

Community Development Block Grant

Action Plan FY 2019-2020

October 1, 2019—September 30, 2020

Executive Summary

AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

The U.S. Department of Housing and Urban Development (HUD) requires local jurisdictions to prepare a 3-5 year Consolidated Plan and Strategy (CPS) in order to receive federal funds through the Community Development Block Grant (CDBG), HOME Investment Partnerships (HOME), and Emergency Solutions Grant (ESG) Programs. The CPS serves the following functions:

- A planning document for local jurisdictions, which builds upon a participatory process at the grassroots level;
- An application for federal funds under HUD's formula grant programs;
- A strategy to be followed in carrying out HUD programs for 3-5 years; and
- An action plan that provides a basis for assessing performance.

The current five-year (FY 2018-2022) CPS was the result of an extensive needs assessment and community outreach process. The outreach efforts included the processes conducted during the development of the Assessment of Fair Housing (AFH), and the subsequent transformation of the AFH into the Analysis of Impediments, by the entitlement communities (and public housing authorities) in Hidalgo County including:

- Hidalgo County - Urban County Program (including the Cities of Alamo, Alton, Donna, Edcouch, Elsa, Granjeno, Hidalgo, La Joya, La Villa, Mercedes, Palmhurst, Palmview, Penitas, Progreso, Progreso Lakes, San Juan, Sullivan City, Weslaco and the unincorporated parts of the County)
- City of Edinburg
- City of McAllen
- City of Mission
- City of Pharr

While the entitlement communities approached the consultation collectively, each community assessed their individual needs, goals, objectives and outcomes. This assessment produced an independent Consolidated Plan and Strategy document. As had been done under the previous Consolidated Plans, independent Action Plan and CAPER documents will also be composed and remitted by each community. No aggregated data is intended to be reported under this Consolidated Plan. The preparation of this FY 2019-2020 One-Year Action Plan represents Year 2 of the FY 2018-2022 CPS.

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

Three national goals/objectives serve as the overall framework for the use of Consolidated Plan funds. The goals are (1) to provide decent housing, (2) create a suitable living environment and (3) expand economic opportunities, to principally benefit extremely low-, low-, and moderate-income individuals and families. Activities undertaken by Affordable Homes of South Texas, Inc. Catholic Charities of the RGV and RGV Habitat for Humanity address decent housing; all other programs serve to create a suitable living environment. No HUD-funded programs address expanding economic opportunities; such programs are funded by local dollars.

To determine benefits for low-income persons, HUD calculates income categories on an annual basis. Extremely low-income households have an income of 0-30% of Area Median Income (AMI). Low-income households have an income of 30-50% AMI and Moderate-income is defined as 50-80% AMI. All income levels are adjusted for family size.

Further, Consolidated Plan funded programs and projects must meet one of the following outcomes: (1) Availability/Accessibility, (2) Sustainability and (3) Affordability. Most subrecipient projects address Availability/Accessibility. Housing rehabilitation addresses Sustainability. Most housing construction projects address Affordability. These outcomes were developed by HUD in its Performance Measurement System.

Also, HUD has established a listing of Matrix Codes for projects funded with Consolidated Plan dollars. These Matrix Codes are prioritized at the local level based on the community needs assessment. Matrix Codes are categorized as either "High" or "Low" priorities. Priority designations are referenced throughout this document.

In summary, the following broadly defined activities are designated as "High" priorities:

- Housing - Construction, Counseling, Rehabilitation of Single and Multi-Unit Properties, Homeowner Assistance and Public Housing Modernization
- Infrastructure - Street Improvements, Water/Sewer Improvements, Sidewalk Construction, Flood/Drain Improvements and Repayments of Section 108 Loans
- Public Facilities - Youth Centers, Senior Centers, Homeless Facilities/Operating Costs, Neighborhood Facilities, Parks and Recreational Facilities, Fire Stations/Equipment and Health Centers

- Public Services - Social/Support Services for qualified individuals and families including services for seniors, children, youth, general population, handicapped persons, abused and neglected children and battered and abused spouses as well as transportation, health services and subsistence payments
- Economic Development - Financial resources/infrastructure upgrades intended to improve the business community including micro-enterprise loans, revolving loan funds and/or building acquisition, construction or rehabilitation

It is the intent of the City of McAllen to limit HUD resources to projects identified as "High" Priorities.

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

The City recognizes the need to achieve as many of its enumerated goals as financially viable. In order to assess annual performance, the City composes a Consolidated Annual Performance and Evaluation Report (CAPER). The FY 2017-2018 CAPER was the final annual report related to the previous FY 2013-2017 Consolidated Plan and Strategy.

In summary, the City noted the following accomplishments in the FY 2017-2018 CAPER:

- Eight Homes constructed
- Two Homes Rehabilitated
- Nearly 600 persons were provided medical services
- More than 5,000 people received food assistance
- Thirty-nine seniors were provided meals, medication assistance or medical services
- Twenty-three persons with special needs were taught life skills
- More than 450 youth received services
- Nearly 100 persons were provided transportation assistance

Review of the 5-year accomplishments served as the basis for development of the goals noted in the current CPS. In addition, the accomplishments also served as a basis for determining "High" Priorities. Although noted in the previous CPS, some Matrix Codes continue to represent "High" Priorities and will continue to be funded, as appropriate

4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.

As an entitlement community, a Citizen Participation Plan (CPP) has been adopted. Adherence to its particulars is detailed within this document in the section entitled "PR-15 Citizen Participation". Of note, the CPP mandates a minimum 15-day notification prior to holding a public hearing. The City held five public hearings regarding the development of this document.

Consultations with interested parties are detailed in "PR-10 Consultation". In brief, comments and consultations suggested a need for:

- Housing - Construction, Rehabilitation of Single-Unit Properties and Homeowner Assistance
- Infrastructure - Street Improvements and Water/Sewer Improvements
- Public Facilities - Homeless Facilities/Operating Costs, Neighborhood Facilities, and Parks and Recreational Facilities
- Public Services - Social/Support Services for seniors, children, youth/children, general population, handicapped persons, abused and neglected children and battered and abused spouses, transportation, health, provision of food and subsistence payments

In addition, this document was made available for public review for no less than 30-days as mandated by HUD. The City's comment period began on Monday, May 6, 2019 and expired on Monday, June 10, 2019.

One written comment was received during the 30-day comment period; it expressed a need for continued funding for transportation services.

Efforts to broaden citizen participation include the number of public hearings, locations of the hearings, the varied persons conducting the hearing (Advisory Board Members, City Commissioners and City Staff) as well as online outreach. Comments received and reasons for not accepting are further detailed in "PR-15 Citizen Participation". Efforts were also made to solicit broad participation through traditional means such as publications in the newspaper and postings outside City Hall as well as less traditional means such as internet postings and notices. The draft document of the Action Plan was made available at four locations: City Hall, the Main Library, Palm View Library and Community Center and Lark Library and Community Center.

The City of McAllen proposes to amend the FY 2019-2020 Action Plan to address the effects of COVID-19.

5. Summary of public comments

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

In order to solicit input, McAllen held five public hearings within its jurisdiction during the period of January - May 2019. Three public hearings were held before the Community Development Advisory Council, one was held during a regularly scheduled City Commission meeting and the final was held at the McAllen Public Housing Authority Family Development Center. Eighty-eight persons have attended the various hearings. All comments were considered and their effect on this Action Plan may be viewed in the Section entitled "PR-15 Citizen Participation". Further, the draft of the this document was made available for public comment beginning Monday, May 6, 2019 through an announcement in The Monitor, the newspaper of largest circulation. A subsequent announcement was placed in El Periodico, a Spanish-written newspaper . The comment period expired on June 10, 2019.

Public Hearing notices were also placed in the City's outside bulletin board which is readily accessible 24-hours a day. All public hearings occurred in handicapped accessible facilities.

6. Summary of comments or views not accepted and the reasons for not accepting them

The jurisdiction accepts all comments; however, with limited resources, not all comments/projects can be funded. Nonetheless, all comments contributed to a project's priority designation.

7. Summary

This document represents the second year of the FY 2018-2022 Consolidated Plan and Strategy. Submission of this application for funding is anticipated to be remitted on or about August 15, 2019.

Comment period is schedule to begin on Friday, May 15, 2020 through Thursday, May 21, 2020. Any comments received during the public hearing will be noted as will the reasons for accepting or not.

PR-05 Lead & Responsible Agencies – 91.200(b)

1. Agency/entity responsible for preparing/administering the Consolidated Plan

Describe the agency/entity responsible for preparing the Consolidated Plan and those responsible for administration of each grant program and funding source.

Agency Role		Name	Department/Agency
Lead Agency		MCALLEN	
CDBG Administrator	MCALLEN		Grant Administration-Community Development Office
HOPWA Administrator			
HOME Administrator	MCALLEN		Grant Administration-Community Development Office
ESG Administrator			
HOPWA-C Administrator	MCALLEN		Community Development

Table 1 – Responsible Agencies

Narrative (optional)

The City of McAllen's Grant Administration Department - Community Development (CD) Division assumed the lead in the development of the FY 2019-2020 One-Year Action Plan (OYAP) document. The CD Office administers the housing and community development programs covered by the CPS including those funded by Community Development Block Grant (CDBG) and HOME Investment Partnership Program (HOME). As the lead agency, staff coordinated the development and implementation of projects in line with the Consolidated Plan and Strategy and while considering input from a broad range of stakeholders, including a fourteen member panel which serve as the Community Development Advisory Council (CDAC). The CDAC is tasked with annually evaluating proposed projects, establishing timelines, conducting public hearings and broadly reviewing project expenditures. The CD Office and CDAC, in order to obtain input and solicit from interested parties, public agencies and community organizations, held several public hearings. Public notices were announced in English and Spanish written newspapers, posted on the City's notice board (physical and electronic) and the draft of the Action Plan was made available for the minimum 30-day comment period at four locations.

AP-10 Consultation – 91.100, 91.200(b), 91.215(I)

1. Introduction

The City of McAllen held three public hearings in order to solicit input from the community regarding its needs. From these consultations and assessments, this document was composed in draft form. Two additional public hearings were held in order to assess comments regarding the proposed projects and budgets noted in the draft document. Upon the completion of the 30-day comment period and subsequent approval by City Commission, the final document serves to identify the projects and programs to be funded during the second year of the FY 2018-2022 Consolidated Plan and Strategy.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(I))

The City coordinates its activities with a variety of organizations involved in the delivery of housing, homeless, non-homeless special needs, and community development activities. They include a designated Community Housing Development Organization (CHDO), the local Public Housing Authority, and various other community organizations whose fields of interest and services may include: seniors, handicapped persons, health/mental health, domestic violence/prevention, youth/children, persons with HIV/AIDS, homelessness and housing service providers as well as units of local governments that comprise the MSA (cities of Mission and Edinburg) and Hidalgo County.

