at which expenditures cannot legally exceed appropriations is the department level. During the year, several supplementary appropriations were necessary.

(B) Excess of expenditures over appropriations

For the year ended September 30, 2014, expenditures in certain general fund departments exceeded appropriations. These expenditures over appropriations are the result of underestimating actual expenditures for the year. Revenue sufficient to provide for the excess was made available through the use of available surplus from current and prior years. The related departments and the excess of expenditures over appropriations are reflected in the table that follows:

<u>Department:</u>	
City commission	\$ 43,784
City manager	347,701

Total general fund	<u>\$ 2,055,542</u>

CITY OF McALLEN, TEXAS

NOTES TO FINANCIAL STATEMENTS

September 30, 2014

III. Detailed notes on all funds

(A) Deposits and investments

It is the City’s policy as well as a requirement in its Depository Agreement for deposits plus accrued interest thereon to be 110% secured by collateral valued at fair value, less the amount of the Federal Deposit Insurance Corporation insurance. At September 30, 2014, the City’s deposits were entirely covered by federal deposit insurance or were secured by collateral held by the City’s agent in the City’s name pursuant to the City’s Investment Policy and its Depository Agreement.

Investments at fair value, including accrued interest, as of September 30, 2014 are reflected in the table that follows:

	Investment Maturities (in Years)			
Fair Value	1 or less	2	3+	
Tex Pool	\$ 77,032,963	\$ 77,032,963	\$ -	\$ -
Money Market	7,524,561	7,524,561	-	-
Certificates of deposit	54,514,629	40,514,511	14,000,118	-
U.S. Government securities	137,509,201	19,760,606	14,997,560	102,551,703
	<u>\$ 276,581,354</u>	<u>\$ 144,832,641</u>	<u>\$ 28,997,678</u>	<u>\$ 102,551,703</u>

Public funds investment pools

Public funds investment pools in Texas (“Pools”) are established under the authority of the Interlocal Cooperation Act, Chapter 79 of the Texas Government Code and are subject to the provisions of the Act, Chapter 2256 of the Texas Government Code.

In addition to other provisions of the Act designed to promote liquidity and safety of principal, the Act requires Pools to: (1) have an advisory board composed of participants in the pool and other persons who do not have a business relationship with the pool and are qualified to advise the pool; (2) maintain a continuous rating of no lower than AAA or AAAM or an equivalent rating by at least one nationally recognized rating service; and (3) maintain the fair value of its underlying investment portfolio within one half of one percent of the values of its shares.

CITY OF McALLEN, TEXAS

NOTES TO FINANCIAL STATEMENTS

September 30, 2014

The City’s investments in Pools are reported at an amount determined by the fair value per share of the pool’s underlying portfolio, unless the pool is 2a7-like, in which case they are reported at amortized cost. A 2a7-like pool is one which is not registered with the Securities and Exchange Commission (“SEC”) as an investment company, but nevertheless has a policy that it will, and does, operate in a manner consistent with the SEC’s Rule 2a7 of the Investment Company Act of 1940.

TexPool is a public funds investment pool created pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, and the Act. The State Comptroller of Public Accounts exercises oversight responsibility over TexPool. Oversight includes the ability to significantly influence operations, designation of management, and accountability for fiscal matters. Additionally, the State Comptroller of Public Accounts has established an Advisory Board composed both of participants in TexPool and of other persons who do not have a business relationship with TexPool. The Advisory Board members review the investment policy and management fee structure.

The City believes TexPool operates in a manner consistent with the SEC’s Rule 2a-7 of the Investment Company Act of 1940. As such, TexPool uses amortized cost to report net assets and share prices since that amount approximates fair value. The City believes that TexPool operates as a 2a-7 like pool as described in GASB Statement No. 59, Financial Instrument Omnibus.

Interest rate risk. The investment policy states that no investment shall exceed seven years in maturity. By limiting the exposure of its investments by no more than three years as reflected in the schedule below, the City reduces its risk to rising interest rates. The table in the following page reflects the allocation of the investment portfolio.

	Government Agencies	Certificates of Deposit
< 1 Year	\$ 19,760,606	\$ 40,514,511
1-3 Years	117,748,595	14,000,118
Total	\$ 137,509,201	\$ 54,514,629
Weighted Average Maturity	757 Days	271 Days

Credit risk. As of September 30, 2014, the investments in the State’s investment pool was rated AAAM by Standards and Poor’s. Available funds were invested in certificates of deposit, all of which are under the Federal Deposit Insurance Corporation limit, as well as with the City’s depository bank, PlainsCapital Bank, an independently owned bank.

CITY OF McALLEN, TEXAS

NOTES TO FINANCIAL STATEMENTS

September 30, 2014

However, the collateral pledged against the certificates of deposit with PlainsCapital Bank is comprised of government securities, which carry AAA rating from Moody's and AA+ from S&P. The government securities consist of instruments issued by the Federal Home Loan Bank and Federal National Mortgage Association, both of which are rated AAA Moody's Investors Service and AA+ by S&P. The City's investment policy limits authorized investments to TexPool, certificates of deposits, U.S. Treasuries and federal government agencies, excluding Student Loan Marketing Association and Tennessee Valley Authority and mortgage backed securities.

Concentration of credit risk. The certificate of deposits holdings at September 30, 2014 represents 19.73% of the total portfolio. The U.S. government agencies category represents 49.66% of the total portfolio. Within this category, securities issued by the Federal Home Loan Bank represent 30% of the portfolio, those issued by the Federal Home Loan Mortgage Corporation represent 63%, and those issued by Federal National Mortgage Association represent 7%. The investment policy is silent in the concentration of holding in the various types of securities and investments.

Firemen's Relief and Retirement Fund Investments

The Firemen's Relief and Retirement Fund Investments (Plan) are recorded at fair value as of September 30, 2014. The table below reflects the composition of these investments.

	Firemen's Relief and Retirement Fund Investments:		Investment Policy
	Fair Value	% of Portfolio	Asset Allocation
Equities:			
Domestic	\$ 20,426,727	46.01%	30-60%
International	6,046,476	13.62%	10-30%
Equities total	26,473,203		
Fixed income			
Treasury/corporate bonds	11,105,348		
Fixed income total	11,105,348	25.02%	20-50%
Alternative investments	6,814,878	15.35%	0-20%
Total portfolio	\$ 44,393,429	100.00%	

CITY OF McALLEN, TEXAS

NOTES TO FINANCIAL STATEMENTS

September 30, 2014

Because of the complexity of the portfolio, the firemen’s board of trustees relies on its consultant to provide the necessary guidance to accomplish the Plan’s objectives. The Board also understands that return objectives can be achieved while assuming “market” volatility. The Board is willing to forgo potential return in strong markets in return for protection against a severe decline during weak periods.

Concentration of credit risk. As noted in the above schedule, none of the sectors exceed their percentage of asset allocation. The Plan is well diversified; with no one issue exceeding 5%. With the exception of the alternative investments, the portfolio can be liquidated within one to two days if so desired. Alternative investments can only be liquidated quarterly.

Interest rate risk. Only the fixed income securities of the Plan are subject to interest rate risk due to the possibility that prevailing interest rates could change before the securities reach maturity. Securities that are subject to interest rate risk as of September 30, 2014 amount to \$10,071,089 and have weighted-average duration of 2.47 years. Durations is defined as the change in the value of a fixed income security that will result from a 1% change in interest rates. Duration is stated in years. For example, 5 year duration means the bond will decrease in value by 5% if interest rates rise 1% and increase in value by 5% if interest rates fall 1%. Securities that are subject to interest rate risk are shown in the following table. The investment policy is silent on the subject.

Investment Type	Fair Value	Percentage of Total	Weighted-Average Duration (Years)
Corporate bonds	\$ 3,550,582	35.26%	3.90
Government agencies	1,392,936	13.83%	1.87
Government bonds	1,613,507	16.02%	5.03
Government MBS	514,687	5.11%	5.61
Sub-pranationals	6,103	0.06%	0.02
Municipal & derivatives	2,993,274	29.72%	0
Total interest rate sensitive bonds	\$ 10,071,089	100.00%	2.47

Credit risk. Using Standard and Poor’s rating system for fixed income securities as of September 30, 2013 the Plan’s bonds were rated as noted below. The investment policy is silent on the subject.

CITY OF McALLEN, TEXAS

Within the City’s water, sewer, and sanitation funds, an estimated amount has been recorded for services rendered but not yet billed as of the close of the year. The receivable was determined by prorating the cycle billings sent to customers in October 2014 based on the number of days applicable to the prior fiscal year. The receivable balances in the water, sewer, and sanitation have been reduced by estimated allowances for doubtful accounts. Water accounts were reduced by \$57,109; sewer accounts by \$52,364; and sanitation accounts by \$68,046.

