Section 8:03 Entrance Examination Administration Procedures

In order to be placed on the Entrance Eligibility List, an applicant must pass the examination. The ranking of the applicants on the entrance eligibility list shall be based upon the highest total score resulting from a passing grade on the written examination, which is determined and calculated to two (2) decimal places, plus any military service or credit as required by Chapter 143, if applicable. In the event of ties in final total scores, the applicant's rank on the eligibility list shall be determined by giving the highest positions among those sharing an identical total score and an identical exam grade in the order in which the applicants signed up for the examination (i.e. those signing up earlier will be given a higher ranking).
