**Section 8:03 Entrance Examination Administration Procedures**

In order to be placed on the Entrance Eligibility List, an applicant must pass the examination. The ranking of the applicants on the entrance eligibility list shall be based upon the highest total score resulting from a passing grade on the written examination plus any military service or credit as required by Chapter 143, if applicable. In the event of ties in final total scores, the applicant's rank on the eligibility list shall be determined by the highest number of correct answers on the exam (the person with the higher exam grade will be placed higher even though the final total score is a tie). If a tie shall remain, then the order of ranking shall be determined by giving the highest positions among those sharing an identical total score and an identical exam grade in the order in which the applicants signed up for the examination (i.e. those signing up earlier will be given a higher ranking).