Governmental funds report *deferred inflows of resources* in connection with receivables for revenues that are not considered to be available to liquidate liabilities of the current period. Governmental funds defer revenue recognition in connection with resources that have been received, but not yet earned. At the end of the current fiscal year, the various components of

(D) Interfund receivables/loans, advances and transfers

The compositions of inter-fund balances as of September 30, 2014 are reflected below.

<u>Receivable Fund:</u>	<u>Payable Fund:</u>	<u>Amount</u>
General Fund	Non-Major Governmental Funds	\$ 498,591
	Water Fund	657,649
	McAllen Bridge Fund	<u>433</u>
	Total Governmental Funds	<u>\$ 1,156,673</u>
Civic Center Fund	Non-Major Governmental Fund	<u>\$ 46,190</u>
Convention Center Fund	Non-Major Governmental Fund	<u>\$ 184,760</u>
Airport Fund	Water Fund	<u>\$ 3,684,885</u>
	Total Proprietary Funds	<u>\$ 3,915,835</u>
	Combined totals	<u><u>\$ 5,072,508</u></u>

A loan arrangement between the Water Fund and the Airport Fund for the airport building expansion was agreed in the amount of \$4,500,000. The prior year the ending “note payable” was \$219,509. This year the Water Fund issued an additional amount of \$3,465,376, thus the current outstanding amount is \$3,684,885. The previous amount of \$219,509 was reflected in the long-term liabilities section (F). It is now disclosed in this section of the notes, since it is not a third party transaction. Payment terms and conditions of this arrangement are to be determined later.

The due to/from other funds primarily represent temporary short-term borrowings for working capital, which are intended to be satisfied soon after year end.

CITY OF McALLEN, TEXAS

NOTES TO FINANCIAL STATEMENTS

September 30, 2014

Advances to/from other funds:

<u>Receivable Fund</u>	<u>Payable Fund</u>	<u>Amount</u>
General Fund	EB-5 Fund	\$ 190,000
General Insurance Fund	Capital Improvement Fund	2,035,009
Capital Improvement Fund	Transit Terminal Fund	<u>352,716</u>
	Total	<u><u>\$2,577,725</u></u>

The General Fund advanced to the EB-5 Fund \$190,000 to finance the initial funding for operations.

The General Insurance Fund advanced to the Capital Improvement Fund \$2,035,009 to assist in funding the preliminary expenditures of the performing arts facility. The Capital Improvement Fund advanced the Transit Terminal Fund \$352,716 to assist in funding the acquisition and construction of the transit terminal building.

Transfers are used to 1) provide unrestricted revenues collected in the general fund to finance various programs accounted for in other funds, and 2) move revenues from the fund that the budget requires to collect them to the fund that the budget requires to expend them. The table below reflects the transfer activity at year end.

CITY OF McALLEN, TEXAS

NOTES TO FINANCIAL STATEMENTS

September 30, 2014

During the year, the General Fund transferred \$1,000,000 of surplus revenues to the Capital Improvement Fund to assist in funding some major projects contemplated in next year's budget. It also provided funding in the amount of \$3,507,424 to the Debt Service Fund, a non major governmental fund. This funding is to cover the debt service requirements of the existing Tax and Revenue Certificates of Obligation Series 2010.

The Development Corporation provided funding for operating costs to the McAllen Express Fund and Transit System Fund in the amounts of \$921,127 and \$345,753 respectively, as reflected in the non-major proprietary column. It also transferred \$3,707,424 to the General Fund for operating expenditures associated with the public safety building, which was originally a project of the Development Corporation Fund, as well as \$250,000 to the EB-5 Fund to cover startup costs of the fund.

The transfers of \$2,374,937 and \$593,734 from the Hotel Occupancy Tax Fund, a non-major governmental fund, to the Convention Center and Civic Center. The transfer of \$207,000 from the Downtown Service Parking Fund, a non-major governmental fund, to the General Fund is a reimbursement for debt service requirements on the debt related to the downtown parking garage. The transfer of \$636,884 from the Certificate of Obligation Library Construction Fund, a non-major governmental fund, to the Development Corporation Fund, represents the final closing of the Certificate of Obligation Library Construction fund.

The General Insurance Fund and the Sanitation Fund transferred \$1,000,000 and \$270,000, respectively, to the Information Technology Fund, a non-major governmental fund, to cover the costs associated with the purchase of technology equipment and software.

The transfer of \$1,103,965 from the Airport Fund to the General Fund represents reimbursement for public safety personnel assigned to the airport.

The Convention Center Fund transferred \$2,098,640 to the Performing Arts-General Obligation Fund for funding expenditures related to the Performing Arts Center.

The Civic Center Depreciation Fund, a non-major proprietary fund, transferred \$150,000 to the Capital Improvement Fund for expenditures related to the Performing Arts Center.

The amount reflected from the McAllen International Toll Bridge Fund to the General Fund of \$4,771,818 represents the City's share of surplus net revenue from operation of the international toll bridge. Additionally, it transferred \$947,075 to the Anzalduas International Crossing Fund for debt service requirements on the International Toll Bridge System Revenue Bonds, Series 2007B.

CITY OF McALLEN, TEXAS

NOTES TO FINANCIAL STATEMENTS

September 30, 2014

(E) Operating leases

The McAllen International Toll Bridge Fund leases property and buildings to the United States Government, the State of Texas, and various commercial dealers under operating leases. The leases range from monthly leases with commercial dealers to a 15-year lease with the General Service Administration (GSA).

Estimated future minimum lease payments to be received under the non-cancellable operating lease with GSA are as follows:

<u>Year Ending</u>	<u>Amount</u>
2015	\$ 2,118,988
2016	2,118,988
2017	2,118,988
2018	2,118,988
2019	2,118,988
2020-2024	10,594,940
2025-2029	<u>10,594,940</u>
Totals	<u>\$31,784,820</u>

(F) Long-term liabilities

(1) General obligation bonds and other

The City issues general obligation bonds to finance the acquisition and construction of major capital facilities, generally for governmental activities and are direct obligations, for which the City has pledged the full faith and credit of the government. These bonds generally are serial bonds and carry a term of 20 years or more with varying amounts of principal maturing each year. All outstanding general obligation bonds have been retired, leaving only sales tax revenue bonds and combination tax and revenue certificates of obligation bond indebtedness.

The schedule that follows presents an analysis of general long-term debt outstanding, followed by a schedule of the debt service requirements on those bonds.

Total bonds outstanding	<u>\$ 139,304,000</u>	<u>\$ 44,156,421</u>

Defeased Bonds Outstanding

In prior years, the City issued refunding bonds to defease certain outstanding bonds for the purpose of consolidation and to achieve debt service savings. The City had placed the proceeds from the refunding issues in irrevocable escrow accounts with a trust agent to ensure payment of debt service on the refunded bonds.

Accordingly, the trust account assets and liabilities for the defeased bonds are not included in the City's financial statements. Although defeased, the refunded debt from these earlier issues will not be actually retired until the call dates have come due or until maturity if they are not callable issues. On September 30, 2014, \$16,130,000 of Combination and Tax and Revenue Certificates of Obligation bonds and \$18,960,400 of Waterworks and Sewer System Improvement Revenue bonds outstanding are considered defeased.

CITY OF McALLEN, TEXAS

General obligation bonds	-	42,380,000	-	42,380,000	600,000
Bond premium	873,183	3,082,885	(68,507)	3,887,561	1,432,653
Compensated absences	9,454,720	5,816,764	(4,968,234)	10,303,250	4,839,000
Net OPEB obligation	1,131,455	-	-	1,131,455	-
Net pension obligation	546,756	267,867	-	814,623	-
Total general long-term	33,866,114	63,397,516	(7,801,741)	89,461,889	9,966,653
Business-Type activities:					
Revenue bonds payable	145,707,002	-	(6,403,002)	139,304,000	6,813,000
Compensated absences	1,590,781	1,286,269	(1,193,985)	1,683,065	1,034,805
Bond premium	2,432,444	-	(246,953)	2,185,491	-
Total proprietary fund debt	149,949,736	1,286,269	(7,843,940)	143,172,556	7,847,805
Total debt	<u>\$ 183,815,850</u>	<u>\$ 64,683,785</u>	<u>\$ (15,645,681)</u>	<u>\$ 232,634,445</u>	<u>\$ 17,814,458</u>

With respect to governmental activities, compensated absences and net OPEB obligation are liquidated by the General Fund. The exception to this is net pension obligation, which is reflected as \$814,623. Under business-type activities, a note payable of \$219,509 was reflected at the end of September 30, 2013. This was an inter-fund transaction between Airport Fund and Water Fund. This amount of \$219,509 and an additional amount of \$3,465,376, which totals \$3,648,885, is now reflected in section (D) interfund receivables/loans, advances, and transfers.

(4) Debt covenants

The City is required to comply with various provisions included in the trust indenture for issued bonds (including bonds issued through the Texas Water Development Board). The City has complied with all significant provisions of the trust indenture.

