Memo

TO: Zoning Board of Adjustment & Appeals

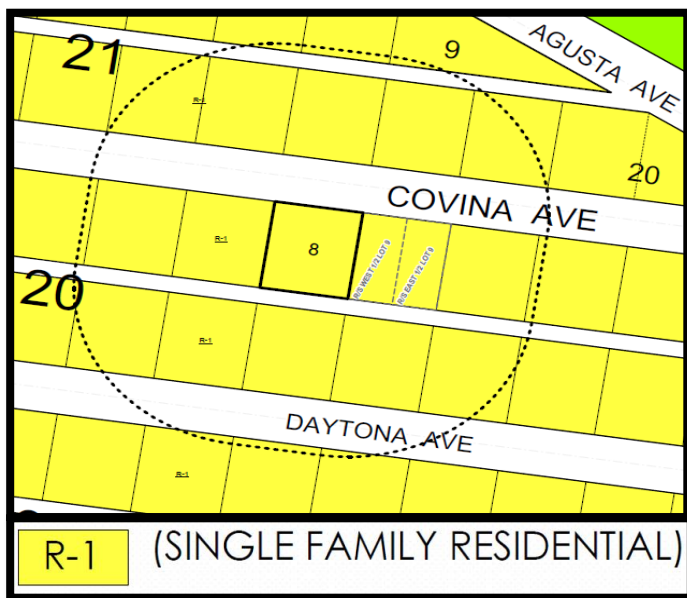

FROM: Planning Staff

DATE: February 1, 2022

SUBJECT: Request of Soila B. Valdez for the following Variances to the City of McAllen Zoning Ordinance: 1) to allow an encroachment of up to 4.5 feet into the 10 feet rear yard setback for an existing wooden covered porch with bathrooms measuring 20 feet by 51 feet and 2) to allow an encroachment of up to 2.8 feet into the 6 feet east side yard setback for an existing wooden covered porch with bathrooms measuring 20 feet by 51 feet at Lot 8, Block 20, Balboa Acres Subdivision, Hidalgo County, Texas; 3013 Covina Avenue. (ZBA2022-0001)

REASON FOR APPEAL:

The applicant is requesting for an existing wooden covered porch to remain in its current location encroaching into the rear and side yard setbacks at the rear of the subject property. The applicant purchased the residence in 2021, and subsequently the father of the applicant built the existing wooden covered porch with bathrooms. The applicant's father was unaware that a building permit was required prior to building the existing wooden covered porch with bathrooms.

PROPERTY LOCATION AND VICINITY:

The subject property is located on the south side of Covina Avenue. The property has 96 feet of frontage along Covina Avenue and a depth of 110 feet for a total lot size of 10,560 square feet. The zoning for the property and adjacent zoning is R-1 (single-family residential) District in all directions. Surrounding land uses include residential homes.

BACKGROUND AND HISTORY:

Balboa Acres Subdivision was recorded in January 1963. An application for a variance request was submitted in January 2022. An application for a building permit has not been submitted.

ANALYSIS:

Variance request #1 is to allow an encroachment of up to 4.5 feet into the 10 feet rear yard setback. The existing wooden covered porch with bathrooms measures 20 feet by 51 feet for a total area of 1,020 square feet.

Variance request #2 is to allow an encroachment of up to 2.8 feet into the 6 feet side yard setback along the east side of the subject property.

A cedar fence obscures and buffers the view of the rear yard and the existing wooden covered porch with bathrooms. A 20 feet alley is located along the rear property that provides additional separation for public safety purposes to the residence to the south.

According to the applicant, the existing wooden covered porch with bathrooms is an area that the applicant and her family use for recreational purposes. The father of the applicant built the existing wooden covered porch with bathrooms as a gift to the applicant and her family to use for their enjoyment. As per the applicant, the outside bathrooms are used when entertaining guests.

The porch and bathrooms are built over an existing concrete foundation and compliance would involve a re-design and re-construction of the structures in order to reduce the encroachments for compliance.