Staff consulted with these entities to collect information about housing and community development activities and needs. These consultations addressed:

- Housing Needs
- Housing Market Analysis/Substandard Housing
- Public Housing Needs and Strategy
- Continuum of Care (Homeless)
- Non-Homeless Special Needs
- Lead-Based Paint Hazards
- Community Development

The listing of organizations with whom the City consulted is included in this Section: Question 2 - Agency/Group/Organization.

To enhance the coordination between public and assisted housing providers, the City solicited comments directly from Affordable Homes of South Texas, Inc. and RGV Habitat for Humanities as well as held a public hearing at the McAllen Housing Authority's Family Development Center. Further, health and mental health providers were contacted to determine gaps in services including Community HOPE

Projects, Inc., a CDBG supported entity who provides health and mental health services to low income persons throughout South Texas. Additional CDBG-funded health service providers include Access Esperanza Clinic, Easter Seals of the RGV and Comfort House Services, Inc. Mental health services are provided via Women Together's Batterer's Intervention and Prevention Program which are housed at the satellite office. McAllen also continues to nurture relationships with various non-profit agencies in an effort to identify and address gaps in essential services. The City often receives requests for letters of support from CDBG supported agencies in attempts to leverage HUD funds.

Further, the CD Office has an on-going relationship with personnel from the U.S. Census Bureau. Collaboration has focused on informing program beneficiaries and service providers about services/gaps, the needs of immigrants and strategizing for Census 2020. Although the entitlement communities opted to not create a regional Consolidated Plan, staff often assist one another in the development of programs, processes or oversight. One such intergovernmental meeting with staff from Edinburg, Mission and Urban County Program occurred in May 2019. Coordination among these different levels of local government, community organizations, and the public are essential to addressing the needs identified in the CPS.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

Hidalgo County is served by the Texas Homeless Network's (THN) Balance of State (BoS) for Continuum of Care (CoC) services. THN has a subcommittee designed to review CoC activities for the areas served under the BoS. Annually, the City participates in the Point-in-Time study which is coordinated by the THN. THN's statistical analysis of the PIT project results are one method of coordination and project implementation aimed at addressing the needs of homeless persons.

With regards to the Consolidated Plan, the City of McAllen participated in a teleconference with the other jurisdictions and THN staff regarding outreach the City undertook in order to gauge and address homelessness/prevent homelessness. And, although the City coordinates with Hidalgo County-Urban County Program and the Continuum of Care in efforts to identify the needs of the homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons who are at risk of becoming homeless, the City also makes funding available for homeless assistance and prevention programs. Services for chronically homeless individuals and families are most likely provided by The Salvation Army with its emergency shelter located within the City limits. Services for families with children, particularly those fleeing domestic violence, are most likely served by Women Together Foundation, Inc. Women Together operates an emergency shelter and a transitional housing complex for female victims of domestic violence and their children; both are also found within the City's limits. Veterans and unaccompanied youth as well as persons affected by the immigration crisis are served by Catholic Charities of the RGV. Persons threatened with homelessness are often assisted by The Salvation Army, Catholic Charities of the RGV or

Silver Ribbon Community Partners. All four organizations were consulted during the development of the Consolidated Plan and will receive CDBG support from the City of McAllen. This data remains the basis of funding projects related to homelessness and/or homelessness prevention.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

The City of McAllen does not anticipate receiving ESG funds for the Consolidated Plan and Strategy timeframe. However, if funds are awarded, Standard Operating Procedures governing the award of HUD-awarded grants will require staff to prepare an application and publish a Notice of Funding Availability. Once received, applications will be presented to the Community Development Advisory Committee (CDAC). The CDAC is composed of fourteen residents who make recommendations to the City Commission regarding Community Development/HOME/ESG or any other HUD-awarded programs.

As with the other HUD programs, the City has established a berth for evaluation of performance and outcomes. The City allows for a 25% range in expected versus actual outcomes and expenditures in order to determine the success of a project. Along with this evaluation, staff considers the amount leveraged, monitoring/auditing reports and project's impact to determine future funding.

The Homeless Management Information System (HMIS) is operated by the THN. This system provided the most accurate assessment of unduplicated homeless persons/families and persons threatened with homelessness to date. While not all homeless service providers have access to the system/are required to use the system, Urban County Program requires the use of HMIS for homeless service providers using ESG, exclusive of those serving victims of domestic violence. If funded with ESG, the City will implement this requirement as well. Costs associated with maintaining HMIS will be eligible for reimbursement with ESG funds to the extent that they are available.

Because the oversight of HMIS falls on THN, the City will implement THN's policies and procedures for the use of HMIS. In particular, City staff and ESG recipients will execute user agreements that outline rules of behavior. HMIS will remain the primary means to maintain client and agency level data regarding homeless issues. Information will be extracted and reported in HUD's Integrated Disbursement and Information System (IDIS) either at the project level or as part of the CAPER narrative.

2. Describe Agencies, groups, organizations and others who participated in the process and describe the jurisdiction's consultations with housing, social service agencies and other entities

Table 2 – Agencies, groups, organizations who participated

1	Agency/Group/Organization	AFFORDABLE HOMES OF SOUTH TEXAS, INC.
	Agency/Group/Organization Type	Services - Housing Services-Elderly Persons Services-Persons with Disabilities Service-Fair Housing Regional organization Community Development Financial Institution Neighborhood Organization
	What section of the Plan was addressed by Consultation?	Housing Need Assessment Non-Homeless Special Needs Market Analysis Lead-based Paint Strategy
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Agency provided input during public hearings. Outcomes: Housing (Construction of Housing, Rehabilitation; Single-Unit Residential and Direct Homeownership Assistance) - High Priorities; provide decent affordable housing by increasing availability/accessibility, and sustainability of affordable housing stock; construction of housing programs funded.
2	Agency/Group/Organization	McAllen Public Utilities
	Agency/Group/Organization Type	Other government - Local Grantee Department
	What section of the Plan was addressed by Consultation?	Infrastructure Needs
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Municipal Public Utilities Department provided input during public hearings. Outcomes: Water/Sewer Improvements - High Priority; provide a suitable living environment by increasing availability/accessibility of water/sewer improvements; projects funded.

3	Agency/Group/Organization	AMIGOS DEL VALLE, INC.
	Agency/Group/Organization Type	Housing Services - Housing Services-Elderly Persons Services-Persons with Disabilities Services-Health Regional organization
	What section of the Plan was addressed by Consultation?	Non-Homeless Special Needs Anti-poverty Strategy Public Service Assessment
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Agency provided input during public hearings. Outcomes: Senior Services - High Priority; provide a suitable living environment by increasing availability/accessibility of senior services; project funded.
4	Agency/Group/Organization	Access Esperanza Clinics, Inc.
	Agency/Group/Organization Type	Services-homeless Services-Health Services-Education Health Agency
	What section of the Plan was addressed by Consultation?	Non-Homeless Special Needs Anti-poverty Strategy Public Service Assessment
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Agency provided input during public hearings. Outcomes: Health Services - High Priority; provide a suitable living environment by increasing availability/accessibility of health services; project funded.

5	Agency/Group/Organization	BOYS AND GIRLS CLUB OF MCALLEN
	Agency/Group/Organization Type	Services-Children Neighborhood Organization
	What section of the Plan was addressed by Consultation?	Non-Homeless Special Needs Anti-poverty Strategy Public Service Assessment
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Agency provided input during public hearings. Outcomes: Child care and Youth Services - High Priorities; provide a suitable living environment by increasing availability/accessibility of child care and youth services; project funded.
6	Agency/Group/Organization	C.A.M.P. University
	Agency/Group/Organization Type	Services-Persons with Disabilities
	What section of the Plan was addressed by Consultation?	Non-Homeless Special Needs Anti-poverty Strategy Public Service Assessment
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Agency provided input during public hearings. Outcomes: Other Public Facilities and Handicapped Services - High Priorities; provide a suitable living environment by increasing availability/accessibility of handicapped services; projects funded.

7	Agency/Group/Organization	CATHOLIC CHARITIES OF RGV
	Agency/Group/Organization Type	Housing Services - Housing Services-Children Services-Elderly Persons Services-Persons with Disabilities Services-Persons with HIV/AIDS Services-homeless Services-Health Services - Victims Regional organization
	What section of the Plan was addressed by Consultation?	Housing Need Assessment Homeless Needs - Chronically homeless Homeless Needs - Families with children Homelessness Needs - Veterans Homelessness Needs - Unaccompanied youth Homelessness Strategy Non-Homeless Special Needs Anti-poverty Strategy Public Service Assessment
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Agency provided input during public hearings. Outcomes: Homeless Services (prevention and subsistence payments) - High Priorities; provide decent housing by increasing sustainability of housing stock and provide a suitable living environment by increasing availability/accessibility of public services; project funded.

8	Agency/Group/Organization	Children's Advocacy Center of Hidalgo County -Estrella's House
	Agency/Group/Organization Type	Services-Children Services-Victims of Domestic Violence Services - Victims Child Welfare Agency Publicly Funded Institution/System of Care
	What section of the Plan was addressed by Consultation?	Non-Homeless Special Needs Public Service Assessment
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Agency provided input during public hearings. Outcomes: Abused and Neglected Children Services - High Priority; provide a suitable living environment by increasing availability/ accessibility of services for abused and neglected children; project funded.
9	Agency/Group/Organization	Community Hope Projects, Inc. dba Hope Family Health Center
	Agency/Group/Organization Type	Housing Services - Housing Services-Children Services-Elderly Persons Services-Persons with Disabilities Services-homeless Services-Health Health Agency
	What section of the Plan was addressed by Consultation?	Homeless Needs - Chronically homeless Homeless Needs - Families with children Homelessness Needs - Unaccompanied youth Homelessness Strategy Non-Homeless Special Needs Public Service Assessment

	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Agency provided input during public hearings. Outcomes: Health Services - High Priority; provide a suitable living environment by increasing availability/accessibility of health services; project funded.

	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Agency provided input during public hearings. Outcomes: Housing (Construction of Housing and Rehabilitation; Single-Unit Residential)- High Priorities; provide decent affordable housing by increasing availability/accessibility, and sustainability of affordable housing stock; projects funded.

Identify any Agency Types not consulted and provide rationale for not consulting

No agencies were intentionally omitted. To compile the contact list, staff utilized listings of organizations that had previously been funded or had inquired about funding. Further, public notices were posted on the municipal bulletin board, within the newspaper of largest general circulation and within a Spanish-written newspaper soliciting comments from interest parties and the general public.

