

**RESOLUTION 2008-\_\_**  
**ANNEXATION SERVICE PLAN**

WHEREAS, V.T.C.A., Local Government Code Section 43.056, "Provision of Services to Annexed Area" requires that a plan of service be made part of the annexation ordinance annexing an area; and

WHEREAS, the City of McAllen is contemplating annexation of the areas shown on the attached Exhibit A;

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF McALLEN.**

SECTION 1. Pursuant to the provisions of V.T.C.A., Local Government Code Section 43.056, there is hereby adopted for the proposed annexation area the following plan of services:

A. Services to be provided on the effective date of annexation unless otherwise specified.

1. Police Protection

Patrolling, radio response to calls and other routine police services using present personnel and equipment will be provided on the effective date of annexation. Patrol positions will be added when population warrants.

2. Fire Protection

Fire protection by the present personnel and equipment of the fire fighting force within the limitations of available water will be provided on the effective date of annexation.

3. Emergency Medical Services

Emergency medical services will be provided through contract services on the effective date of annexation.

4. Health Protection

Health protection including rabies and rodent control programs, regulation of animal and fowls density, and elimination of unsanitary septic systems and sources of standing water will be provided on the effective date of annexation.

5. Solid Waste Collection

Pick up will begin on the effective date of annexation at the same level of service and cost provided to other similar areas presently found within the City of McAllen.

Brush collection will be on a periodic basis as established by the City

Sanitation Department.

City of McAllen will not prohibit the collection of solid waste in the area by a privately owned solid waste management service provider; or impose a fee for solid waste management services on a person who continues to use the services of a privately owned solid waste management service provider before the second anniversary of the effective date of annexation. City of McAllen will not provide solid waste collection services to a person who continues to use the services of a privately owned solid waste management service provider.

6. Operation and maintenance of public water and wastewater facilities  
Routine maintenance of existing water and wastewater facilities owned by the McAllen Public Utilities that are not within the service area of another water or wastewater utility will begin on the effective date of annexation.

7. Operation and maintenance of public roads and streets  
Routine maintenance of public roads and streets will begin on the effective date of annexation on the same basis as presently occurs in the city.

Maintenance of streets including the repair of hazardous potholes and measures necessary for traffic flow will begin on the effective date of annexation. Unpaved streets will be graded as necessary to meet city standards.

Maintenance of traffic signals, street markings and other traffic control devices will begin on the effective date of annexation.

Maintenance of street lights will begin on the effective date of annexation.

8. Operation and maintenance of parks, playgrounds and swimming Pools  
Operation and maintenance of public parks, playgrounds and swimming pools located in the area will begin on the effective date of annexation.

9. Operation and maintenance of any other publicly owned facility, building or service  
City drainage ditches will be maintained on the effective date of annexation as necessary and as determined by the City Engineer.

- B. Acquisition or construction of capital improvements necessary for providing full municipal services adequate to serve the area to be initiated within 2-1/2 years after

the effective date of annexation of the area and substantially complete within 4-1/2 years after the effective date of annexation.

1. Police Protection  
None

2. Fire Protection  
None

3. Emergency Medical Services  
None

4. Solid Waste Collection  
None

5. Public Water and Wastewater Facilities  
Water and wastewater facilities for domestic and commercial uses will be available at City rates according to policies of the McAllen Public Utilities from existing lines not within the service area of another water or wastewater utility on the effective date of annexation.

New water and wastewater lines of the McAllen Public Utilities will be extended to the area not within the service area of another water or wastewater utility by developers as land becomes subdivided in accordance with City ordinances and policies.

Landowners in the area are not required to fund water and wastewater capital improvements necessary to provide full municipal services that are inconsistent with V.T.C.A. Local Government Code Chapter 395 unless otherwise agreed to by the landowner.

6. Public Roads and Streets  
Reconstruction and resurfacing of streets, installation of storm drainage facilities, construction of curbs and gutters, and other major improvements will be accomplished under the established policies of the city as need determines and upon development and subdivision of said areas.

Traffic signals, street markings and other traffic control devices will be installed as need is established by appropriate study and traffic standards.

Street lighting is to be installed by developers according to city policies when land is subdivided.

Landowners in the area are not required to fund street and drainage capital improvements necessary to provide full municipal services that are inconsistent with V.T.C.A. Local Government Code Chapter 395 unless otherwise agreed to by the landowner.

7. Parks and playgrounds  
None

8. Construction of any other publicly owned facility, or building necessary to provide full municipal services