During a site visit, staff noticed other encroachments along the front and rear yards within Balboa Acres Subdivision. A review of Planning Department records revealed other approved variances within the subdivision in the past.

There are no utility easements along the rear or side of the subject property.

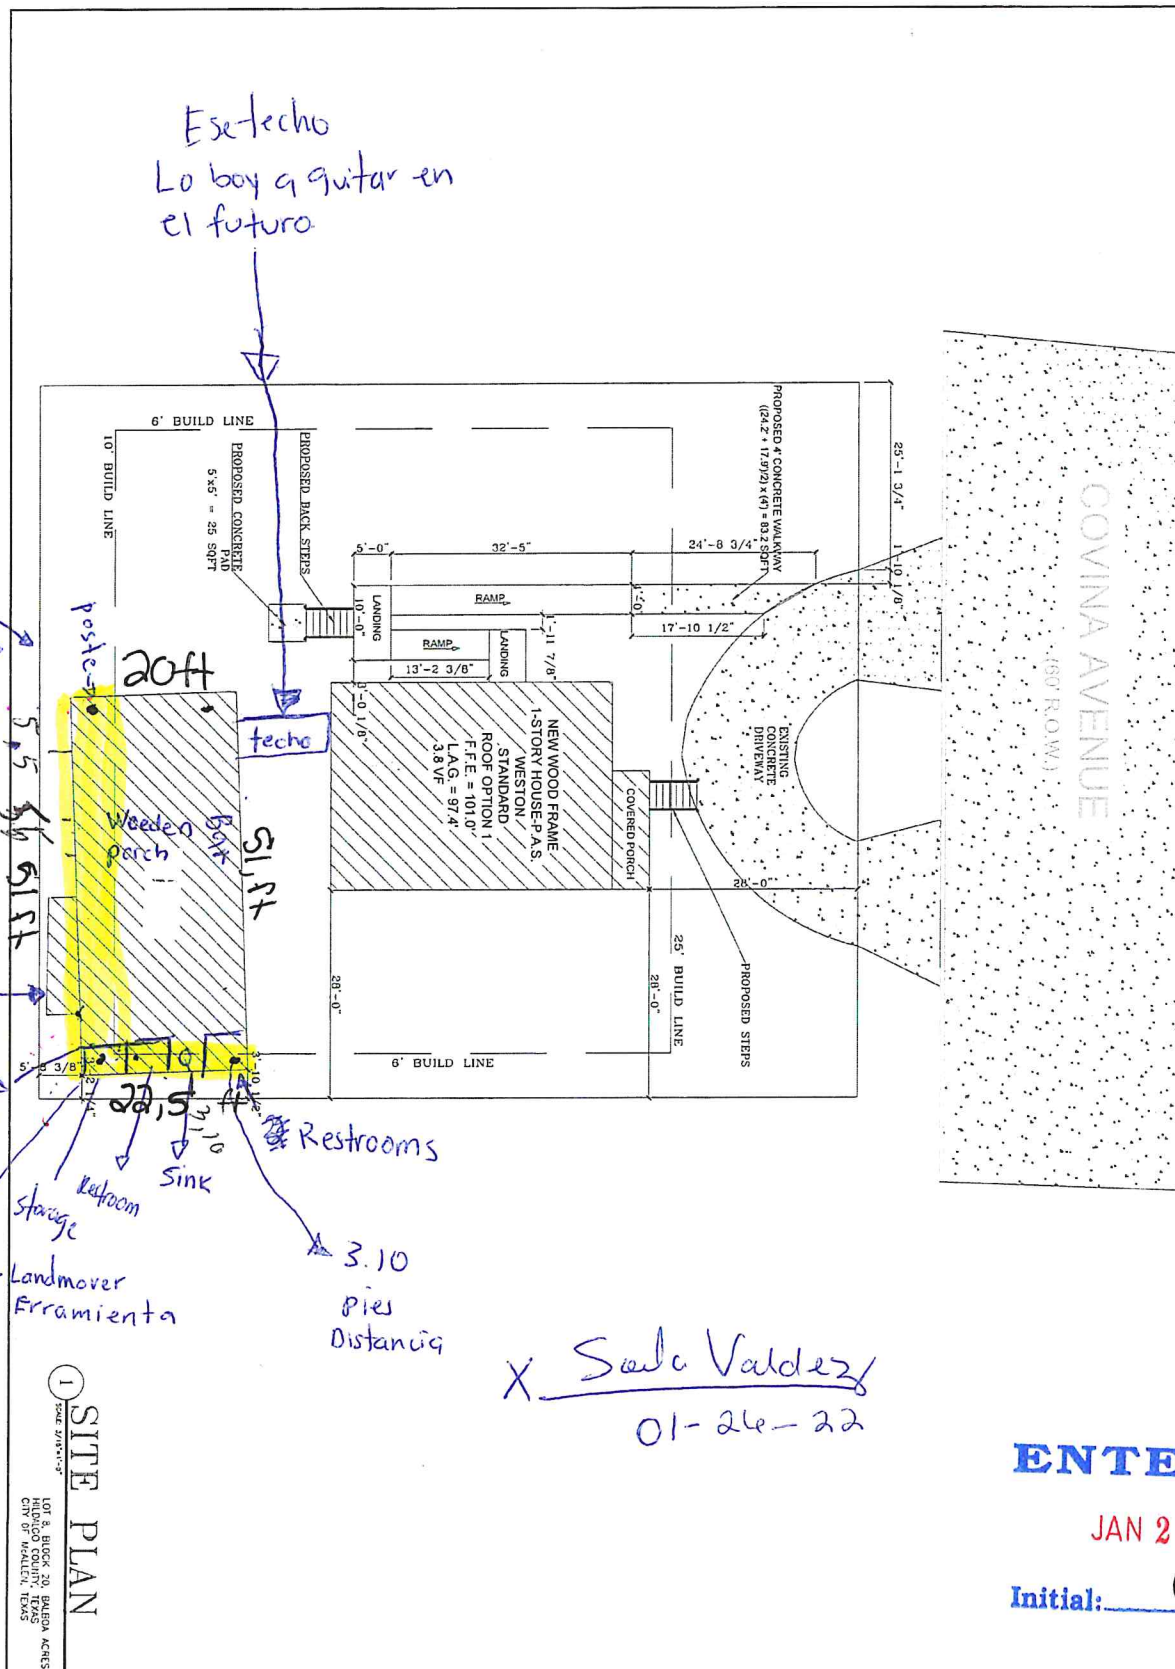

Measurements provided were without benefit of a survey.

Staff has received one phone call in support of the variance requests.

RECOMMENDATION:

Staff recommends approval of the variance requests since there are existing encroachments which are characteristic to the area, a 20 feet alley provides additional building separation to the south, a 6 feet cedar fence obscures and buffers the rear yard and the existing wooden porch with bathrooms, and financial cost of compliance may be greater than 50 percent of the value of the structure. The encroachments will not allow the essential character of the neighborhood especially since the lots are large. If the Board grants approval of the requests it should be limited to the encroachments shown on the submitted site plan.

Legal opinions:

1. In 2009 Assistant City Attorney Ignacio Perez made an interpretation to allow arbors, pergolas, and trellises within the required setbacks. The definition of landscape material is stated as trees, shrubs, ground cover, vines or grass installed in planting areas in Section 110-26 of the Vegetation Ordinance. The legal interpretation was if vines were allowed by code as a planting area and they cover vertical planes such as walls then the same logic could be applied to arbors, pergolas, and trellises as a planting area. Mr. Perez also cited Section 110-56 (g) of the Vegetation Ordinance stating architectural planters may be permitted to fulfill landscape requirements.
2. Prior to 2009 swimming pools were not considered a structure due to the fact they were constructed underground and the Zoning Ordinance defines a structure as anything constructed, erected or artificially built up or composed of parts and joined together in a permanent manner. However, an interpretation was made in 2009 to consider swimming pools as a structure to abide by setback requirements.

