Proposed Speed Humps on Shasta Avenue

Dear Resident,

You are receiving this letter because your property is adjacent to the segment of Shasta Avenue between 2nd Street and 6th Street where a speed hump study was requested and met the criteria for implementation. Traffic Operations staff is recommending the installation of two speed humps at the locations shown in the exhibit above. There will be a neighborhood cost-share for the installation of the proposed speed humps and this will be 100%, or \$3,792.82.

The City of McAllen Traffic Operations department will be holding a meeting to address any questions regarding the proposed speed humps or cost sharing. The meeting will be at 7:00 pm on Wednesday June 29th at the Main Library at ~~Pecan Boulevard~~ and 23rd Street in meeting room B. If you have any questions please call our department at (956) 681-2715.

Thank you,

A handwritten signature in blue ink that reads "Longoria".

Patrizia Longoria, P.E.
Deputy Director of Traffic Operations
City of McAllen