Other local/regional/state/federal planning efforts considered when preparing the Plan

Name of Plan	Lead Organization	How do the goals of your Strategic Plan overlap with the goals of each plan?
Continuum of Care	Texas Homeless Network	Provision of Homeless Prevention Programs and addition of affordable housing units throughout the community
Adopted Annual Budget	City of McAllen	Provision of local funds which may support or supplement CDBG funded agencies and/or projects.

Table 3 – Other local / regional / federal planning efforts

Narrative (optional)

Additional agencies

- Business and Civic Leaders - representatives on the CD Advisory Council
- Code Enforcement/Health Department - Lead-Based Paint, Housing, Illegal Dumping and Revitalization Areas

Planning Process to Narrow Digital Divide

McAllen ISD provides iPads or Chromebooks to its students. Wi-Fi internet is available at MISD campuses and at City facilities. However, in order to further narrow the digital divide, low-cost internet services, provided by ATT, is available to qualified residences. WiFi is also available in many of the city's public spaces such as parks, airport and three libraries/community centers.

Increased Resilience to Natural Hazards

As the City saw during the disastrous flooding in June 2018 and again in 2019, drainage improvement projects are a necessary component of the City's services. Each year, the City Engineer and/or the City's Drainage Engineer present the CD Council with applications based on the previous year's calls for assistance, street closures, property damage assessments and/or other variables. The City Engineer is a key staff member in the City's Emergency Management Plan and also serves as the local flood plain administrator. Within her purview lies services complementary to the provision of drainage such as street improvements, traffic assessments, sidewalk improvements (curb and gutter) and GIS planning and mapping. In an effort to increase community resiliency, the CDBG program consistently funds water/sewer improvements projects and, during severe weather, CD staff may serve as a liaison with residents and service organizations providing support in low and moderate-income areas. And, due to the June 2018 flooding, FEMA funds have been allocated to the region in order to address the Presidentially declared disaster. In addition, voters approved a bond for the provision of additional drainage projects throughout the community. Progress may be followed on the City's bond website.

Further, the McAllen Public Utilities is responsible for the provision of safe drinking water and sanitary sewer services. Recently, MPU upgraded or constructed new facilities for these services. CDBG funds are often used to assist in low-income areas by replacing aging water and sewer infrastructure. Through upgrades/new construction, the now stable infrastructure is less likely to be negatively impacted during hazardous weather/situations.

Also, outdoor recreational space is used by the City as part of the drainage system. City/school parks at Jackson Elementary and McAuliffe Elementary serve as detention ponds to retain water during heavy rain events. The joint use of land serves to showcase the partnership between the City and McAllen school district and provide for hazard mitigation.

Staff from the Engineering Department, McAllen Public Utilities, and McAllen school district were consulted during the development of the Consolidated Plan and this Action Plan.

AP-12 Participation – 91.105, 91.200(c)

1. Summary of citizen participation process/Efforts made to broaden citizen participation Summarize citizen participation process and how it impacted goal-setting

The City of McAllen adopted a Citizen Participation Plan which will:

- Provide for and encourage citizen participation, with particular emphasis on participation by persons of low and moderate income, residents of slum and blight areas and/or residents of low and moderate income neighborhoods;
- Provide citizens with reasonable and timely access to local meetings, information and records relating to the grantee's proposed use of HUD funds;
- Provide for technical assistance to groups or persons of low and moderate income that request assistance in developing proposals;
- Provide for public hearings to obtain citizen views and to respond to proposals and questions at all stages of the community development program;
- Provide for timely written responses to written complaints; and
- Identify how the needs of the non-English speaking residents will be met where a significant number of non-English speaking residents can be reasonably expected to participate.

During the composition of the One-Year Action Plan, five public hearings and a 30-day comment period were instituted to solicit comments. Comments included need for:

- Child Care Services
- Food Banks
- Handicapped Services/Services for the Disabled
- Health Services
- Homeless Facilities
- Housing - Construction and Rehabilitation
- Other Public Facilities and Improvements
- Other Public Services

- Parks and Recreational Facilities
- Senior Services
- Services for Abused and Neglected Children
- Subsistence Payments
- Transportation Services
- Water/Sewer Improvements
- Youth Services

The above-listed activities impacted goal setting through their identification as "High" priorities.

Efforts made to broaden citizen participation include the use of the 14-member Community Development Advisory Council, notices placed online, notices placed in Spanish-written newspapers, draft documents available at the main library and two branch libraries/community centers as well as traditional means of announcement/notices such as the use of the external bulletin board and advertisements in The Monitor. Public Hearing notices appear at least 15-days prior to said hearing,

Copies of publications can be viewed in the Grantee's Unique Attachments.

The proposed amendment to the FY 2019-2020 Action Plan solicits comments for five days beginning May 15 through May 21, 2020.

Expected Resources

AP-15 Expected Resources – 91.220(c)(1,2)

Introduction

The City of McAllen is anticipating entitlement grant resources totaling \$3,430,509 during the next fiscal year (October 1, 2019 - September 30, 2020) to address obstacles to meet underserved needs, foster decent housing, and enhance communication between housing and social service agencies. The results of these activities will be reported in the Consolidated Annual Performance Evaluation Report to be

remitted to HUD in December 2020.

Anticipated Resources

Program	Source of Funds	Uses of Funds	Expected Amount Available Year 1				Expected Amount Available Remainder of ConPlan \$	Narrative Description
			Annual Allocation: \$	Program Income: \$	Prior Year Resources: \$	Total: \$

Table 5 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

The City of McAllen encourages non-profit subrecipients and municipal departments to leverage HUD funds with other resources. For FY 2019-2020, CDBG funds are expected to leverage approximately \$3 for every HUD dollar awarded to the City. The largest source of leverage is

expected from federal programs, including other HUD funds.

The amounts to be used this fiscal year to address Community Development Activities are:

- Federal (Award) - \$1,532,133
- Program Income (CBDO Proceeds) - \$750,000Local Leverage - \$204,995State Leverage - \$2,153,400Federal Leverage - \$466,283Other Leveraged HUD Funds - 1,415,660Private Leverage - \$985,882

The amounts to be used this fiscal year to address HOME Investment Partnership Program Activities are:

- Federal Award - \$481,562
- CHDO Proceeds - \$575,000Local Leverage - \$100,000Private Leverage - \$1,065,000

With the HOME program, the City will use no other forms of investment other than those described in 24 CFR 92.205(b). As an economically distressed area, the City has been waived (100%) from its HOME matching requirement as noted in the July 2019 release.

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

Publicly-owned land, specifically parks and McAllen ISD properties, may be rehabilitated for improvements/increased use as green or open space. It is not anticipated that any other publicly owned land or property will be used to address community development needs. Nonetheless, public property may be used to house public service activities such as using the library or community centers for educational programs, recruitment, fairs, distribution centers, etc.

For FY 2019-2020, ten City/School park projects are scheduled to be improved with CDBG funds.

Additionally, three city parks will be rehabilitated.

Discussion

The City's budget for FY 2019-2020 is anticipated to be a total award of \$2,069,835 (including reprogrammed funds) with a leverage of \$6,966,220 comprised of:

- Community Development Block Grant Funds

- Allocation:\$1,593,947
- Re-programmed Funds: \$30,000
- Leverage: \$5,226,220
- CBDO Proceeds: \$750,000 (Noted on the Priority Table in the Program Income Field)
- Total funds dedicated towards housing and community development needs:\$6,850,167

- HOME Investment Partnership Program

- Allocation:\$481,562
- Leverage: \$1,165,000CHDO Proceeds: \$575,000 (Noted on the Priority Table in the Program Income Field)
- Total funds dedicated towards housing needs: \$2,221,562

CBDO and CHDO Proceeds are funds which have been generated from the use of previous CDBG or HOME funded activities. These funds remain with Affordable Homes of South Texas, Inc. for the continuation of affordable housing within the City.

Table 7 - Project Information

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

During the Consolidated Planning process, entitlement staff coordinated their community-wide consultations with public agencies and community organizations, in addition to conducting the citizen participation processes within their communities. Staff then met as a group to analyze the results from these needs assessment activities, and determined the similarities and differences of their resulting priorities. A similar process occurred with this Action Plan.

As a result, the City will attempt to expend public funds in a manner that helps ensure funds make the most significant impact according to the issues brought forward by public agencies, community organizations, and residents during the community-wide consultation and citizen participation processes. In order to address financial obstacles, the City will direct their scarce resources toward projects that will leverage the commitment of other public and private sector support whenever possible.

An ongoing concern to addressing underserved needs is the consistent number of persons crossing the border illegally. The area has seen an influx of illegal border crossers, many of whom are underaged and, often, unaccompanied minors. This phenomenon has stretched local service providers and

government resources. Although federal funds have been allocated, the system of reimbursement remains in flux. Further services provided by municipalities are less likely to be reimbursed than those direct services such as housing and food provision, provided by non-profit organizations.

	Estimate the number and type of families that will benefit from the proposed activities	2,330 Persons living in Census Tracts 207.23 Block Group 1 with 77.48% of residents being of low and moderate income
	Location Description	Kendlewood Ave. between 20th St. and E. Bicentennial Blvd.
	Planned Activities	Drainage Improvements
2	Project Name	2019 MPU - Hackberry Ave. Waterline Improvements
	Target Area	CDBG ELIGIBLE CENSUS TRACTS
	Goals Supported	03J: Water/Sewer Improvements
	Needs Addressed	Infrastructure
	Funding	CDBG: \$136,292
	Description	Funds will install water lines along Hackberry between Bicentennial and 20th St.
	Target Date	3/31/2021
	Estimate the number and type of families that will benefit from the proposed activities	2,330 Persons living in Census Tract 207.23 Block Group 1 with 77.4% of residents being of low and moderate income
	Location Description	Hackberry Ave between 20th St. and East Row line of Bicentennial Blvd
	Planned Activities	Drainage Improvements
3	Project Name	2019 PARD - Retama Park
	Target Area	CDBG ELIGIBLE CENSUS TRACTS
	Goals Supported	03F: Parks and Recreational Facilities