ZONING BOARD OF ADJUSTMENT AND APPEALS

RULES AND PROCEDURES

CITY OF MCALLEN

The McAllen Zoning Board of Adjustment and Appeals adopts the following Rules and Procedures (hereinafter “Rules”) to govern the substance of all board matters.

I. ORGANIZATION AND OFFICERS

A. Members

The McAllen City Commission created the Zoning Board of Adjustment and Appeals (hereinafter referred to as “Board”) pursuant to Chapter 211 of the Texas Local Government Code and Chapter 138, Article II, Division 3 of the City of McAllen, Texas Code of Ordinances (the “City Code”). The Commission appoints the members for that Board under Section 211.008 of the Texas Local Government Code (the “Code”).

The Commission composed the Board to sit five (5) members. Each member serves a two-year term. The Commission may renew a member’s term for a maximum of three total consecutive terms. The Commission also appoints four (4) alternate members to serve in the absence of a regular board member. Alternate members serve just as regular members and are subject to the same rules as regular members, unless otherwise provided in these Rules, but do not vote except in the absence of a regular member.

B. Officers

The Board shall elect a Chair and a Vice Chair from its own regular members by majority vote. The Chair and Vice Chair each serve one year. The Board shall accept an Executive Secretary appointed by the McAllen Planning Department. The Board shall adopt an attorney advisor appointed by the McAllen Legal Department. The Board shall only accept the appointment of personnel under the condition each person remains the employee and charge of the City of McAllen, with no employment relationship to the Board.

C. Duties and Officers

The Chair shall preside over the Board, hold meetings of the Board, decide points of order, and dispense the business of the Board. The Chair may administer oaths, compel the attendance of witnesses, and issue subpoenas as per Section 211.008 of the Code. The Chair shall sign the minutes of board meeting after the minutes have been approved by the Board.

In the absence of the Chair, the Vice Chair, or in both their absences the most senior member, according to the member’s appointment date, shall dispense the duties of the Chair.

II. POWERS OF THE BOARD

A. General Powers

The Board has those powers specified in Section 211.009 and 241.033 of the Code, and those powers granted by the City Commission under Chapter 138 (Zoning Ordinance) and Chapter 110 (Vegetation Ordinance) of the City Code, and those powers granted to the Board by ordinance.

B. Specified Powers

As per city ordinance and state statute, the Board has those powers described in Section 211.009 of the Code and Section 138-43 of the City Code. Those powers described in Section 138-43 are:

1. Hear and decide appeals that allege an error in any order, requirement, decision or determination made by an administrative official or agency in the enforcement of applicable provisions of the Local Government Code, the City Ordinance;
2. Authorize variances to specific cases from the terms of the City Code as will not be contrary to the public interest, where, owing to special conditions, a literal enforcement of the provisions of City Ordinance will result in unnecessary hardship, and so that the spirit of ordinances shall be observed and substantial justice done;
3. Grant special exception to waive or reduce parking and loading requirements whenever the character and use of the building is such as to make unnecessary the full provisions of parking or loading, or where such regulations would impose an unreasonable hardship upon the use of the lot; and
4. Hear and decide any other matters authorized by the City Commission through ordinance.

III. DUTIES OF BOARD MEMBERS

A. General Duties of Members

1. All members of the Board should attempt to inspect the premises of each case which is under consideration at each meeting and become generally familiar with each case prior to Board meetings.
2. All members shall attend all meetings, provided, however, the member must provide 72 hours prior notice to the Executive Secretary in the event the member cannot attend.
3. All members of the Board shall arrive at a logical and fair decision on each case, except where a conflict may preclude a vote on the case.

B. Disqualification/Conflict of Interest

All members of the Board of Adjustment are subject to the City of McAllen Ethics Ordinance (Chapter 2 of the City Code).