CITY OF McALLEN, TEXAS

NOTES TO FINANCIAL STATEMENTS

September 30, 2014

Bonds issued by the City for the construction of the toll bridge located in the City of Mission are secured by the net revenues of both international bridges. Also, bonds issued by the City for water and sewer improvements are secured by pledging the net revenues of the water and sewer utilities systems.

IV. Other information

(A) Risk Management

The City is exposed to various risks or torts; theft of, damage to, and destruction of assets; injuries to employees, citizens and the general public; and natural disasters. During fiscal year 2014, the City self-funded group health insurance, life insurance, general liability insurance, and workmen's compensation insurance. The City purchased insurance coverage for fire and extended coverage on buildings and contents; and fire, lightning, and windstorm insurance for its vehicles for damages in excess of certain limits.

The group health insurance program is reported in the Employee Benefits Fund, an internal service fund. General liability and workmen's compensation insurance programs are reported in the General Insurance Fund, an internal service fund, and the Retiree Health Insurance Fund, an internal service fund.

The health insurance excess coverage policy covers individual claims in excess of \$150,000. Third-party coverage is currently maintained for workmen's compensation claims in excess of \$400,000. Third-party coverage is also currently maintained for general liability claims in excess of \$10,000.

The City estimates the liabilities for its self-funded insurance programs on a case-by-case basis based on historical claims experience. A liability for a claim is established if information indicates that it is probable that a liability has been incurred at the date of the financial statements and the amount of loss is reasonably estimable. Accruals for claims are adjusted on a regular basis based on the latest information available on each case. Claims incurred but not reported have been considered in determining the accrual for claims, and City management believes adequate accruals have been provided at September 30, 2014. Inter-fund premiums are based primarily on claims experience and are reported as interfund services provided and used.

There were no significant reductions in insurance coverage from coverage in the prior year by major category of risk. In addition, there were no insurance settlements exceeding insurance coverage in any of the past three years. Changes in claims payable amounts for the most recent two years are reflected in the following page.

CITY OF McALLEN, TEXAS

(B) Contingent liabilities

Amounts received or receivable from grant agencies are subject to audit and adjustment by grantor agencies, principally the federal government. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount, if any of expenditures that may be disallowed by the grantor cannot be determined at this time, although the City expects such amounts, if any to be immaterial.

The City is a defendant in various lawsuits. Although the outcome of these lawsuits is not presently determinable, in the opinion of the City's management and legal counsel the resolution of these matters will not have a material adverse effect on the financial condition of the City.

The City has been granted authority from U.S. Citizenship and Immigration Service to operate an EB-5 Visa (also known as the Employment Based 5th Preference Visa) Regional Center, which attracts foreign investment for jobs creation in exchange for expediting applicants for permanent residency. This activity is accounted for in a non-major governmental fund. Under this program a foreign national deposits with the City—in addition to \$10,000 application fee, \$540,000, which is held in deposit pending approval of permanent residency, at which time \$40,000 is released to the City as an administrative fee and the remaining \$500,000 to the investment project selected by applicant. As of September 30, 2014, the deposit amount totaled \$7,085,000.

CITY OF McALLEN, TEXAS

NOTES TO FINANCIAL STATEMENTS

September 30, 2014

(C) Accounting for post-employment benefits other than pensions

Prior to the implementation of GASB 45 "*Accounting and Financial Reporting by Employers for Postemployment Benefits Other Than Pensions*", the City reported retiree's health benefits in the Employee Benefits Fund. The City created an internal service fund entitled "Retiree Health Insurance Fund" to accommodate the provisions of GASB 45.

- (1) Plan Description: The City provides post-employment health care benefits for eligible retirees and their dependents. To be eligible to elect retiree medical coverage, a City employee retiring at age 60 or over must have at least 10 years of service with the City. City employees retiring before age 60 must have at least 25 year of service with the City. Members of the City's Fire Department are eligible to retire on or after age 50 with at least 20 years of service with the City.

Effective October 1, 2008, spouses must have been covered for at least three years prior to retirement, Retirees less than age 65 will have a one-time option to drop coverage and to be reinstated once the retiree reached age 65 and has enrolled in Medicare Parts A and B. Retirees are required to pay 100% of the blended (active and retiree) premium cost for both single and dependent coverage. However, police officers who retired prior to October 1, 2010 with 25 or more years of service pay 50% of the blended premium cost for both single and dependent coverage. As of year end, there were 116 employees who had retired: 59 with single coverage; 38 single coverage with one dependent; and 19 with family coverage.

- (2) Funding Policy: The policy of the City is to fund the plan on a pay-as-you-go basis.
- (3) Annual OPEB Cost and Net OPEB Obligation: The Retiree Health Insurance Fund's (Fund) ARC is actuarially determined in accordance with the parameters of GASB Statement No. 45, *Accounting and Financial Reporting by Employers for Postemployment Benefits Other Than Pension*. The ARC represents a level of funding that, if paid on an ongoing basis, is projected to cover the normal cost each year and amortize any unfunded actuarial liabilities (or funding excess) over a period not to exceed 30 years. The most current actuarial valuation was October 1, 2012. The following table shows the Fund's annual OPEB cost for the year, the amount actually contributed to the plan, and changes in the Fund's net OPEB obligation. This net OPEB obligation in the amount of \$1,131,455 is recorded in the governmental activities column of the statement of net position.

CITY OF McALLEN, TEXAS

NOTES TO FINANCIAL STATEMENTS

September 30, 2014

Net OPEB Obligation

Annual required contribution	\$ 859,964
Interest on net OPEB obligation	57,710
Adjustment to annual required contribution	<u>(72,214)</u>
Annual OPEB cost	845,460
Contributions made	<u>(763,275)</u>
Increase in net OPEB obligation	82,185
Net OPEB obligation at beginning of year (revised)	<u>1,049,270</u>
Net OPEB obligation at end of year	<u><u>\$ 1,131,455</u></u>

The City's annual OPEB cost and the percentage cost contributed to the plan for the year ended September 30, 2014 is as follows:

<u>Year Ended</u> <u>September 30,</u>	<u>Annual</u> <u>OPEB</u> <u>Cost</u>	<u>Percentage of</u> <u>Annual OPEB</u> <u>Cost Contributed</u>	<u>Net OPEB</u> <u>Obligation (Asset)</u> <u>at Year End</u>
2008	\$ 548,770	136.6%	\$ (201,098)
2009	551,544	96.2%	(179,896)
2010	882,368	51.5%	248,430
2011	882,368	62.2%	572,194
2012	862,625	44.7%	1,049,270
2013	845,460	90.3%	1,131,455

- (4) **Funded Status and Funding Progress:** The funding of the plan was based on the actuarial valuation dated October 1, 2012. The study reported the unfunded actuarial accrued liability (UAAL) at \$7,165,857 with an annual required cost of \$859,964. The actuarial value of assets was \$0, resulting in an UAAL of \$7,165,857. The City contributed \$736,157 at year end. The City will also be required to have an actuarial valuation performed at least every two years. The next actuarial valuation will be performed at the end of September 30, 2014. The table in the following page reflects the funding progress.

CITY OF McALLEN, TEXAS

NOTES TO FINANCIAL STATEMENTS

September 30, 2014

Actuarial Valuation Date	Actuarial Value of Assets (a)	Actuarial Accrued Liability (AAL) (b)	Unfunded AAL (UAAL) (b-a)	Funded Ratio (a/b)	Covered Payroll (c)	UAAL as a Percentage of Covered Payroll (b-a)/c
10/01/08	\$ -	\$ 7,253,404	\$ 7,253,404	0.0%	\$ 60,443,815	12.0%
10/01/10	-	8,076,583	8,076,583	0.0%	62,858,165	12.8%
10/01/12	-	7,165,857	7,165,857	0.0%	71,155,679	10.1%

(5) Actuarial Methods and Assumptions: Projections of benefits for financial reporting purposes are based on the substantive plan (the plan as understood by the employer and the plan members) and include the types of benefits provided at the time of each valuation and the historical pattern of sharing the benefits costs between the employer and the plan members to that point. The actuarial methods and assumptions used include techniques that are designed to reduce the effects of short-term volatility in actuarial accrued liabilities consistent with the long-term perspective of the calculations. For the fiscal year ended September 30, 2014, the actuarial valuation date was October 1, 2012. The actuarial method used was the “projected unit credit” method, the amortization method used was the “level dollar open” method, and the remaining amortization period was 30 years. The asset valuation method was market value and the assumed investment rate of return was 5.5%. The healthcare initial inflation rate was 9%, with an ultimate goal of 5.0%. Assumptions such as projected salary increases and post-retirement benefit increases are not applicable to the plan.

(D) Retirement Plans

(1) Texas Municipal Retirement System

a). Plan Description

The City provides pension benefits for all of its eligible employees, except City Fire Department personnel, for whom there is a separate retirement plan, through a non-traditional, joint contributory, hybrid defined benefit plan in the state-wide Texas Municipal Retirement System (TMRS), an agent multiple-employer public employee retirement system. The plan provisions that have been adopted by the City are within the options available in the governing state statutes of TMRS.