	Needs Addressed	Public Facilities
	Funding	CDBG: \$75,000
	Description	Funds will be used for playground equipment, basketball court work and fitness station
	Target Date	3/31/2021
	Estimate the number and type of families that will benefit from the proposed activities	1,810 Persons living in Census Tract 207.23 Block Group 2 with 58.8% of residents being of low and moderate income
	Location Description	Retama Park - 2500 Laurel
	Planned Activities	Park Improvements
4	Project Name	2019 PARD - Suarez Park
	Target Area	CDBG ELIGIBLE CENSUS TRACTS
	Goals Supported	03F: Parks and Recreational Facilities
	Needs Addressed	Public Facilities
	Funding	CDBG: \$142,000
	Description	Funds will be used for restrooms, playground areas, fencing and site amenities
	Target Date	3/31/2021
	Estimate the number and type of families that will benefit from the proposed activities	2,375 Persons living in Census Tract 206 Block Group 1, 2 and 3 with 74.3% of residents being of low and moderate income
	Location Description	Suarez Park - 409 S. 27th St.
	Planned Activities	Park Improvements
5	Project Name	2019 PARD - Uvalde Field Lighting
	Target Area	CDBG ELIGIBLE CENSUS TRACTS
	Goals Supported	03F: Parks and Recreational Facilities
	Needs Addressed	Public Facilities
	Funding	CDBG: \$280,000
	Description	Funds will be used for the addition of field lighting at Uvalde Fields
	Target Date	3/31/2021

	Estimate the number and type of families that will benefit from the proposed activities	2,625 Persons living in Census Tracts 205.04 Block Group 3 with 57.1% of residents being of low and moderate income
	Location Description	Uvalde Fields - 2801 Uvalde Ave., 78503
	Planned Activities	Park Improvements
6	Project Name	2019 AHSTI - New Construction
	Target Area	CDBG ELIGIBLE CENSUS TRACTS
	Goals Supported	12: Construction of Housing
	Needs Addressed	Housing
	Funding	CDBG: \$50,000
	Description	Funds will be used for the construction of one home
	Target Date	9/30/2020
	Estimate the number and type of families that will benefit from the proposed activities	1 household/family
	Location Description	Qualifying Low and Moderate Income Census Tract/Block Group
	Planned Activities	Housing
7	Project Name	2019 C.A.M.P. University Improvements
	Target Area	
	Goals Supported	03: Other Public Facilities and Improvements
	Needs Addressed	Public Facilities
	Funding	CDBG: \$8,000
	Description	Funds will be used for the partial purchase and installation of a sprinkler system
	Target Date	9/30/2020
	Estimate the number and type of families that will benefit from the proposed activities	22 Adults with Special Needs
	Location Description	4200 N. Main, McAllen
	Planned Activities	Facilities Improvements

8	Project Name	2019 MISD - City /School Pavilion Enhancement
	Target Area	CDBG ELIGIBLE CENSUS TRACTS
	Goals Supported	03F: Parks and Recreational Facilities
	Needs Addressed	Public Facilities
	Funding	CDBG: \$45,500
	Description	Funds will be used for the repair, sanding, priming and painting of city/parks pavilions
	Target Date	9/30/2020
	Estimate the number and type of families that will benefit from the proposed activities	Neighbors and students of 13 McAllen ISD campuses which will include low-, moderate-, middle and upper income households; 74,860 persons reside in the project areas
	Location Description	Alvarez Elementary: 2606 Gumwood Bohnam Elementary: 2501 Jordan Escandon Elementary: 2901 Colbath Fields Elementary: 500 W. Dallas Sam Houston Elementary: 3221 Olga Jackson Elementary: 501 Harvey McAuliffe Elementary: 3000 W. Daffodil Navarro Elementary: 2100 Hackberry Roosevelt Elementary: 4801 S. 26th St. Seguin Elementary: 2200 N. 29th St. Thigpen-Zavala Elementary: 2500 Galveston Wilson Elementary: 1200 Hackberry Crockett Campus: 2112 N. Main
	Planned Activities	Parks Improvements
9	Project Name	2019 MISD City/School Pavilion Lighting Enhancement
	Target Area	CDBG ELIGIBLE CENSUS TRACTS
	Goals Supported	03F: Parks and Recreational Facilities
	Needs Addressed	Public Facilities
	Funding	CDBG: \$84,500

	Description	Funds will be used for the replacement of current light fixtures to LED fixtures
	Target Date	9/30/2020
	Estimate the number and type of families that will benefit from the proposed activities	Neighborhood and students from 13 McAllen ISD campuses which will include low-, moderate-, middle and upper income households; 78,860 persons reside in the project areas
	Location Description	Alvarez Elementary: 2606 Gumwood Bohnam Elementary: 2501 Jordan Escandon Elementary: 2901 Colbath Fields Elementary: 500 W. Dallas Sam Houston Elementary: 3221 Olga Jackson Elementary: 501 Harvey McAuliffe Elementary: 3000 W. Daffodil Navarro Elementary: 2100 Hackberry Roosevelt Elementary: 4801 S. 26th St. Seguin Elementary: 2200 N. 29th St. Thigpen-Zavala Elementary: 2500 Galveston Wilson Elementary: 1200 Hackberry Crockett Campus: 2112 N. Main
	Planned Activities	Parks Improvements
	Planned Activities	Parks Improvements
10	Project Name	2019 MISD - Travis Middle School Tennis Court Resurfacing
	Target Area	CDBG ELIGIBLE CENSUS TRACTS
	Goals Supported	03F: Parks and Recreational Facilities
	Needs Addressed	Public Facilities
	Funding	CDBG: \$65,000
	Description	Funds will be used for court resurfacing, new backboards, netting and fencing
	Target Date	9/30/2020

	Estimate the number and type of families that will benefit from the proposed activities	Neighbors and students of Travis Middle School which will include low-, moderate-, middle and upper income households; 12,605 persons reside in the project area
	Location Description	Travis Middle School: 600 E. Houston
	Planned Activities	Parks Improvements
11	Project Name	2019 Habitat for Humanity
	Target Area	
	Goals Supported	14A: Rehab: Single-Unit Residential
	Needs Addressed	Housing
	Funding	CDBG: \$20,000
	Description	Funds will pay for accessibility improvements, mobility modifications & minor repairs
	Target Date	9/30/2020
	Estimate the number and type of families that will benefit from the proposed activities	5 Elderly Households
	Location Description	City Wide
	Planned Activities	Housing
12	Project Name	2019 Women Together Foundation, Inc. - Emergency Shelter
	Target Area	
	Goals Supported	03C: Homeless Facilities
	Needs Addressed	Housing
	Funding	CDBG: \$8,363
	Description	Funds will be used for the purchase and installation of cameras and security doors
	Target Date	9/30/2020
	Estimate the number and type of families that will benefit from the proposed activities	419 Extremely Low-Income Women and Children fleeing domestic violence
	Location Description	511 N. Cynthia, McAllen

	Planned Activities	Homeless Facilities Improvements
13	Project Name	2019 Women Together Foundation, Inc. - Satellite Center
	Target Area	
	Goals Supported	03: Other Public Facilities and Improvements
	Needs Addressed	Public Facilities
	Funding	CDBG: \$20,000
	Description	Funds will be used facility improvements (A/C, restrooms, parking lot and flooring)
	Target Date	9/30/2020
	Estimate the number and type of families that will benefit from the proposed activities	300 single males participating in Batterer's Intervention and Prevention Programs
	Location Description	420 N. 21st St.
	Planned Activities	Homeless Facilities Improvements
14	Project Name	2019 Access Esperanza Clinics, Inc.
	Target Area	
	Goals Supported	05M: Health Services
	Needs Addressed	Public Services including Homeless Needs
	Funding	CDBG: \$15,000
	Description	Funds will be used for physical exams, pap diabetes, lipid and STI testing and lab work
	Target Date	9/30/2020
	Estimate the number and type of families that will benefit from the proposed activities	75 Low-and Moderate - Income Women
	Location Description	916 East Hackberry Ave., Suite B, McAllen
	Planned Activities	Health Services
15	Project Name	2019 Amigos Del Valle, Inc.
	Target Area	
	Goals Supported	05A: Senior Services

	Needs Addressed	Public Services including Homeless Needs
	Funding	CDBG: \$16,660
	Description	Funds will be used for the delivery of noon meals to homebound elderly
	Target Date	9/30/2020
	Estimate the number and type of families that will benefit from the proposed activities	15 elderly residents
	Location Description	4138 Crosspoint Blvd., Edinburg
	Planned Activities	Senior Services
16	Project Name	2019 Boys and Girls Club of McAllen
	Target Area	
	Goals Supported	05L: Child Care Services
	Needs Addressed	Public Services including Homeless Needs
	Funding	CDBG: \$15,000
	Description	Funds will be used for membership, sports and /or summer camp scholarships
	Target Date	9/30/2020
	Estimate the number and type of families that will benefit from the proposed activities	444 Children/Youth from Low-and Moderate-Income Families
	Location Description	2620 W. Galveston, McAllen
	Planned Activities	Child Care Services
17	Project Name	2019 C.A.M.P. University Services
	Target Area	
	Goals Supported	05B: Handicapped Services
	Needs Addressed	Public Services including Homeless Needs
	Funding	CDBG: \$14,000
	Description	Funds will reimburse salaries of persons who provide services for special needs clientele

	Target Date	9/30/2020
	Estimate the number and type of families that will benefit from the proposed activities	22 Low-Income Adult Persons with Special Needs

	Planned Activities	Planning
42	Project Name	2019 COVID-19 Administration
	Target Area	
	Goals Supported	21A: Administration
	Needs Addressed	Administration
	Funding	CDBG-CV: \$40,274
	Description	Funds will be used for program administration of the CDBG-CV program
	Target Date	12/31/21
	Estimate the number and type of families that will benefit from the proposed activities	N/A
	Location Description	1300 Houston, McAllen
	Planned Activities	Administration

AP-50 Geographic Distribution – 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

All Census Tracts within the City contain a preponderance of minorities. Nonetheless, CDBG resources are more narrowly focused on low income areas within the City, particularly south of Pecan Blvd. A map indicating low income areas are found within this document. Project maps are included as an attachment. These locally-created maps overlays project sites with low income Census Tracts.

Geographic Distribution

Target Area	Percentage of Funds
CDBG ELIGIBLE CENSUS TRACTS	59

Table 8 - Geographic Distribution

Rationale for the priorities for allocating investments geographically

CDBG regulations stipulate that projects which have an area-wide impact must primarily benefit low-income persons. The City uses 2010 Census Tracts and Block Groups to identify projects' geographic boundaries. Then, the City uses HUD's Web AppBuilder for ArcGIS (Low- and Moderate-Income Area Data, based on 2011-2015 ACS) to compute the percentage of low income households.

