

Specified Critical Illness Insurance

How will you pay for what your health insurance won't?

Even those of us who plan for the unexpected with life, disability and medical insurance may discover that some expenses can still remain unpaid. Without adequate protection, sufferers of critical illnesses might have to pull from their savings or rely on other financial sources in their time of need.

*Have you thought
about the financial
problems a critical
illness can cause?*

Specified Disease Insurance helps fill the gaps in your health insurance.

With Colonial Life's Specified Critical Illness Insurance, you're paid a benefit that can help you cover:

- Deductibles, co-pays and co-insurance of your health insurance
- Home health care needs and household modifications
- Travel expenses to and from treatment centers
- Lost income
- Rehabilitation
- Child care expenses
- Everyday living expenses

You're free to use the benefit however you choose.

And coverage is available for you and your eligible family members.

This brochure highlights the benefits of policy form CI-1.0 or CI-1.0-PL6 (including state abbreviations where used, such as CI-1.0-TX). This is not an insurance contract and only the actual policy provisions will control. The policy sets forth in detail the rights and obligations of both you and us. It is, therefore, important that you READ YOUR POLICY CAREFULLY.

This brochure is not complete without the Outline of Coverage, form number CI-1.0-O, and state abbreviations where used.