TMRS issues a publicly available comprehensive annual financial report that includes financial statements and required supplementary information (RSI) for TMRS; the report also provides detailed explanations of the contributions, benefits and actuarial methods and assumptions used the System. This report may be obtained by writing to Texas Municipal Retirement System, P.O. Box 149153, Austin, Texas 78714-9153 or by calling 800-924-8677; in addition, the report is available on TMRS’ website at www.TMRS.com.

CITY OF McALLEN, TEXAS

NOTES TO FINANCIAL STATEMENTS

September 30, 2014

The plan provisions are adopted by the governing body of the City, within the options available in the state statutes governing TMRS. Plan provisions for the City were as follows:

	Plan Year 2012	Plan Year 2013
Employee deposit rate	7.0%	7.0%
Matching ratio (city to employee)	2 to 1	2 to 1
Years required for vesting	10	10
Service retirement eligibility (expressed as age/years of service)	60/10,0/20	60/10,0/20
Updated Service Credit	0%	100%, Transfers
Annuity Increase (to retirees)	0% of CPI	0% of CPI

b). Contributions

Under the state law governing TMRS, the contribution rate for each city is determined annually by the actuary, using the Projected Unit Credit actuarial cost method. This rate consists of the normal cost contribution rate and the prior service cost contribution rate, which is calculated to be a level percent of payroll from year to-year. The normal cost contribution rate finances the portion of an active member's projected benefit allocated annually; the prior service contribution rate amortizes the unfunded (overfunded) actuarial liability (asset) over the applicable period for that city. Both the normal cost and prior service contribution rates include recognition of the projected impact of annually repeating benefits, such as Updated Service Credits and Annuity increases.

The City contributes to the TMRS Plan at an actuarially determined rate. Both the employees and the City make contributions monthly. Since the City needs to know its contribution rate in advance for budgetary purposes, there is a one-year delay between the actuarial valuation that serves as the basis for the rate and the calendar year when the rate goes into effect. For the current year the contribution rate was 6.64%. The annual pension cost and the net pension obligation/ (asset) are reflected in the table below.

Fiscal Year Ended	Annual Pension Cost	Actual Contribution	Percentage of APC Contributed	Net Pension Obligation/(Asset)
09/30/2012	\$3,414,628	\$3,414,628	100%	\$0
09/30/2013	\$3,559,374	\$3,559,374	100%	\$0
09/30/2014	\$4,011,094	\$4,011,094	100%	\$0

CITY OF McALLEN, TEXAS

NOTES TO FINANCIAL STATEMENTS

September 30, 2014

The required contribution rates for fiscal year 2014 were determined as part of the December 31, 2011 and 2012 actuarial valuations. Additional information as of the latest actuarial valuation, December 2012, is reflected below.

Actuarial Valuation Date	12/31/12
Actuarial cost method	Projected Unit Credit
Amortization method	Level Percent of Payroll
GASB 25 Equivalent Single	3.4 Years
Amortization period	Closed period
Amortization Period for new	
Gains/Losses	25 Years
Asset valuation method	10-yr Smoothed Market
Actuarial assumptions:	
Investment rate of return	7.0%
Projected salary increases –	Varies by
	age and service
includes inflation at	3.0%
cost-of-living adjustments	None
Actuarial value of assets	\$174,613,086
Actuarial accrued liability	\$175,375,668
Percentage funded	99.6%
Unfunded actuarial accrued	
liability (asset) (UAAL)	\$762,582
Annual covered payroll	\$57,320,330
UAAL as a percentage of covered	
payroll	1.3%

The funded status as of December 31, 2012, the most recent actuarial valuation date is as follows (unaudited):

Actuarial accrued liability (AAL)	\$175,375,668
Actuarial value of Assets	<u>174,613,086</u>
Unfunded actuarial accrued liability (Asset) (UAAL)	<u>\$ 762,582</u>
Funded ratio (actuarial value of Assets/AAL)	99.6%
Annual covered payroll	\$57,320,330
UAAL as a percentage of covered payroll	1.3%

The schedule of funding progress, presented as Required Supplementary Information following the notes to the financial statements, presents multi-year end

CITY OF McALLEN, TEXAS

NOTES TO FINANCIAL STATEMENTS

September 30, 2014

information about whether the actuarial values of plan assets are increasing or decreasing over time relative to the actuarial accrued liabilities for benefits.

(2) Firemen's Relief & Retirement Fund

a). Plan Description

Firemen's Relief & Retirement Fund, a single-employer defined benefit plan (the "Plan"), was created pursuant to the Texas Local Fire Fighter's Retirement Act ("TLFFRA") and is administered by the Board of Trustees of the fund. The fund provides pension, disability, death, and severance benefits to employees of the City's fire department and former volunteer firemen eligible to receive benefits.

The City issues a publicly-available financial report that includes financial statements and required supplementary information for the Firemen's Relief & Retirement Fund. This financial report may be obtained by writing to the City of McAllen Finance Director, P.O. Box 220, McAllen, Texas 78505-0220 or by calling (956) 681-1064.

b). Summary of Significant Accounting Policies

Basis of Accounting – The financial statements of the Firemen's Relief & Retirement Fund are prepared using the accrual basis of accounting. Employee and employer contributions are recognized as revenues when due, pursuant to formal commitments, as well as statutory or contractual requirements. Benefits and refunds are recognized when due and payable in accordance with the terms of the Plan document.

Plan Benefits – Benefit provisions are established under authority of the TLFFRA. Specific plan provisions are governed by a Plan document and a trust agreement executed by the Board of Trustees. The Plan document may be amended as provided in Section 7 of the TLFFRA (Article 6243e. V.T.C.S.) Amending the Plan requires approval of any proposed change by an eligible actuary and a majority of the participating members of the Plan. Both the City and the members of the Plan have specific authority to appoint members of the Board under TLFFRA.

Pension Benefits – Pension benefits become fully vested after 20 years of credited service. Employees may retire at age 50 with 20 years of service ("normal retirement age"). A partially vested benefit is also provided for employees who terminate employment with at least 10 but less than 20 years of service. The monthly benefit at normal retirement age, payable in an annuity, is equal to 58% of the compensation base, as defined, plus \$58.00 per month for each year of service in excess of 20 years.

CITY OF McALLEN, TEXAS

NOTES TO FINANCIAL STATEMENTS

September 30, 2014

Death Benefits – Duty related death benefits payable to a member's spouse equals the sum of 38.67% of the member's compensation base, as defined, plus two-thirds of the member's accrued retirement benefit at death. Non-duty related benefits will equal the duty related death benefit to which the member's beneficiary was eligible multiplied by the member's vested percentage based on the member's years of service at death. In addition to the spouse's benefit, each unmarried child of the member under age 18 will receive a monthly benefit of 7.73% of the firefighter's average monthly salary. The sum of all benefits payable as a result of the death of an active plan member may not exceed the disability or retirement benefit such member had earned as of the date of death.

Severance Benefits – Members who terminate employment with less than 10 years of service will be entitled to the return of the excess of his/her contributions to the fund over the amount of any benefits received from the Plan. Such refunds will not include any interest on the member's contribution. If a member terminates on or after the date of completing 10 years of service but prior to the date of completing 20 years of service, he/she will be entitled to receive a monthly benefit, starting on the date he/she would have both completed 20 years of service and attained age 50, had he/she remained in the service of the fire department. The amount the member will receive will equal the monthly service retirement benefit accumulated on the date the member separated from service with the fire department, multiplied by the member's vested percentage.

Method Used to Value Investments – Fund investments are reported at fair value. Short-term investments are reported at cost, which approximates fair value. The fair value of the Fund's investments is based on the quoted value of each investment on the last business day of the Fund year. The Plan's investments are stated at fair value and, accordingly, unrealized appreciation and depreciation are reported in the statements of changes in plan net position. The fair values of United States Government securities, corporate and foreign bonds, common stocks, and foreign equities are based on quoted market prices. Plan values in investments in alternative investments is based on its percentage investment in each such fund. The estimated fair value of each fund is based on market conditions and information reported by the fund managers, and is generally based on the estimated fair value of each funds' underlying investments at the end of the reporting period. No investment in any one organization (other than the U.S. Government or mutual funds) represents 5% or more of Fund assets.

Purchases and sales of investments are recorded on a trade-date basis and, accordingly, the related receivables and payables for any unsettled trades are recorded. Interest income and dividends are recorded on the accrual basis.