The FY 2019-2020 projects that were deemed eligible using area-wide benefit/allocated geographically are:

- McAllen Public Utilities - Kendlewood Ave. Waterline Improvements
- McAllen Public Utilities - Hackberry Ave. Waterline Improvements
- McAllen ISD - City/School Pavilion Enhancement
- McAllen ISD - City/School Lighting Enhancement
- McAllen ISD - Travis Middle School Tennis Court Resurfacing
- Parks and Recreation Dept. - Retama Park
- Parks and Recreation Dept. - Suarez Park
- Parks and Recreation Dept. - Uvalde Fields Lighting
- Code Enforcement and Health - Illegal Dumping Prevention

Discussion

CDBG funds are more narrowly focused within qualified Census Tracts/Block Groups, areas where more than 51% of residents are of low and moderate income. In addition, many non-profit organizations operate from low income Census Tracts or have satellite offices within the eligible areas. Because American Community Survey data is gathered annually, it is possible that currently-qualified Census

Tracts/Block Groups may cease to remain qualified. While it is possible that changes to eligibility may occur, it is anticipated that area benefit projects will remain eligible through the funding period. Nonetheless, the City is compliant in determining eligibility through the use of guidance provided in CPD Notice 19-02 that began April 2019.

Affordable Housing

AP-55 Affordable Housing – 91.220(g)

Introduction

Affordable Housing is a "High" priority need for the City of McAllen. CDBG, HOME and ESG funds are the primary mechanism used to address the housing needs faced by the general low income population, persons with special needs, the elderly, and homeless individuals and families. Of note, any ESG funds provided to homeless services providers will be on behalf of Hidalgo County - Urban County Program as the City of McAllen did not receive ESG funds for FY 2019 - 2020.

One Year Goals for the Number of Households to be Supported

Table 10 - One Year Goals for Affordable Housing by Support Type

Discussion

Emergency shelter/transitional housing services will be provided by The Salvation Army and Women Together Foundation, Inc. Homeless prevention services will be undertaken on behalf of Catholic Charities of the Rio Grande Valley, Silver Ribbon Community Partners and The Salvation Army. Nine households are estimated to be provided rental assistance.

Permanent housing activities will primarily be undertaken by Affordable Homes of South Texas and RGV Habitat for Humanity. Their goals are assisting:

- Five owner-occupied households will be rehabilitated and it is estimated that two households will have an income between 0-30% of Area Median, two households will have an income between 30-50% of Area Median and one will have an income of between 50-80% AMI. Thirteen

homes will be constructed via Community Housing Development Organization (CHDO) HOME activities and one via Community Based Development Organization (CBDO) CDBG New Construction; of these, 4 households will have incomes between 60-80% AMI, 7 households will have incomes between 50-60% AMI and 3 will have incomes between 30-50% AMI; 7 homes will be single-parent households, 4 will be two-parent households; 2 will be single households and 1 will be an "other" type household

To address COVID-19 effects:

- CDBG- CV Funds will be used to prevent homelessness for 100 persons
- HOME TBRA will be used to prevent homelessness for 30 Households

AP-60 Public Housing – 91.220(h)

Introduction

Staff of the McAllen Housing Authority (MHA) was consulted during the development of the FY 2018-2022 Consolidated Plan and Strategy including the 2019 -2020 Action Plan. MHA staff provided an overview of their current portfolio, waiting lists, handicapped units and waitlist for traditional and handicap compliant units utilizing the public housing and Section 8 programs. Further, on May 24, 2019, a public hearing was held onsite at MHA's Family Development Center to encourage MHA client participation.

Actions planned during the next year to address the needs to public housing

No CDBG or HOME funds will be provided directly to the McAllen Housing Authority; however, other HUD funds will be utilized to assist residents maintain decent, safe and sanitary housing. Nonetheless, City staff assists the housing authority prepare environmental reviews, as necessary, for the use of federal funds. And, the City continues to stay actively involved in public housing concerns because the Mayor appoints persons to MHA Board of Directors. In addition, MHA is one partner organization in the City's Housing Coalition. Lastly, it is worth noting that City staff continues to collaborate with MHA staff for the improvement of the facility, resident initiatives and programmatic tasks such as updates, improvements or changes to the Contributing Factors included in the City's Analysis of Impediments that will help guide City and Housing Authority programs and policies.

Actions to encourage public housing residents to become more involved in management and participate in homeownership

Management of the public housing authority coordinates meetings with residents to discuss operations of the housing authority. The MHA Resident Advisory Board meets monthly to discuss resident initiatives and enact policies. Further, McAllen Housing Authority and Affordable Homes of South Texas, Inc. (AHSTI) began a successful program utilizing Section 8 vouchers for homeownership in 2004. Information on acquiring/purchasing affordable homes from AHSTI is readily available at the Housing Authority. The City's HOME funds may be used to assist these Section 8 Homeownership Recipients transition into homeownership.

If the PHA is designated as troubled, describe the manner in which financial assistance will be

provided or other assistance

N/A

Discussion

The McAllen Housing Authority has 138 fully-occupied Public Housing units and 1,269 Section 8/Housing Choice Vouchers. In addition to these two federal programs, the McAllen Housing Authority, through its affiliates, owns and manages six (6) housing developments that offer an additional 338 affordable rental units within the community and the agency is currently overseeing the construction of one of the two awarded LIHTC projects.

AP-65 Homeless and Other Special Needs Activities – 91.220(i)

Introduction

The City of McAllen did not receive Emergency Solutions Grant (ESG) funds for FY 2019 -2020. ESG funds are the primary mechanism to provide services for homeless individuals and families as well as prevent homelessness. As previously mentioned, the sole ESG recipient in the area is Hidalgo County - Urban County Program. However, Community Development Block Grant (CDBG) funds will be used to assist homeless individuals and families and prevent households from becoming homeless. Services to benefit persons with special needs also utilize CDBG program funds.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

The City will continue to serve as a referral service to agencies funded by CDBG. Three agencies will undertake the majority of services provided to homeless individuals using CDBG awarded funds:

- Catholic Charities of the Rio Grande Valley will provide homeless prevention and rapid rehousing services for five households.
- The Salvation Army will use funds to also provide homeless prevention or homeless assistance services and transportation vouchers to relocate persons with their families while also assisting shelter clients with clothing. The project will assist seventeen homeless and non-homeless individuals.
- Women Together Foundation, Inc. will use funds to address the needs of residents residing Emergency Shelter. More than 400 women and children who are victims of domestic violence will benefit from the project.

Unsheltered homeless individuals represent one of the hardest cases to address. These individuals often have substance abuse, mental illness or other significant concerns which contribute to their homeless status. Unsheltered homeless will likely seek assistance from The Salvation Army. It is anticipated they will have the highest number of persons assisted with rapid rehousing which is primarily funded by the Emergency Solutions Grant from Hidalgo County - Urban County Program.

Non-U.S. resident adults and unaccompanied minors further represent some of the hardest cases to address. Their experiences with their governments and aid workers have often left them concerned about seeking assistance. The City and other non-profit groups have struggled to provide services

for these undocumented individuals. Passage of legislation regarding citizenship may further prevent this group of people from seeking assistance. Nonetheless, efforts to stabilize these individuals and provide safe housing continue using other sources of funds.

Addressing the emergency shelter and transitional housing needs of homeless persons

CDBG funds will be used to fund the single emergency shelter for the general population in Hidalgo County. It is operated by The Salvation Army and located within the City of McAllen. An emergency shelter and a transitional housing complex exists for victims of domestic violence. They are operated by Women Together Foundation, Inc. and are both found within the City's limits. The Women Together Emergency Shelter will receive CDBG assistance for FY 2019 - 2020.

Nonetheless, a transitional housing complex remains needed for the general population; however, with limited resources, no homeless service provider has actively sought construction of a transitional housing facility.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

Victims of domestic violence who utilize the transitional housing complex are the most likely group of formerly homeless individuals who are able to obtain and maintain permanent housing. Many of these transitional housing residents use the services provided by Affordable Homes of South Texas, Inc. in order to purchase their own homes. Conversely, and as expected, chronically homeless individuals and unaccompanied youth have less success in obtaining and maintaining permanent housing.

Nonetheless, because of the success of the American Recovery Reinvestment Act (ARRA) of 2009-funded Homeless Prevention and Rapid Re-housing Program (HPRP), the City and agencies were able to identify quality affordable rental units and management teams who would quickly process applications for homeless persons or those threatened with homelessness. This information presumably shortens the time persons experience homelessness. When necessary, these units and landlords are contacted in an attempt to reduce the time a person or families are homeless.

In addition, ARRA put into place the use of the Homeless Management Information System (HMIS) which allows agency staff to track not only the time families utilize homeless services but also enter case notes to assist households obtain mainstream services and address any potential relapses into homelessness. HMIS is operated by the Texas Homeless Network. The Salvation Army and Catholic

Charities of the RGV utilize HMIS to track client homelessness, provide data entry regarding mainstream programs and assist individuals and families transition from homelessness. Women Together use another system to suppress client data of these women and children fleeing domestic violence.

Of note, for FY 2019 - 2020, Catholic Charities of the Rio Grande Valley places a special emphasis on veterans and their families with homeless prevention activities. Through Catholic Charities' Respite Center, individuals and families as well as unaccompanied youth are able to seek refuge after being processed by the Department of Homeless Security.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

A portion of CDBG funds have been targeted towards precariously housed populations, those threatened with homelessness. Homeless prevention programs which address delinquent rent and/or utilities are provided by several agencies and are funded through the City's FY 2019 -2020 CDBG allocation. The City continues to rely on non-profit and other governmental agencies to provide homeless prevention and homeless service activities. Various agencies have been identified within the City's Anti-Poverty Strategy, an effort to address the needs of persons whose income falls between 0-30% of area median.

Services that assist in preventing homelessness for persons discharging from publicly funded institutions include Catholic Charities of the RGV, The Salvation Army and United Way of South Texas. Catholic Charities of the RGV and The Salvation Army are awarded Community Development funds for the prevention of homelessness.

As indicated above, one of the closely monitored tools to address the needs of homeless individuals and families or precariously housed persons is the use of HMIS. HMIS allows users to monitor the number and length of times assistance was provided by the various homeless providers as well as review case notes regarding mainstream benefits, goals or other concerns.

Lastly, CD staff encourages agencies who assist individuals and families who are currently receiving CDBG services obtain a verification letter from the initial service provider as proof of eligibility for other CDBG-funded activities. This "shortcut" helps agencies and families reduce the wait time in providing services.

While the City has not been the primary contact for persons discharging from publicly funded institutions, CDBG-funded subrecipients are often points of contact. In many instances, however, case

notes and/or files requesting reimbursement may provide summary of individual's situation and how the social service agency assuaged housing and support service needs.

Discussion

Addressing the needs of the homeless or persons threatened with homelessness is a "High" priority. As the municipality that houses both emergency shelters and the transitional housing complex within the County, the City has a stake in assuring that quality services are rendered by homeless service providers. The City will endeavor to expend some of the CDBG allocation in a manner to maximize the benefit for homeless persons or those precariously housed.

