

Main & Jay Drainage Improvements

Update: 06/19/2025

NOTICE TO RESIDENTS

As the City of McAllen continues improving drainage throughout the city, the Main & Jay Drainage project will enhance our local storm infrastructure and improve overall water management in the area.

Update: Construction work along Main Street is anticipated to commence June 23rd, 2025.

What to Expect:

- **Road Closure:** Main Street from Jay Avenue to Martin will be closed to through traffic from **June 23rd to July 23rd** (See map)
- **Construction Activity:** Installation of new storm sewer infrastructure (i.e. storm pipes, manholes, & curb inlets). Construction equipment will be present.
- **Public Utilities:** Expect service interruptions (i.e. water & sewer, garbage & brush)
- **Working Hours:** Work will generally take place Monday through Friday, from 7:00 AM to 5:00 PM. Some weekend work may be necessary.
- **Traffic Impact:** Please plan for potential delays. Local access to homes and businesses will be maintained whenever possible; periodic lane closures, detours, and construction equipment in the area as construction progresses.
- **Noise and Dust:** There will be increased noise and dust during construction. We appreciate your patience and understanding.

For questions regarding city services or the overall project, please contact Jorge Gutierrez jorge.gutierrez@mcallen.net or Roberto Garza Roberto.garz@mcallen.net or by phone at the City of McAllen Engineering department 956-681-1151.

We appreciate your cooperation and patience as we work to improve our community's infrastructure. Thank you for your understanding and support.