CITY OF McALLEN, TEXAS

NOTES TO FINANCIAL STATEMENTS

September 30, 2014

c). Annual Pension Cost

For 2010, the City's annual pension cost was equal to the City's actual and required contributions. The required contribution was established as part of the September 30, 2012 actuarial valuation using the entry-age actuarial cost method. The actuarial assumptions included (a) 8% investment rate of return, compounded annually (b) projected salary increases of 4.25% per year, compounded annually, (c) inflation rate of 3.00% and (d) the amortization period is calculated from the rate contributed by the City. The plan receives a fixed percentage of pay contribution from the City each year. Thus, the City's contribution is not expressed as a dollar amount. This procedure is permitted under the *Guide to Implementation of GASB Statements 25, 26 and 27 on Pension Reporting and Disclosure by State and Local Government Plans and Employers*. The investment rate of return and the projected salary increases both used the same assumptions with regard to inflation. The actuarial value of assets was determined using the smoothed market value technique, a technique that smoothes the effect of short-term volatility in the market value over a four-year period. The unfunded actuarial liability is being amortized as a level percentage of projected payrolls on an open basis. The net pension obligation and the annual pension cost were developed using a 30-year amortization of the unfunded actuarial accrued liability. The most recent actuarial valuation was done as of September 30, 2012 with update disclosures under governmental accounting standards board statement number 25, number 27, and number 50 as of September 30, 2014. The amounts of the actuarial value of assets represent estimates based upon the assumptions described above. Changes in those estimates will result in changes in such estimates in the future. The amount of benefits ultimately to be paid could differ materially from the current estimates.

The schedule of actuarial funding progress is presented in the following page.

CITY OF McALLEN, TEXAS

NOTES TO FINANCIAL STATEMENTS

September 30, 2014

Schedule of Actuarial Funding Progress

Actuarial Valuation Date	<u>09/30/12</u>
Actuarial cost method	Entry Age Normal
Amortization method	Level Percent of Projected Payroll
Remaining amortization period	30 Years open period
Asset valuation method	5yr Smooth Market Value
Actuarial assumptions:	
Investment rate of return	8%
Projected salary increases – includes inflation at cost-of-living adjustments	4.25% None
Actuarial value of assets	\$37,857,152
Actuarial accrued liability	\$57,217,569
Percentage funded	66.2%
Unfunded actuarial accrued liability (UAAL)	\$19,360,417
Annual covered payroll	\$9,361,646
UAAL as a percentage of covered payroll	206.8%

Actuarial valuations of an ongoing plan involve estimates of the value of reported amounts and assumptions about the profitability of occurrence of events far into the future. Examples include assumptions about future rates of retirement, mortality, and salary increases. Actuarially determined amounts are subject to continual revision as actual results are compared with past expectations and new estimates are made about the future. The Schedule of Funding Progress, presented as required supplementary information following the notes to financial statements, presents multi-year trend information about whether the actuarial values of plan assets are increasing or decreasing over time relative to the actuarial accrued liabilities for benefits. The accompanying Schedule of Employer Contributions presents trend information about the amount contributed to the Plan by the employer in comparison to the annual required contributions (“ARC”), an amount that is actuarially determined.

CITY OF McALLEN, TEXAS

NOTES TO FINANCIAL STATEMENTS

September 30, 2014

Schedule of Employer Contributions

Annual pension cost	09/30/14	09/30/13	09/30/12
Annual required contribution (ARC)	\$ 1,609,159	\$ 1,602,925	\$ 1,376,033
Interest on NPO	43,740	22,041	14,610

NPO at the end of the period	\$ 814,623	\$ 546,756	\$ 275,507

d). Contributions

The Plan's minimum required contribution provisions are established under Title 8, Subtitle A, Chapter 802, Subchapter B, Section 802.101 of the Texas Government Code and under Texas Pension Review Board Guidelines for Actuarial Soundness. Specific Plan contribution rates are governed by the Plan document. Changes in the members' or the City's contribution rate requires a plan amendment.

The contribution rates of the Plan members and the City are established under the terms of the Plan. An actuarial valuation is performed biennially to verify that Plan benefits and Plan contributions are in balance. Costs of administering the fund are paid from Plan assets.

Pursuant to the Plan document, a legal instrument binding both the City and its firefighters, the City of McAllen is required to match employee contributions. Benefits paid to former volunteer firefighters are funded by the City when paid to the former volunteer firefighters or beneficiaries. The City's contribution rate for the fiscal year ended September 30, 2014 was 13.00% of annual compensation. Contributions required and paid into the fund as of September 30, 2014 were members, \$1,214,786 and employer, \$1,435,293.

CITY OF McALLEN, TEXAS

NOTES TO FINANCIAL STATEMENTS

September 30, 2014

In September 2003, Texas voters approved an amendment to the Texas Constitution, which provided that once certain benefits are granted to retirees, those benefits may not be subsequently reduced. It was codified as Article XVI, Section 66, of the Texas Constitution. The amendment applies only to the City of McAllen Firefighters' Relief and Retirement Plan. It further provided that the City and the retirement system that finance benefits under the retirement system are jointly responsible for ensuring that benefits are not reduced or otherwise impaired, which could potentially require the City to involuntarily increase its funding due to under-performing investments, plan improvements as well as other factors outside the control of the City. The amendment also permitted the City to be exempt from its requirements upon holding an election in which the majority of the votes favored the exemption. On May 15, 2004, a special City election was held, in which the majority of the voters voted in favor of exempting the City of McAllen and the McAllen Firefighters' Relief and Retirement Plan from the application of this amendment, Article XVI, Section 66 of the Texas Constitution.

(E) Subsequent events

- A parcel of land was sold to a local hospital at a sale price of \$4,453,211 for anticipated expansion by the hospital. Land was originally purchased during the current fiscal year from the General Insurance Fund in anticipation of a medical school. The development of a state of the art research facility and student housing complex located on the campus is expected to have a local economic impact for the area after development of the land.
- The City refunded two long term issues: Refunding Series 2010 Certificate of Obligations and Refunding Water & Sewer Series 2005. The current outstanding principal for the Series 2010 is \$18,995,000 and the estimated interest is \$2,053,913. The current outstanding principal for the Series 2005 is \$20,110,000 and the estimated interest is \$7,409,248. The potential interest savings after the reissuance is estimated to be \$1,119,104 for the 2010 Series and \$3,932,078 for the 2005 Series.

This is a "single-employer" plan and no separate financial report is issued by the City.

Non Major Governmental Funds

Special Revenue Funds are used to account for resources allocated to specific purposes. A special revenue fund continues in existence as long as governmental resources are allocated to its specific purposes:

The Hotel Occupancy Tax Fund was established to account for the hotel-motel occupancy tax levied. This tax revenue is allocated to the promotion of tourism and conventions, promotion of the arts, support of convention center and civic center management, and other expenditures.

The Hotel Venue Tax Fund was established to account for funding under Ordinance 2012-69 for a 2% Hotel Occupancy tax for a Performing Arts Facility.

The McAllen EB5 Regional Center Fund was established to account for revenues and expenditures to operate an EB-Regional Center under the U.S. Citizenship and Immigration Services (USCIS).

The Park Development Fund was established to account for land acquired for future park development.

The Community Development Fund was established to account for receipt and disbursement of Federal Program revenues.

The Miscellaneous Government Grants Fund was established to account for all grant programs applicable to the City for which a separate fund is not established.

The PD Seized Fund was established to account for court awarded funds and use for purchase of police department capital assets .

The Debt Service Fund was established to retired general government debt.

Capital Projects Funds:

Information Technology Fund was established to account for all expenses related to the implementation of strategic technology projects.

Certificate of Obligation Reservoir Fund was established to account for all expenses related to the improvements of and extensions to the City's Waterworks System.

Certificate of Obligation Library Fund was established to account for all expenses related to the construction of the City's Main Library.

Internal Service Funds

The **Internal Service Funds** were established to finance and account for services, materials, and supplies furnished to the various departments of the City, and on a limited basis, to other local governmental agencies. These services are provided on a cost reimbursement basis.

The **Fleet Materials Management Fund** sales and services are accounted for in two Interdepartmental Service Fund departments: Fleet Operations and Materials Management.

The **Employee Benefits Fund** was established to account for all expenses related to health insurance premiums and claims for City employees. Primary funding sources are transfers in from General Fund and Enterprise Funds.

The **General Insurance Fund** was established to account for all expenses related to workmen's compensation claims and general liability insurance. Primary funding sources are transfers in from General Fund and Enterprise Funds.

The **General Depreciation Fund** which was established for the sole purpose of replacing fixed assets of the General Fund. Funding has been provided by a rental charge to the appropriate department in the General Fund

The **Retiree Health Insurance Fund** was established to account for all expenses related to health insurance premiums and claims for retired City employees.

Agency Funds

Agency funds are used to account for assets held by the government as an agent for individuals, private organizations, other governments and/or funds.

Agency Fund: - to account for funds which are custodial in nature and for which the City is acting as an agent. The City has established the following agency fund based upon the above definition:

The Developers Fund was established to account for developers' contributions for future infrastructure development.

The Communications Group was established to account for operation and maintenance of a consolidated regional public safety services communications system.

The Payroll Fund was established to account for the processing of employees payroll.