Service providers for persons with alcohol or other drug addictions, persons with HIV/AIDS and their families as well as the public housing authority did not request CDBG funds in order to provide services; even so, persons who may fall into these categories are not specifically prohibited from receiving CDBG-funded housing or social services.

Nonetheless, during FY 2019-2020, the City will undertake the following actions in order to address housing and supportive services for non-homeless persons with special needs:

- Through the RGV Habitat for Humanity Rehabilitation Program, funds will be used for the rehabilitation or reconstruction of 5 housing units focused on the elderly or persons with special needs
- Amigos Del Valle, Inc. will provide home delivered meals to 15 homebound (frail) elderly individuals and their spouses
- C.A.M.P. University will provide services to 22 adults with special needs who have aged out of the school setting. Services include instruction on tasks of daily living, recreation and arts and crafts are provided
- Easter Seals of the RGV will provide outpatient physical therapy, occupational therapy and speech/language pathology to 8 persons
- LRGVDC – Area Agency on Aging will provide prescription assistance, medical supplies for 28 elderly individuals
- Women Together Foundation, Inc. will assist 400 women and children fleeing domestic violence
- Silver Ribbon Community Service provides a variety of services to adults who are clients of the State of Texas Adult Protective Services. Seventeen persons (mostly elderly or persons with mental or physical disabilities) are proposed to benefit.

No CDBG funds are proposed to go directly to McAllen Housing Authority or agencies serving persons with alcohol or other substance abuse issues.

AP-75 Barriers to affordable housing – 91.220(j)

Introduction:

The City of McAllen identifies barriers to affordable housing in its Analysis of Impediments (AI). The development of the AI was intended to meet HUD requirements in addition to providing a detailed account of actions and activities that limit access to affordable housing. Additionally, strategies to overcome these obstacles are addressed. The AI is available for review at the City of McAllen's Grant Administration Office. The City will continue to review and update the AI to ensure that the document remains accurate.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

In order to address the barriers, the City will:

1. Provide funding for housing rehabilitation and reconstruction services
2. Encourage and support affordable housing developments
3. Consider practices to increase transportation services, particularly to areas of interest including the Texas A&M campus
4. Continue to encourage deconcentration of low-income housing and support a mixed type and varied styles of affordable housing
5. Participate in programs that provide access to equitable financial services, such as are available during the Homebuyer's Fair
6. Assist persons to access fair housing resources, including the completion of forms and provision of pamphlets
7. Continue the partnership with McAllen ISD

8. Utilize municipal departments and resources to ensure quality construction and developments within the City

The City does not believe that planning requirements and code enforcement actions constitute barriers to fair and affordable housing. The majority of these policies or regulations cannot be considered excessive, exclusionary, discriminatory, or duplicative. It is not unreasonable for cities with jurisdictional authority to charge fees for development, especially pertaining to land preparation costs. However, it does need to be acknowledged that for the development of affordable housing these costs can be potentially prohibitive. In order to remove or ameliorate barriers to affordable housing, the City may waive or lower fees for the development of affordable housing. This may serve as an additional incentive to develop affordable housing. Through the inclusion of other federal and non-federal sources of funding, affordable housing may be more easily provided, particularly for extremely-low income households.

Discussion:

In order to raise awareness regarding barriers to affordable housing, the City will proclaim April as "Fair Housing Month". During the event, the Mayor or a City Commissioner will provide information, explain types of discrimination and describe the courses of action that renters or homebuyers may take. HUD authorized pamphlets regarding the Federal Fair Housing Act are also available at the Grant Administration Office.

Additionally, City staff will provide assistance to any McAllen resident filing a federal fair housing discrimination complaint. Staff will provide intake services to the resident and forward the complaint to the appropriate HUD office. The complainant will receive notification from the HUD office regarding the status of the case. To date, the City of McAllen has not assisted anyone in filing a fair housing discrimination complaint. As such, the status and/or disposition of any filed complaints are not part of the City's records.

Further, during the month of June, the City, in conjunction with Affordable Homes of South Texas, Inc., will continue to participate in/co-sponsor the Homebuyers' Fair in order to disseminate information on housing opportunities. Information at the Homebuyers' Fair will be provided in both English and Spanish.

Affordable housing remains a "High" Priority and will continue to be addressed using FY 2019-2020 CDBG and HOME funds. The City will attempt to ameliorate, to the extent feasible, any conditions that serve as barriers to construction, maintenance, development or sustainability of affordable housing units

AP-85 Other Actions – 91.220(k)

Introduction:

As a fast-growing area, the City must balance a diverse array of housing and community development issues. Present needs far outweigh the amount of federal, state, and local government funding available to address them. However, the City encourages subrecipients to leverage any HUD-awarded funds (CDBG and/or HOME) with private and public dollars.

Actions planned to address obstacles to meeting underserved needs

The following obstacles to meeting underserved needs were identified:

- McAllen is located in one of the fastest growing regions in the country, and its population growth threatens to outstrip the existing capacity of local housing and community development organizations. With ongoing cutbacks to public services, individuals and families will be hard pressed to meet their needs for affordable housing and other community development assistance.
- McAllen percentage of households living in poverty was 25.2%, based on 2013-2017 American Community Survey (ACS) 5-year Estimates.
- As a result of the City's lower income levels, few extremely low- and low-income residents can afford a median priced home, existing homes for Hidalgo County average \$155,000, or the fair market rent for a two-bedroom apartment (\$758, FY 2019 HUD User Data - McAllen-Mission-Edinburg MSA).
- The region continues to struggle with high unemployment; for June 2019, MSA stands at a 6.2% unemployment rate compared to the State at 3.4% and a national rate of 3.8% (Bureau of Labor Statistics).
- A major contributor to the region's high unemployment and poverty rates is its low educational attainment levels. The City's high school graduation rate is 73.9%, the County is 63.7% and the State is 82.8% (2013-2017 ACS 5-Year Estimates).

In order to overcome the identified obstacles, the City of McAllen has designated social services, housing and infrastructure, public facilities and economic development activities as "High" priorities. As such, HUD-awarded funds will be utilized to further these types of activities for the benefit of low- and moderate- income persons and circumvent the obstacles of meeting underserved needs.

Particularly as it relates to underserved needs, CDBG funds are used to:

- Promote job training and self sufficiency for persons of special needs through the C.A.M.P. University program
- Assist help working class families with child care. Boys and Girls Club of McAllen scholarship program provides after-school care, including help with homework, recreational activities as well as summer camps.
- Allow safety checks for homebound elderly persons through the Amigos Del Valle, Inc. program
- Support victims of domestic violence and abuse through Women Together Foundation, Inc. and Children's Advocacy Center of Hidalgo County programs.

Prevent homelessness through rental (Catholic Charities of the RGV, Silver Ribbon Community Partners, and The Salvation Army) and homeownership (Affordable Homes of South Texas, Inc. and RGV Habitat for Humanity) programs.

Actions planned to foster and maintain affordable housing

The City awarded funds to Affordable Homes of South Texas, Inc. (AHSTI) and RGV Habitat for Humanity in order to provide affordable housing to its residents. AHSTI is annually certified as the City's Community Housing Development Organization (CHDO), a requirement to use HOME funds for new construction. In addition, RGV Habitat for Humanity will seek CHDO designation for its new construction program. Habitat will also provide rehabilitation/reconstruction services with a special focus on persons with special needs and the elderly. For FY 2019-2020, the goals include construction of 13 new homes and rehabilitation or reconstruction of 5 owner-occupied units.

Actions planned to reduce lead-based paint hazards

In recognition of the dangers posed by lead-based paint, the City/Housing Provider Staff test homes that were constructed prior to January 1, 1978 for the presence of lead. The specific homes tested are those that are under consideration for housing rehabilitation and reconstruction assistance under the CDBG program, specifically Affordable Homes of South Texas, Inc.'s - New Beginning Program. The appropriate abatement or interim control methods are employed if lead is found in the home. The City will model its Lead Based Paint Policy after the guidance issued in by EPA and HUD. This policy will be included it as part of the Standard Operating Procedures for the housing rehabilitation program in an effort to comply with the Lead Based Paint Requirements – HUD Lead Safe Housing Rule 24 CFR Part 35,

Subpart J Rehabilitation Section 35.900.

In summary of the policy, the following are the levels of intervention and action:

- Rehabilitation activities less than \$5,000 – Safe work practices and work site clearance
- Rehabilitation activities between \$5,000 and \$25,000 – Risk assessment and interim controls
- Rehabilitation activities over \$25,000 – Risk Assessment and abatement

Any contractor/subcontractor attempting to work on federally funded projects in which lead-based paint is a concern is subject to compliance with the regulation.

In addition to CDBG-funded activities, the City provides local funds to continue to address substandard housing, including lead-based paint concerns. These funds are used to promote rehabilitation or reconstruction services, revitalize older (Pre-1978) neighborhoods as well as provide the means to distribute literature including information on the prevention of lead based paint poisoning.

Actions planned to reduce the number of poverty-level families

McAllen's vision for development still remains to establish decent housing and suitable living environments while expanding economic opportunities for low and moderate-income individuals. In order to develop effective strategies for economic development and job creation, the City must overcome the multiple barriers to job creation, which include the lack of education and skilled labor force, sufficient capital and adequate information. Strategies include: providing support services as required to reduce barriers to job training and permanent employment, providing programs for literacy and life skills, identifying jobs and providing training programs to meet required employment skills; and initiating regional business development efforts to expand businesses and stimulate entrepreneurial spirit.

The following social service organizations are the most prominent agencies in assisting extremely low- and low-income individuals and families find housing and/or supportive services within McAllen (FY

2019-2020 goals are listed in (_)):

- American Red Cross
- Amigos Del Valle, Inc. - CDBG (15 Persons)
- Catholic Charities of the RGV - CDBG (5 Households)
- Comfort House Services, Inc. - CDBG (145 Persons)
- Community HOPE Projects, Inc. - CDBG (150 Persons)
- Consumer Credit Counseling of South Texas
- Food Bank of the RGV – CDBG (89 Persons)
- Hidalgo County – Community Service Agency
- McAllen Metro – Municipal Transportation System
- McAllen Food Pantry - CDBG (5,000 Persons)
- McAllen Housing Finance Corp.
- McAllen I.S.D. – Free Lunch
- McAllen Public Housing Authority
- Palmer Drug Abuse Program
- Silver Ribbon Community Partners - CDBG (15 Persons)
- Texas Department of Health and Human Services
- Texas Rural Legal Aid
- The Salvation Army - CDBG (17 Persons)
- Tropical Texas Mental Health and Mental Retardation Center
- Valley AIDS Council (VAC)
- Women Together Foundation, Inc. - CDBG (719 Persons)

Actions planned to develop institutional structure

The City of McAllen’s municipal government is a Commissioner-Mayor form of government. The Mayor and six Commissioners serve as McAllen’s legislative body.

