

Dr. Jesús René Reyna Biography

Dr. Jesús René Reyna serves as City Manager for the City of Donna, providing executive oversight of municipal operations, programs, and financial processes. He works closely with the Mayor and City Commission to ensure efficiency, transparency, and strategic focus, emphasizing responsible fiscal management, long-term planning, and the delivery of high-quality services to residents, businesses, and regional partners.

With more than 35 years of experience in financial administration and organizational leadership, Dr. Reyna brings a diverse professional background to his role. He has held key executive positions including Chief Financial Officer, Chief Operations Officer, Executive Bridge Director, Interim City Manager, Human Resources Director, and Superintendent of Schools. His experience spans municipal government, education administration, international bridge operations, and organizational development. He also served five years in the United States Army in Germany, where he developed strong leadership and logistical expertise.

Dr. Reyna holds bachelor's, master's, and doctoral degrees from the University of Texas Rio Grande Valley. He is actively involved in regional and binational organizations that support economic development, cross-border trade, infrastructure advancement, and regional collaboration.

Currently, Dr. Reyna is leading several major initiatives for the City of Donna, including the Northbound and Southbound Commercial Cargo Expansion Project at the Donna International Bridge, major drainage improvements, development of a new Sports Complex Park, expansion of the Fire Department, upgrades to the Wastewater Treatment Plant, and comprehensive financial audits. These efforts reflect his commitment to long-term growth, infrastructure modernization, and improving quality of life for the community.