Statistical Section

This part of the City of McAllen's comprehensive annual financial report presents detailed information as a context for understanding what the information in the financial statements, note disclosures, and required supplementary information says about the government's overall financial health.

Contents

Financial Trends

These schedules contain trend information to help the reader understand how the government's financial performance and well-being have changed over time.

Revenue Capacity

These schedules contain information to help the reader assess the government's most significant local revenue source, the property tax.

Debt Capacity

These schedules present information to help the reader assess the affordability of the government's current levels of outstanding debt and the government's ability to issue additional debt in the future.

Demographic and Economic Information

These schedules offer demographic and economic indicators to help the reader understand the environment within which the government's financial activities take place.

Operating Information

These schedules contain service and infrastructure data to help the reader understand how the information in the government's financial report related to the services the government provides and the activities it performs.

Other Information

Information that City considers useful to its citizens is included in this section.

Sources: Unless otherwise noted, the information in these schedules is derived from the comprehensive annual financial report for the relevant year.

The Honorable Mayor, Members of the City Commission and
Public Utility Board of Trustees
City of McAllen, Texas

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of McAllen, Texas (the "City") as of and for the year ended September 30, 2014, and the related notes to the financial statements, which collectively comprise the City's basic financial statements, and have issued our report thereon dated March 13, 2015.

Internal control over financial reporting

In planning and performing our audit of the financial statements, we considered the City's internal control over financial reporting ("internal control") to design audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the City's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified. We did identify certain deficiencies in internal control, described in the accompanying schedule of findings and questioned costs as 2014-001, 2014-002, 2014-003, and 2014-004 that we consider to be significant deficiencies in the City's internal control.

Compliance and other matters

As part of obtaining reasonable assurance about whether the City's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

City's response to findings

The City's response to our findings, which is described in the accompanying schedule of findings and questioned costs, was not subjected to the auditing procedures applied in the audit of the financial statements, and accordingly, we express no opinion on the City's response.

Intended purpose

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control and compliance. Accordingly, this report is not suitable for any other purpose.

The Honorable Mayor, Members of the City Commission and
Public Utility Board of Trustees
City of McAllen, Texas

Report on compliance for each major federal program

We have audited the compliance of the City of McAllen, Texas (the "City") with the types of compliance requirements described in the U.S. Office of Management and Budget's *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of its major federal programs for the year ended September 30, 2014. The City's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to the City's federal programs.

Auditor's responsibility

Our responsibility is to express an opinion on compliance for each of the City's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*.

The above-mentioned standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the City's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the City's compliance.

Basis for qualified opinion on Equitable Sharing Program

As described in the accompanying schedule of findings and questioned costs, the City did not comply with the requirements regarding CFDA 16.922 Equitable Sharing Program as described in finding number 2014-005 for Davis Bacon. Compliance with such requirements is necessary, in our opinion, for the City to comply with the requirements applicable to that program.

Qualified opinion on Equitable Sharing Program

In our opinion, except for the noncompliance described in the Basis for Qualified Opinion on the Equitable Sharing Program paragraph, the City complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on the Equitable Sharing Program for the year ended September 30, 2014.

Unmodified opinion on each of the other major federal programs

In our opinion, the City complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its other major federal programs identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs for the year ended September 30, 2014.

City's response to findings

The City's response to our noncompliance finding, which is described in the accompanying schedule of findings and questioned costs, was not subjected to the auditing procedures applied in the audit of compliance, and accordingly, we express no opinion on the City's response.

Report on internal control over compliance

Management of the City is responsible for designing, implementing, and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the City's internal control over compliance with the types of compliance requirements that could have a direct and material effect on each major federal program to design audit procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the City's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal

control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. However, we identified certain deficiencies in internal control over compliance, described in the accompanying schedule of findings and questioned costs as items 2014-005 and 2014-008, that we consider to be material weaknesses in the City's internal control over compliance.

We identified certain deficiencies in internal control over compliance, described in the accompanying schedule of findings and questioned costs as items 2014-006, and 2014-007, that we consider to be significant deficiencies in the City's internal control over compliance.

The City's response to our findings on internal control over compliance, which is described in the accompanying schedule of findings and questioned costs, was not subjected to the auditing procedures applied in the audit of compliance, and accordingly, we express no opinion on the City's response.

The purpose of this Report on Internal Control Over Compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

The Honorable Mayor, Members of the City Commission and
Public Utility Board of Trustees
City of McAllen, Texas

Report on compliance for each major state program

We have audited the compliance of the City of McAllen, Texas (the "City") with the types of compliance requirements described in the *State of Texas Single Audit Circular* that could have a direct and material effect on each of its major state programs for the year ended September 30, 2014. The City's major state programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to the City's state programs.

Auditor's responsibility

Our responsibility is to express an opinion on compliance for each of the City's major state programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the State of Texas Single Audit Circular.

The above-mentioned standards and State of Texas Single Audit Circular require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major state program occurred. An audit includes examining, on a test basis, evidence about the City's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major state program. However, our audit does not provide a legal determination of the City's compliance.

Basis for qualified opinion on Equitable Sharing Program

As described in the accompanying schedule of findings and questioned costs, the City did not comply with the requirements regarding the Equitable Sharing Program as described in finding number 2014-009 for Suspension and Debarment and finding number 2014-010 for Equipment Management. Compliance with such requirements is necessary, in our opinion, for the City to comply with the requirements applicable to that program.

Qualified opinion on Equitable Sharing Program

In our opinion, except for the noncompliance described in the Basis for Qualified Opinion on the Equitable Sharing Program paragraph, the City complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on the Equitable Sharing Program for the year ended September 30, 2014.

City's response to findings

The City's response to our noncompliance findings, which is described in the accompanying schedule of findings and questioned costs, was not subjected to the auditing procedures applied in the audit of compliance, and accordingly, we express no opinion on the City's response.

Report on internal control over compliance

Management of the City is responsible for designing, implementing, and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the City's internal control over compliance with the types of compliance requirements that could have a direct and material effect on each major state program to design audit procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major state program and to test and report on internal control over compliance in accordance with the State of Texas Single Audit Circular, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the City's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a state program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a state program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a state program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. However, we identified certain deficiencies in internal control over compliance, described in the accompanying schedule of findings and questioned costs as items, 2014-009 and 2014-010, that we consider to be material weaknesses in the City's internal control over compliance.

The City's response to our findings on internal control over compliance, which is described in the accompanying schedule of findings and questioned costs, was not subjected to the auditing procedures applied in the audit of compliance, and accordingly, we express no opinion on the City's response.

The purpose of this Report on Internal Control Over Compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the State of Texas Single Audit Circular. Accordingly, this report is not suitable for any other purpose.

CITY OF McALLEN, TEXAS

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AND STATE AWARDS

Year Ended September 30, 2014

1. General

The accompanying Schedule of Expenditures of Federal and State Awards presents the activity of all federal and state award programs of City of McAllen, Texas, for the year ended September 30, 2014. The reporting entity consists of the primary government, organizations for which the primary government is financially accountable, and other organizations for which the primary government is not accountable, but for which the nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete.

Financial accountability exists if a primary government appoints a voting majority of an organization's governing Board and is either able to impose its will on that organization or there is a potential for the organization to provide specific financial benefits to, or impose specific financial burdens on, the primary government. A primary government may also be financially accountable for governmental organizations with a separately elected governing Board, a governing Board appointed by another government, or a jointly appointed Board that is fiscally dependent on the primary government.

In accordance with Governmental Accounting Standards Board requirements, the City has reviewed other entities and activities for possible inclusion in the reporting entity and determined that there are none; however, federal financial assistance passed through other governmental agencies is included on the schedule.

2. Measurement Focus and Basis of Accounting

The federal and state grant funds are accounted for in the Special Revenue Fund, a component of the Governmental Fund type, and in an Enterprise Fund. The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. The Governmental Fund types are accounted for using a current financial resources measurement focus. With the Governmental Fund type measurement focus, only current assets and current liabilities generally are included on the balance sheet. Operating statements of these funds present increases (i.e., revenues and other financing sources) and decreases (i.e., expenditures and other financing uses) in net current assets.

The modified accrual basis of accounting is used for the Governmental Fund types. This basis of accounting recognizes revenues in the accounting period in which they become susceptible to accrual, i.e., both measurable and available, and expenditures in the accounting period in which the fund liability is incurred, if measurable, except for certain compensated absences and claims and judgments, which are recognized when the obligations are expected to be liquidated with expendable available financial resources. Enterprise Funds are used to account for those operations that are financed and operated in a manner similar to private business or where the governing body has decided that the determination of

CITY OF McALLEN, TEXAS

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AND STATE AWARDS

Year Ended September 30, 2014

2. Measurement Focus and Basis of Accounting (continued)

revenues earned, costs incurred, and/or net income is necessary for management accountability. Enterprise Funds are accounted for on the flow of economic resources measurement focus and use the accrual basis of accounting. Under this method, revenues are recorded when earned and expenses are recorded at the time liabilities are incurred.