In all cases before the Board where a member of the Board has a conflict as described in the Ethics Ordinance, the member shall refrain from any discussion, deliberation or vote. When applicable, the member shall complete and submit a City Conflict of Interest form, but in all cases alert the Executive Secretary at least 72 hours prior to the meeting on which the conflict is at issue. The Executive Secretary shall submit all notices of conflict to the City's attorney.

IV. A BASIS FOR ACTION

The Board shall decide each case based on the following:

1. Facts filed with application.
2. Testimony presented at the public hearing on the appeal.
3. The Planning Department's technical report on the appeal.
4. The Board's findings in its field inspection of the property may question all witnesses to assist the Board in arriving at a correct, logical and fair decision.
5. The applicable standards of review described in Section 138-43 of the City Code and Sections II.A., II.B. and VI. of these Rules.
6. All decisions shall be made on the Basis for Action. Neither the Board nor the individual members may use personal, first hand knowledge of any facts to make a determination, if such information has not been entered into the record or made available at the public hearing.

V. APPLICANTS

A. Legally Vested Interest

The Board shall not consider an application from any applicant who does not have a vested legal or equitable interest in the property in question. Applicants may appear on their own behalf or may be represented by counsel or agent. Any representation by someone other than an applicant must be accompanied with a written designation by the applicant for the agent to act on behalf of the applicant. (For example, the representative may produce a letter from the applicant to the Planning Department to authorize the representative to speak on behalf of the applicant; or, the representative may submit an application on behalf of a verifiable power of attorney.)

B. Applications

All applications for consideration by the Board must be on the prescribed form approved by the Planning Department and acceptable to the Board. The Board shall not consider applications for a variance or a special exception or any other Board action, if the application is not on a designated form. The Board shall approve the official application and the Chair shall implement it.

All applications for variances and special exceptions to commercial properties must be submitted with a current, valid "on the ground" survey. An applicant must submit a pauper form with their application if

they cannot proffer a valid survey; provided, however, the applicant illustrates their property with setbacks and encroachments as a survey would.

C. Meetings

Applicants have the right to be heard at all meetings where their applications are considered for a dispositive vote. Applicants not able to be present at the scheduled meeting to consider their application may submit to the Planning Department a written request for the Board to table the application. The Board will decide whether or not to grant the applicant's request to table. No application may be tabled at the request of applicant for more than two meetings prior to being considered for a dispositive vote. However, if the applicant requests for his/her application to be tabled because there are only four (4) board members present, such request shall not be counted against applicant's two (2) opportunities to table his/her request. Board action may proceed on any application despite the request of any applicant to table the application. The Board shall note on the record the reason(s) for the tabling of an agenda item. The reason(s) for each tabling, as well as the number of times an agenda item has been tabled, shall be reflected in an activity log in the meeting minutes at the end of each agenda item.

D. Evidence

Applicants should be prepared to present evidence necessary to prove their application. The burden of persuasion on seeking a remedy from the Board remains with the applicant at all times.

VI. HARDSHIP

A. For an "unnecessary hardship" to apply to a variance, it must relate to the very property for which the variance is sought and be a condition unique, oppressive, and uncommon to other properties. An unnecessary hardship may not be self-created, or be solely financial.

B. "Hardship" must be based on hardship resulting from sharp changes in topography or unusual terrain features. The applicant may prove the topography with a plot plan which includes topographic information related to known base points or surveys, and profiles or particular problems involved, including relationships to topographic features of adjoining properties.

C. There is no unnecessary hardship if the property is suitable and useable for the uses permitted in the district in which it lies, although there will be a loss of profit or other economic disadvantage on account of such use.

VII. MEETINGS

A. Texas Public Information Act and Open Meetings Act.

Except as permitted under the advice of the Board's attorney, all meetings of the Board are subject to the Texas Public Information Act and shall be open to the public. The minutes of the Board's meetings and records of its examination or other official actions are public records, unless excepted under law.