The City’s Community Development Department is responsible for oversight of housing and community development funds received from the U.S. Department of Housing and Urban Development (HUD). Excluding the administration portion of its award, the City contracts all CDBG and HOME funds to social service agencies and municipal departments for the implementation of eligible projects. The City uses the following departments to undertake projects:

- Engineering Department - design and construction management of infrastructure and/or public

facilities

- Parks and Recreation Department - analysis of green space, open space and recreation programs
- Finance Department - issuance of payments and liaison with external auditors
- Internal Auditing Department - monitoring of subrecipient and department procedures
- Purchasing and Contracting Department - provides technical assistance related to purchasing policies applicable to municipal and subrecipient agencies
- Office of Management and Budget - budget analysis, reconciliation and confirmation of federal financial accounting systems

To further strengthen the institutional structure of the region, the City undertook a collaborative approach to the development of the Consolidated Plan and Strategy. Commitment and coordination among different levels of local government, community organizations, and the public has been essential, and has resulted in a broad-based approach to putting HUD funds to work throughout Hidalgo County.

In addition, the City Commission has appointed a fourteen-member advisory council to review and recommend HUD-awarded funds to non-profit and City department projects. The advisory council holds several public hearings, tours the proposed construction sites and visits with applicants prior to recommending funding.

These processes are intended to remain while developing programs using CDBG and HOME funds.

Actions planned to enhance coordination between public and private housing and social service agencies

The City works with a variety of organizations involved in the delivery of housing, homeless, non-homeless special needs, and community development activities – including many of the public agencies and community organizations consulted during the development of the CPS and One-Year Action Plan. These include the Public Housing Authority (PHA), the Community Housing Development Organization (CHDO), and community organizations whose fields of interest and service include but are not limited to: social services, youth services, elderly services, handicapped services, abused children's services, health services, homeless services and domestic violence assistance/crisis management.

The strength of the City's CDBG program structure is derived from the variety of public agencies and community organizations in the area that are working diligently toward one common goal: to provide affordable housing, supportive services, and community development assistance to benefit low- and moderate-income individuals and families. Local agencies, community-based organizations, and social service providers must coordinate their activities in response to the region's urgent needs. Each stakeholder in the delivery system contributes valuable resources and expertise.

Although not funded by CDBG, economic development in the community is primarily undertaken by the McAllen Economic Development Corporation and the McAllen Chamber of Commerce. General Funds and

Development Corporation of McAllen dollars are used to supplement the organizations budgets in an effort to continue to support economic development in the City.

In an effort to enhance coordination between public and private housing and social service agencies:

- The City coordinates its subrecipient orientation so that CDBG-funded entities have an opportunity to meet one another
- The City has posted its resource book online which contains information on the various CDBG funded services
- The City maintains a booth at the annual homebuyer fair to distribute information to residents
- The City, through local funds, supports other varied non-profit organizations
- The City provides all subrecipients with a complete list of current projects for reference when case management necessitates additional services
- The McAllen Cable Network films segments related to CDBG-funded activities
- Staff from the McAllen Cable Network utilize social media to provide relevant information for residents

Discussion:

The City of McAllen determined the priority ranking of its housing and community development needs through a consultation process with public agencies, community organizations and residents during the composition of the FY 2018-2022 Consolidated Plan and Strategy (CPS) and development of the Assessment of Fair Housing.

Program Specific Requirements

AP-90 Program Specific Requirements – 91.220(l)(1,2,4)

Introduction:

In the Action Plan, the City describes the programs and services that it will undertake during the period beginning October 1, 2019 until September 30, 2020. The Action Plan details the populations that will be served, projects to be undertaken, and resources that will be used over the next year to address the first of the five years covered by the Consolidated Plan and Strategy.

Community Development Block Grant Program (CDBG)

Reference 24 CFR 91.220(l)(1)

Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

1. The total amount of program income that will have been received before the start of the next program year and that has not yet been reprogrammed	0
2. The amount of proceeds from section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in the grantee's strategic plan.	0
3. The amount of surplus funds from urban renewal settlements	0
4. The amount of any grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan	0
5. The amount of income from float-funded activities	0
Total Program Income:	0

Other CDBG Requirements

1. The amount of urgent need activities	0
2. The estimated percentage of CDBG funds that will be used for activities that benefit persons of low and moderate income. Overall Benefit - A consecutive period of one, two or three years may be used to determine that a minimum overall benefit of 70% of CDBG funds is used to benefit persons of low and moderate income. Specify the years covered that include this Annual Action Plan.	100.00%

HOME Investment Partnership Program (HOME)

Reference 24 CFR 91.220(l)(2)

1. A description of other forms of investment being used beyond those identified in Section 92.205 is

as follows:

With the HOME program, the City will use no other forms of investment other than those described in 24 CFR 92.205(b). As an economically distressed area, the City has been waived (100%) from its HOME matching requirement.

The City will utilize the HOME affordable homeownership limits for the area and will not independently determine the 95% median area purchase price for its HOME Program.

2. A description of the guidelines that will be used for resale or recapture of HOME funds when used for homebuyer activities as required in 92.254, is as follows:

The City has adopted a recapture policy that serves to address the continued affordability of housing units acquired and/or constructed with HOME funds. When HOME funds are used, restrictions will be placed on the unit to ensure compliance with the recapture requirements described in 24 CFR 92.254(a)(5)(ii). The amount subject to recapture option is limited to the direct subsidy.

The City has selected the “Owner Investment Returned First” recapture option for its HOME Program. If net proceeds are available, the owner will receive their investment before the HOME note is repaid. An equal amount (based on length of affordability) will be reduced on the anniversary of closing. The difference between the HOME investment and any reduction is due the City to the extent net proceeds are available. Such is outlined in the Homebuyer Assistance Contract. The City will maintain the original Homebuyer Contracts and will subsequently receive the City's executed original note and deed of trust for its investment in the HOME-built units.

The City has also opted to allow for the presumption of affordability, an effort to allow secondary homebuyers the opportunity to assume the mandatory HOME period of affordability if no additional HOME funds are invested.

3. A description of the guidelines for resale or recapture that ensures the affordability of units acquired with HOME funds? See 24 CFR 92.254(a)(4) are as follows:

As detailed above, the City has adopted a recapture policy to address the continued affordability of housing units acquired and/or constructed with HOME funds. In summary, the City has selected the “Owner Investment Returned First” recapture option for its HOME Program. If net proceeds are available, the owner will receive their investment before the HOME note is repaid. An equal amount (based on length of affordability) will be reduced on the anniversary of closing. The difference between the HOME investment and any reduction is due the City to the extent net

proceeds are available. Nonetheless, the City has also included the provision to allow a second borrow to continue the period of affordability should no additional HOME assistance be necessary and the subsequent buyer qualifies as low-income.

4. Plans for using HOME funds to refinance existing debt secured by multifamily housing that is rehabilitated with HOME funds along with a description of the refinancing guidelines required that will be used under 24 CFR 92.206(b), are as follows:

The City does not intend to refinance any existing debt secured by multi-family housing that is or has been rehabilitated with HOME funds under 24 CFR 92.206(b).

Thirty-Day Comment Period

The thirty-day comment period began on May 6, 2019 and ended on June 10, 2019. Although solicited in *The Monitor* and *El Periodico*, one written comments was received to support transportation services. Two additional public hearings occurred during the 30-day comment period. The fourth public hearing occurred before the City Commission on Monday, May 13, 2019. No one appeared before the Commission. The fifth and final public hearing occurred on Friday, May 24, 2019 at the McAllen Housing Authority. CD and MHA staff discussed McAllen Housing Authority programs and continued partnerships.

Grantee's Unique Appendices

- AP-90: Program Specific Requirements
Supplement Information

AP-90: Program Specific Requirements – HOME §91.220(l)(2)

Additional Questions:

If the PJ intends to use HOME funds for homebuyer assistance or for rehabilitation of owner-occupied single family housing and does not use the HOME affordable homeownership limits for the area provided by HUD, did it determine 95 percent of the median area purchase price and set forth the information in accordance with 24 CFR 92.254(a)(2)(iii).

The City will continue to use the HUD provided data in order to establish homeownership limits for the area. The City will not undertake its own calculation.

Did the PJ describe eligible applicants (e.g., categories of eligible applicants), its process for soliciting and funding applications or proposals (e.g., competition, first-come first-serve) and where detailed information may be obtained (e.g., application packages are available at the office of the jurisdiction or on the jurisdiction's Web site).

Eligible Applicants

The City's Standard Operating Policies state non-profit organizations or units of local government may be considered for funding. Such is also written in the notice soliciting applications which appeared in print December 2018. It is not anticipated that changes to this policy will occur during the program year.

Process for Soliciting Funding Applications or Proposals

The City of McAllen solicited applications for the use of HOME funds via a Notice of Funding Availability advertisement appearing in The Monitor on Friday, December 21, 2018. In addition, CD staff emailed previous awardees that the application was available and provided the link directly to ZoomGrants, operator of software company that maintains grant process for the CDBG and HOME Programs. Proposals and supporting documents were due Friday, February 1, 2019 at 4:00 P.M. The application and instructions were also available via the City's website link, www.mcallen.net, to ZoomGrants.

The City's Notice of Funding Availability made applicants aware that:

- They were required to attend one of two technical assistance seminars regarding the application
- SAMS registration was necessary prior to submitting an application
- Maintaining an active SAM registration was required
- The agency's unique identifier (EIN/TIN) should be provided in the application
- The CDBG and HOME budgets were estimates
- The Program Year is October 1, 2019 through September 30, 2020
- Additional information could be obtained by contacting the Grant Administration Department

Similar to CDBG process, the Community Development Advisory Council (CDAC) is utilized in reviewing HOME applications and its related supporting documentation. The CDAC considers the application as well as the applicant's history of providing services, leveraging amounts and project costs. For FY 2019-2020, two agencies remitted applications for consideration of HOME funds.

After a recommendation is made by the CDAC, it is presented to City Commission for their consideration. As with CDBG, the process follows the thirty-day comment period during which applicants or the general public may make their views known. Upon conclusion of the comment period, City Commission awards

funds.

If the PJ planned to limit the beneficiaries or give preferences to a particular segment of the low-income population, was a description of that limitation or preference described in the action plan?