Federal and state grant funds are generally considered to be earned to the extent of expenditures made under the provisions of the grant and, accordingly, when such funds are received, they are recorded as unearned revenues until earned.

3. Subrecipients

Of the federal expenditures presented in the schedule, City of McAllen, Texas provided federal awards to subrecipients as follows:

<u>Program Title</u>	<u>Federal CFDA Number</u>	<u>Amount Provided to Subrecipients</u>
Community Development Block Grant -- Entitlement Grants	14.218	\$ 552,215
Home Investment Partnerships Program	14.239	425,045

4. Basis of Presentation:

The accompanying schedule of expenditures of federal and state awards includes the federal and state grant activity of the City of McAllen, Texas and is presented on the modified accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of OMB Circular A-133, Audits of State, Local Governments, and Non-Profit Organizations and the State of Texas Single Audit Circular. Therefore, some amounts presented in this schedule may differ from amounts presented in, or use in the preparation of the basic financial statements.

CITY OF MCALLEN, TEXAS

SCHEDULE OF FINDINGS AND QUESTIONED COSTS

Year ended September 30, 2014

SECTION II – FINANCIAL STATEMENT FINDINGS

Finding #: 2014-001

Allowance for Doubtful Accounts

Type of Finding: Significant Deficiency

Criteria:

Generally accepted accounting principles (GAAP) prescribes that all receivables should be measured net of estimated uncollectible amounts.

Condition:

We noted that an analysis is not being performed to determine an appropriate allowance for doubtful accounts on all of the City's accounts receivables. Currently, an allowance is determined only for water, sewer and sanitation receivables. As an example, it was noted in the Airport fund there were a few receivables that had been outstanding for an extended period of time and related to vendors that were in bankruptcy.

Recommendation:

We recommend that management establish a policy and develop a method based on historical experience and other relevant factors to determine an appropriate allowance for doubtful accounts and consistently use it on a periodic basis, at least annually, to analyze whether an allowance should be recorded. This will allow management to assess the true collectability of outstanding receivables.

View of Responsible Officials and Planned Corrective Actions:

Management concurs and will establish an appropriate allowance for doubtful accounts policy in FY 14-15.

Target completion date:

June 30, 2015.

Finding #: 2014-002

Financial Statement and Supporting Schedules Reconciliation

Type of Finding: Significant Deficiency

Criteria:

Reconciliation of supporting schedules to amounts reported in the financial statements is a necessary component of a strong internal control.

Condition:

During the audit, we encountered inconsistencies in the supporting schedules of the capital assets and grants when auditing the numbers within the financial statements. We noted that there is a decentralized process regarding the underlying data and the data recorded in the financial statements. Complete and accurate supporting schedules are necessary for complete and accurate financial statements.

Recommendation:

We recommend that the City establish policies and procedures to ensure the supporting schedules are reconciled to the financial statements. This could include a detailed checklist identifying the supporting

CITY OF MCALLEN, TEXAS

SCHEDULE OF FINDINGS AND QUESTIONED COSTS

Year ended September 30, 2014

schedules utilized to prepare the financial statements and related notes and assigning a person to be responsible for the accurate reconciliation.

Views of Responsible Officials and Planned Corrective Actions:

Management concurs and will establish detailed checklists for capital assets and grants.

Target Completion Date:

Ongoing and will be utilized for year-end process

Finding #: 2014-003

Accounts Payable Open Items Report

Type of Finding: Significant Deficiency

Criteria:

Understatement is the primary risk surrounding accounts payable; thus, a detail of the open payables balance at year-end is necessary to for underlying support of the financial statement balance.

Condition:

Based on our inquiries, management was unable to provide an open payables detail by fund to support the accounts payable balance. It was our understanding based on prior year response to this matter that the accounting system was going to be modified to allow for an open payables report to be created. Additionally, it was noted that the City engaged a consultant to assist in this matter during 2014 to create a report.

Recommendation:

If the City has this capability, we recommend the City have available the system generated report to appropriately monitor accounts payable activities of the City.

Views of Responsible Officials and Planned Corrective Actions:

Cogsdale, consultant for the City, has been unable to create the requested report. IT Director is checking other avenues to remedy this issue.

Target Completion Date

Ongoing. Status will be forthcoming

Finding #: 2014-004

Revenue Recognition

Type of Finding: Significant Deficiency

Criteria:

In accordance with the NCGA Statement 1 paragraph 110, governmental fund revenues should be classified in the statement of revenues, expenditures, and changes in fund balances by fund and major revenue source, such as taxes, licenses and permits, intergovernmental revenues, charges for services, fines and forfeits, and miscellaneous.

Condition:

During the audit, we noted that the City is recording grant revenue against expenditures in the general ledger for those grants included in the General fund. It was communicated that this practice is done to ensure for budgetary purposes there is an accurate picture of the grant.

CITY OF MCALLEN, TEXAS

SCHEDULE OF FINDINGS AND QUESTIONED COSTS

Year ended September 30, 2014

Recommendation:

We recommend that the City properly reflect the grant revenue as intergovernmental revenues in the general fund or account for the grant activity of those specific grants in the Miscellaneous Grants Fund. In order to maintain the ability to monitor the grant for budgetary purposes, the City could create a grant revenue account that is linked to the grant expense account.

Views of Responsible Officials and Planned Corrective Action:

Management concurs and will set up revenue and expenditure account numbers on the general ledger to record them to the Miscellaneous Grants Fund (Fund 140).

Target Completion Date

Ongoing and will continue throughout the fiscal year.

CITY OF MCALLEN, TEXAS

SCHEDULE OF FINDINGS AND QUESTIONED COSTS

Year ended September 30, 2014

SECTION III – FEDERAL AND STATE AWARD FINDINGS AND QUESTIONED COSTS

Federal Award Findings:

Finding #: 2014-005

CFDA Title: Equitable Sharing Program

CFDA Number: 16.922

Federal Award Number: N/A

Federal Award Year: 2014

Federal Agency: Department of Justice

Type of Finding: Material Weakness and Material Noncompliance

Davis Bacon

Criteria or Specific Requirement:

Title 29 CFR Part 5 states that a contract in the excess of \$2,000 which is entered into for the actual construction, alteration and or repair, financed in whole or in part from Federal funds or in accordance with guarantees of a Federal agencies, are to pay minimum wages to all laborers and mechanics employed or working upon the site of the work and will be paid unconditionally and not less often than once a week and without subsequent deductions or rebate on any account. In addition non-federal entities shall include in their construction contracts subject to the Davis –Bacon Act a requirement that the contractor or subcontractor comply with the requirements of the Davis Bacon Act including the requirement for a contractor or subcontractor to submit to the non-federal entity weekly, for each week in which any contract work is performed, a copy of the payroll and is statement of compliance (certified payrolls).

Condition:

We noted that the City did not include the provisions of Davis Bacon requirements in their contracts requiring the contractors to pay minimum wages to all laborers and mechanics. In addition the City did not require the contractors to submit weekly certified payrolls.

Questioned Costs:

None reported.

Context:

It was noted that City of McAllen did not include the Davis Bacon provisions in contracts occurred during the period.

Effect:

The City's lack of compliance with the requirements may cause the City to fail to require contractors to comply with the provisions of the Davis Bacon Act, which could potentially lead to loss or return of funding.

Cause:

The department did not indicate that the project was to be funded with federal dollars on the Request for Funding Availability form when requesting Purchasing and Contracts to procure contractors for specific construction renovations.

Recommendation:

We recommend the City strengthen their policies and procedures over the communication of federal requirements that all contracts funded with federal financial assistance to be subjected to the Davis Bacon Act requirements. The policies should consider defining federal financial assistance as outlined in OMB Circular

CITY OF MCALLEN, TEXAS

SCHEDULE OF FINDINGS AND QUESTIONED COSTS

Year ended September 30, 2014

A-133 to ensure all departments are aware that is not just grants that are subject to OMB Circular A-133 requirements.

Views of Responsible Officials and Planned Corrective Actions:

Elizabeth Cabrera, Purchasing Director. Davis Bacon requirements were not implemented because the department was not aware that Seized fund (state and federal) were being used for this project. Since that time, Request for Availability forms have been revised. This form will require that each department notify Budget and Purchasing and Contracting of the type and name of funding to be used for the procurement of services, supplies, and goods. No solicitation will be advertised unless Request for Funding Availability form has been completed to its entirety.

Completion Date: April 1, 2015.

Finding #: 2014-006

CFDA Title: Federal - Equitable Sharing Program

CFDA Number: 16.922

Federal Award Number: N/A

Federal Award Year: 2014

Federal Agency: Department of Justice

Type of Finding: Significant Deficiency

Procurement, Suspension and Debarment

Criteria or Specific Requirement:

In accordance with 2 CFR section 180, nonfederal entities are prohibited from contracting with or making subawards under covered transactions to parties that are suspended or debarred. "Covered transactions" include those procurement contracts for goods and services awarded under a nonprocurement transaction (e.g. grant or cooperative agreement) that are expected to equal or exceed \$25,000 or meet certain other criteria as specified in 2 CFR section 180.220.