B. Quorum

A quorum consists of seventy-five percent (75%) of the full complement of members. For a full complement of five (5) members, therefore, four (4) members present constitute a quorum. The Chair may declare a quorum does not exist fifteen (15) minutes following a posted meeting time, having found at least four (4) members and alternate members are not present; provided however, the Chair may not declare a quorum thirty (30) minutes from the posted time, should at least members and alternate members not be present.

C. Regular Meetings

Regular meetings shall be held every first and third Wednesday at 5:30 P.M., or at other times as determined by the Board, in the City Commission Chambers. The Board by majority vote may change the place, day, and hour of the meetings; provided that, notice complies with the Texas Open Meetings Act (Chapter 511 of the Texas Government Code).

D. Special Meetings

The Chair may call a special meeting. A special meeting shall have a lawful purpose and members and public shall be given at least seventy-two (72) hours notice prior to the meeting.

E. Order of Business

The usual order of business shall be:

1. Call to Order

 - f) If new facts are presented during this rebuttal, opposition shall be given the opportunity for rebuttal
 - g) Staff shall then have an opportunity to provide additional information, clarification or address questions from the Board.
 - h) Board discussion.
 - i) The Chair shall then declare that the discussion of the case is closed.

- j) In order to achieve an unambiguous decision, motions should be made in affirmative manner when possible.
 - k) Any motion by a member shall require a second. After a motion has been made and duly seconded, discussion of the motion may be held for a reasonable time. Discussion shall terminate whenever a member shall call for a vote upon the question or whenever the Chair shall so rule.
 - l) Vote on a motion.
6. The Chair may move a case out of regular agenda order.
 7. Staff Report
 8. Other Business posted on the Agenda
 9. Adjournment

F. Staff Recommendations

City staff shall provide recommendations on each case before the Board.

G. Action by the Board

The super-majority concurring vote of seventy-five percent of the full board compliment, i.e., four affirming members of the Board, shall be necessary to reverse an order, requirement, decision or determination of an administrative official or agency; to decide in favor of an applicant on a matter upon which the Board is required to pass under any such ordinance or regulation; to authorize a variation; or to recommend to the Director of Planning to uphold or modify the interpretation of the City Code. All other matters shall be decided by a majority vote, unless otherwise specified in the City Code. The Board on its own motion may table an application when an applicant does not appear; provided however, in no case may the board table an application, for failure of the applicant to appear, more than twice without taking a dispositive vote.

H. Minutes of the Board

The Board, through its designated appointee, shall keep minutes of all meetings that indicate the vote of each member on every question on which it is required to act, or the fact that a member is absent or fails to vote. The minutes shall be filed in the office of the Planning Department and are public record.

VIII. DECISIONS OF THE BOARD

A. Precedent

There is not precedent. Any one case does not set a precedent for any future case. Each case shall be decided on its own merits and upon the circumstances of the case.

B. Public Statements

No Board member shall release any official statement to the public or the press. Only the Director of the Planning Department or her designated representative may make official statements on behalf of the Board.

B. Parliamentary Procedure

Any question regarding parliamentary procedure not covered by these rules shall be decided according to the latest edition of Robert's Rules of Order.

IX. WITHDRAWAL OF APPEAL

Any appeal or application may be withdrawn by the applicant upon written notice to the Director of Planning.

X. ATTENDANCE

Excessive absences cannot be tolerated, as the Board depends on a super majority of attendance in order to exercise decisions on applications for a variance. Three absences or more in a six-month period are excessive. If a Board member is excessively absent from regularly scheduled meetings, the Board may recommend to City Commission, by majority vote, that the Commission appoint an immediate replacement.

XI. AMENDEMENT PROCEDURE

Amendment to these rules and procedures may be made by the Board at any meeting, upon the affirmative vote of five (5) members, provided any such amendment is proposed at a preceding meeting and entered into the minutes of such meeting. However, board members may adopt through unanimous consent of all members an amendment at the meeting at which it was introduced; provided, however, the amendment shall not become effective until the next regular meeting.