No preferential categories exist in the provision of housing funded by the City.

Recapture Provision

Recapture Policy Summary

In the event of a voluntary or involuntary sale of residence by the BUYER or BUYER ceases to continuously use residence as BUYER's principal residence during the AFFORDABILITY PERIOD, BUYER will repay the outstanding HOME ASSISTANCE, in accordance with CITY's HOME Program recapture policy, as follows:

- a. CHDO and BUYER agree that CHDO will have the Right of First Refusal to purchase the residence.
- b. Upon sale, BUYER will repay the outstanding balance of HOME ASSISTANCE, subject to net proceeds of sale:
 - i. Net proceeds will be calculated as the sales price minus superior non-HOME loan repayments and any BUYER-paid closing costs.
 - ii. From net proceeds, BUYER/owner/seller will be allowed first to recover their investment, which includes BUYER/owner/seller's original down payment (not including any down payment assistance) plus the principal that BUYER/owner/seller has amortized on superior non-HOME loan senior debt.
 - iii. Then, to the extent net proceeds are available, the full amount of the HOME ASSISTANCE, as recorded in the second note, will be repaid. However, in cases where there are no net proceeds or the net proceeds are insufficient to repay the HOME ASSISTANCE, the homeowner is not liable for payment of the HOME ASSISTANCE (recorded in the second Note and second Deed of Trust) beyond the amount of net proceeds that remain.
 - iv. Finally, if any proceeds remain available after full satisfaction of HOME ASSISTANCE, these funds may be retained by the BUYER/owner/seller.

CITY OF McALLEN COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM HOME INVESTMENT PARTNERSHIP PROGRAM NOTICE OF FUNDING AVAILABILITY FISCAL YEAR 2019 – 2020

The City of McAllen – Community Development Department is now accepting applications for the Fiscal Year beginning October 1, 2019 and ending September 30, 2020. Applicants with programs specifically designed to meet the CDBG Program objectives (listed below), or HOME Programs are encouraged to submit an online application which is available at www.mcallen.net/departments/cdbg/documents. The deadline for the online submission of applications and related materials is Friday, February 1, 2019 by 4:00 P.M.

NOTE: CDBG applicants (except City Departments) are required to attend ONE of the technical assistance seminars to be held on Thursday, January 17, 2019 at 2:00 P.M. or Monday, January 21, 2019 at 9:30 A.M. at McAllen City Hall, City Commission Chambers, 3rd Floor, 1300 Houston Ave., McAllen. A minimum of two representatives per agency must attend. Laptops are encouraged in order to access the online application.

The primary objectives of the CDBG Program are the development of viable urban communities by providing decent housing and a suitable living environment while expanding economic opportunities, principally for persons of low and moderate income. CDBG funds may be used to finance any activity that accomplishes one of the following national objectives:

1. Principally benefits low and moderate income persons.
2. Aids in the prevention or elimination of slums and blights.
3. Meets a need having a particular urgency.

The City's 2019-2020 allocation is estimated at \$1,200,000 for Community Development Block Grant (CDBG) and \$500,000 for HOME Investment Partnership Program (HOME). Awards are subject to funding availability.

As an applicant for a Federally-funded program (subject to 2 CFR), the applicant must (1) be registered in the System of Awards Management (SAM) prior to submitting an application, (2) maintain an active SAM registration with current information at all times during which it has an active Federal award or an application or plan under consideration and (3) provide its unique entity identifier in each application. If successfully funded, agency must remain registered in the SAM database after the initial registration and agency is required to review and update on an annual basis to ensure current, accurate and complete information is available.

For additional information, please call the Grant Administration Department – Community Development Office at (956) 681-1030.

PUBLIC HEARING

CITY OF McALLEN COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM

In accordance with the U.S. Department of Housing and Urban Development, the City of McAllen hereby announces a public hearing regarding the draft of the One-Year Action Plan (OYAP) for FY 2019-2020 (45th Year) including the proposed needs and budget for the Community Development Block Grant Program (CDBG), and HOME Investment Partnership Program (HOME). Comments received will be considered for the OYAP and interested parties are encouraged to attend.

The public hearing will be held on Monday, May 13, 2019 at 5:00 P.M. at McAllen City Hall, City Commission Chambers, 3rd Floor, 1300 Houston Ave., McAllen, Texas.

A breakdown of the City of McAllen's 2019-2020 (45th Year) funding allocation is:

Community Development Block Grant (CDBG)	\$1,593,947.00
HOME Investment Partnership Program (HOME)	481,582.00
Reprogrammed Funds (estimated)	40,651.35
TOTAL	\$2,116,180.35

The draft of the proposed OYAP will be available beginning Monday, May 6, 2019. The document may be viewed at the Grant Administration Office, McAllen City Hall, 2nd Floor, 1300 Houston Ave. during regular business hours or is available for download at www.mcallen.net/departments/cdbg/documents. Comments regarding this document will be accepted until the close of business on Monday, June 10, 2019.

Accommodations for persons with disabilities/handicapped, non-English speaking, or limited English proficiency (LEP) persons who may require interpreters shall be provided upon request by calling (361) 681-1030 at least three days in advance.

Persons who are deaf, hard-of-hearing, deaf-blind or speech-disabled may use Relay Texas at (800) 735-2989 to call the Grant Administration - Community Development Office and request arrangements in order to participate in the Community Development process.

Miércoles 24 de Abril 2019

Los migrantes como armas políticas

José López Zamarano

Solo en el interior de una mente maliciosa podría verse la construcción de una política diseñada para explotar a los peores miedos, inseguridades, ansiedades, dudas, temores y miedos de una sociedad que vive en la pobreza extrema y de la violencia, con el objetivo de colocar una línea invisible entre un futuro político.

Bajo esa categoría cae la intención del presidente Donald Trump de enviar a los aduanas de la ley, la mayoría contrainmigratoria, a las llamadas "ciudades santuario", aquellas que rechazan entregar a las autoridades migratorias, federales y estatales, a los inmigrantes que no cumplen con los requisitos de entrada a los Estados Unidos.

Objetada por funcionarios del Departamento de Seguridad Interna (DHS) que cuestionan su legalidad, la controversia política presidencial confirma también el rechazo de los presidentes de 3 de los principales Comités de la Cámara de Representantes y la total ausencia de respaldo, al menos público, de los propios republicanos.

Para imponer al presidente el fracaso de su estrategia de convertir las elecciones locales, dos del año pasado, en un referéndum sobre las estrategias de inmigrantes indocumentados, que resultó en la pérdida del control de la Cámara de Representantes para los republicanos, los grupos pueden ver que su guerra contra los migrantes puede resultar en 2020 el triunfo electoral del 2010.

Los conflictos "internos" son resultado de un movimiento que comenzó en Los Angeles a principios de la década de los 90, después que la ciudad californiana promulgó la Orden Detenido 40, que impidió a sus agencias de la policía intervenir a una persona detenida solo en asuntos migratorios.

El movimiento se extendió a más de 500 ciudades, condados y ciudades, incluidas algunas de las más grandes urbes de Estados Unidos como Nueva York, San Francisco y Washington DC. En 2017 el gobernador Jerry Brown convirtió a California, la entidad más poblada del país, en un estado santuario.

Trump atacó su ofensiva contra el movimiento "santuario" a raíz del caso de la juez Kate Loomis, en San Francisco, acusada

por el indocumentado mexicano, José Luis García Zúñiga.

Pero el inmigrante fue absuelto por un jurado de la acusación de homicidio en segundo grado y acusado legal de posesión de un arma de fuego.

En 2018, los votantes no compraron la baliza naranja de Trump de equiparar la inmigración indocumentada con la criminalidad. Todos los estudios demuestran que los

inmigrantes tienen una tasa de delincuencia menor que quienes nacieron en los Estados Unidos.

Si la apuesta del presidente se promueve en la Casa Blanca con políticas basadas en falsedades, podría resultar, para sorpresa, después de todo, en una difícil candidatura muy difícil. Si me equivoico una vez, lo culpas a mí. Si me equivoico dos veces, la culpa es mía.

AUDIENCIA PÚBLICA

CIUDAD DE McALLEN

PROGRAMA DE SUBSIDIOS PARA EL DESARROLLO COMUNITARIO

De acuerdo con el Departamento de Vivienda y Desarrollo Urbano de Estados Unidos (HUD), por sus siglas en inglés la ciudad de McAllen, por la presente, anuncia que llevará a cabo una audiencia pública referente al proyecto del Plan de Acción Anual (OYAP) para el Año Fiscal 2019-2020 (Año 19) incluyendo las modificaciones propuestas y el presupuesto para el Programa de Subsidios Para el Desarrollo Comunitario (CDBG) y la Sociedad de Inversiones (HOME). Los comentarios recibidos serán considerados para el OYAP. Las partes interesadas están invitadas a asistir.

La audiencia pública se realizará el **lunes 13 de mayo de 2019, a las 5:00 p.m. en el McAllen City Hall, Sala de las Comisiones, 3º piso, 1800 Houston Ave., McAllen, Texas.**

La asignación de fondos de la Ciudad de McAllen para el Año Fiscal 2019-2020 (Año 19) es:

Subsidios Para el Desarrollo Comunitario (CDBG)	\$1,593,647.60
Sociedad de Inversiones (HOME)	481,582.00
Fondos Reprogramados (Estimado)	40,651.35
TOTAL	\$2,115,880.95

El borrador del presupuesto OYAP estará disponible comenzando el Lunes 6 de mayo de 2019. El documento puede verse en la Oficina de Administración de Subvenciones, McAllen City Hall, 3do piso, 1800 Houston Ave., durante horas regulares de negocio o está disponible para su descarga en www.mcallen.net/departments/vchabocuments. Los comentarios sobre este documento se aceptarán hasta el cierre de la oficina el Lunes, 10 de junio de 2019.

Se proveerá acomodación especial para las personas con discapacidad y para personas que no hablan inglés o con conocimientos limitados de inglés (LEPI). Las personas que requieren intérpretes deberán solicitarlo llamando al (956) 631-1030 por lo menos con tres días de anticipación.

Las personas sordas o con impedimentos auditivos o del habla pueden usar Relay Texas en el (800) 735-8949 o llamar al Departamento de Administración de Subvenciones - Oficina de Desarrollo Comunitario y requerir arreglos para poder participar en el proceso de Desarrollo Comunitario.

Las presentaciones se harán en español para aquellas personas que así lo deseen.

Para más información, llamar al Departamento de Administración de Subvenciones al (956) 631-1030. Los comentarios escritos deben ser dirigidos a:

Ciudad de McAllen
Departamento de Administración de Subvenciones
Oficina de Desarrollo Comunitario