Condition:

The City did not perform an inspection of the vendor in System for Award Management (SAM) to ensure the vendor is not suspended or debarred from use for the Equitable Sharing Program. The inspection of the vendors was performed for another grant funded project in which the vendors were utilized, thus the City was in compliance with the requirements. The control over the process in general however failed.

Questioned Costs:

None reported.

Context:

Of the three vendors utilized, the City did not perform an inspection of the vendor in System for Award Management (SAM) to ensure the vendor is not suspended or debarred from use in federally funded projects for the Equitable Sharing Program.

Effect:

The City's lack of compliance with the requirement could potentially lead to loss or return of funding.

CITY OF MCALLEN, TEXAS

SCHEDULE OF FINDINGS AND QUESTIONED COSTS

Year ended September 30, 2014

Cause:

The Police Department was unaware that the Equitable Sharing Program was subject to the federal regulations and therefore, did not communicate to the Contracts and Purchasing department that the project would be funded with federal forfeitures.

Recommendation:

We recommend the City of McAllen's Police department ensure all projects funded by federal forfeitures be communicated to the Contracts and Purchasing department to ensure the suspension and debarment inspection is performed.

Views of responsible officials and Planned Corrective Actions: Javier Rodriguez, Director of Fiscal Management (Police Department). We agree to implement the auditor's recommendations.

Completion Date: Ongoing.

Finding #: 2014-007

Program Title: Assistance to Firefighters Grant Program

CFDA Number: 97.044

Federal Award Number: EMW-2012-FR-00371

Federal Award Year: 2012

Federal Agency: Federal Emergency Management Agency

Pass-through Entity: N/A

Type of Finding: Significant Deficiency

Cash Management

Criteria or Specific Requirement:

The A-102 Common Rule and OMB Circular A-110 (2 CFR part 215) require that non-Federal entities receiving Federal awards (i.e., auditee management) establish and maintain internal control designed to reasonably ensure compliance with Federal laws, regulations, and program compliance requirements.

Condition:

The request for funds document is not reviewed prior to being submitted to the grantor agency.

Questioned Costs:

None reported.

Context:

Of the 3 reimbursement reports judgmentally selected for testing, there was no indication that a review of the report was performed prior to submission to the granting agency. It was noted that the City performs an after submission review when recording the journal entry however this is not a preventative control but a detective control.

Effect:

The City of McAllen's lack of review could cause errors to be reported to the granting agency thus causing a loss of funding.

Cause:

CITY OF MCALLEN, TEXAS

SCHEDULE OF FINDINGS AND QUESTIONED COSTS

Year ended September 30, 2014

The City believes, as the reports are prepared electronically there is no opportunity for review prior to submission.

Recommendation:

We recommend the City of McAllen assign another individual with requisite knowledge to review the reimbursement requests for the Assistance to Firefighters Grant Program prior to submission.

Views of responsible officials and Planned Corrective Actions: Vidal Roman, Assistant Budget Director

The City of McAllen will assign the appropriate individual with knowledge of the granted funds to review the required reports prior to submission.

Completion Date: Effective immediately and going forward.

Finding #: 2014-008

Program Title: Assistance to Firefighters Grant Program

Federal Award Number: EMW-2012-FR-00371

Federal Agency: Federal Emergency Management Agency

Pass-through Entity: N/A

Type of Finding: Material Weakness

CFDA Number: 97.044

Federal Award Year: 2012

Reporting

Criteria or Specific Requirement:

The A-102 Common Rule and OMB Circular A-110 (2 CFR part 215) require that non-Federal entities receiving Federal awards (i.e., auditee management) establish and maintain internal control designed to reasonably ensure compliance with Federal laws, regulations, and program compliance requirements.

Condition:

The Federal Financial Report/SF-425 reports are not reviewed by anyone other than the preparer prior to being submitted to the grantor agency.

Questioned Costs:

None reported.

Context:

Of the 2 financial reports judgmentally selected for testing, there was no indication that a review of the reports was performed prior to submission to the granting agency.

Effect:

The City of McAllen's lack of review could cause errors to be reported to the granting agency thus causing a loss of funding.

Cause:

The City believes as the reports are prepared electronically there is no opportunity for review prior to submission.

CITY OF MCALLEN, TEXAS

SCHEDULE OF FINDINGS AND QUESTIONED COSTS

Year ended September 30, 2014

Recommendation:

We recommend the City of McAllen assign another individual with requisite knowledge to review the required reports for the Assistance to Firefighters Grant Program prior to submission.

Views of Responsible Officials and Planned Corrective Actions:

Vidal Roman, Assistant Budget Director. The City of McAllen will implement a procedure that quarterly reports generated electronically will be printed out first so that a designated individual can review the report prior to submission to ensure accuracy of the data.

Completion Date: Effective immediately and going forward.

State Award Findings

Finding #: 2014-009

Program Title: Equitable Sharing Program

State Award Year: 2014

State Agency: Texas Attorney General

Type of Finding: Material Weakness and Material Noncompliance

Suspension and Debarment

Criteria or Specific Requirement:

Per the Uniform Grants Management Standards subpart c paragraph .35, Subawards to debarred and Suspended parties, Grantees and subgrantees must not make any award or permit any award (subgrant or contract) at any tier to any party which is debarred or suspended or is otherwise excluded from or ineligible for participation in federal assistance programs under Executive Order 12549, "Debarment and Suspension."

Condition:

The City did perform the review of the Parties Excluded from Procurement and Nonprocurement Programs listing to ensure the contractors are not suspended or debarred by the State of Texas.

Questioned Costs: None reported.

Context:

Of the three vendors utilized, the City did not review the Parties Excluded from Procurement and Nonprocurement Programs listing maintained by the State of Texas. In addition, the review of the Parties Excluded from Procurement and Nonprocurement document is not included within the established policies and procedures for review of Suspension and Debarment for state funded projects.

Effect:

The City's lack of compliance with the requirement could potentially lead to loss or return of funding.

Cause:

CITY OF MCALLEN, TEXAS

SCHEDULE OF FINDINGS AND QUESTIONED COSTS

Year ended September 30, 2014

The City was unaware that the State of Texas maintained a Parties Excluded from Procurement and Nonprocurement Programs list and that the City was required to perform a review of the listing to ensure contractors are not suspended or debarred by the State of Texas.

Recommendation:

We recommend the City of McAllen perform a review of the Parties Excluded from Procurement and Nonprocurement Programs listing to ensure contractors are not suspended or debarred. In addition, we recommend that the City incorporate this review into its established policies and procedures in place for other government funded projects.

Views of Responsible Officials and Planned Corrective Actions:

Elizabeth Cabrera, Purchasing Director. Standard operating procedures have been developed (awaiting approval for Assistant City Manager) and all appropriate staff (Director, Assistant Director, Senior Buyer, Buyers II, and Contracts Compliance Officer) will be trained on these procedures.

Completion Date: April 1, 2015.

Finding #: 2014-010

Program Title: Equitable Sharing Program – State

State Award Number: N/A

State Award Year: 2014

State Agency: Texas Attorney General

Pass-through Entity: N/A

Type of Finding: Material Weakness and Material Noncompliance

Equipment Management

In accordance with the Uniform Grants Management Standards paragraph 32(d) (1)and (2) Property records must be maintained that include a description of the property, a serial number or other identification number, the source of property, who holds title, the acquisition date, and cost of the property, percentage of federal *or state* participation in the cost of the property, the location, use and condition of the property, and any ultimate disposition data including the date of disposal and sale price of the property. A physical inventory of the property must be taken and the results reconciled with the property records at least once every two years.

Condition:

The City of McAllen did not meet the equipment requirement of taking a physical inventory of equipment at least once every two years as outlined in the Uniform Grants Management Standards.

Questioned Costs:

None reported.

Context:

There was no physical inventory of equipment in the last two years. In addition, a control system was not identified that ensures a physical inventory is performed as required.

CITY OF MCALLEN, TEXAS

SCHEDULE OF FINDINGS AND QUESTIONED COSTS

Year ended September 30, 2014

Effect:

The City's lack of adhering to the equipment requirement of performing a physical inventory could result in a loss of funding from the granting agency.

Cause:

The department responsible for managing this program failed to perform the required inventory within the past two years.

Recommendation:

We recommend the City of McAllen establish physical inventory policies and procedures to ensure compliance with the equipment requirement. The policy and procedures should include details of preparing for and executing a physical inventory count, and resolving differences between quantities determined by the physical inspection and those shown in the accounting records.

Views of Responsible Officials and Planned Corrective Actions:

Javier Rodriguez, Director of Fiscal Management (Police Department). We agree to implement the auditor's recommendations.

Completion Date: Ongoing.
