

# Main & Jay Drainage Improvements

## Update: 7/22/25

### NOTICE TO RESIDENTS

**\*\*Update: Due to rain during the construction along Main Street, the project experienced a delay. The closure will be extended through July 30, 2025\*\***

As the City of McAllen continues improving drainage throughout the city, the Main & Jay Drainage project will enhance our local storm infrastructure and improve overall water management in the area.

**Update:** Construction work along Main Street is anticipated to commence June 23<sup>rd</sup>, 2025.

#### What to Expect:

- **Road Closure:** Main Street from Jay Avenue to Martin will be closed to through traffic from **June 23<sup>rd</sup> to July 30<sup>th</sup>** (See map)
- **Construction Activity:** Installation of new storm sewer infrastructure (i.e. storm pipes, manholes, & curb inlets). Construction equipment will be present.
- **Public Utilities:** Expect service interruptions (i.e. water & sewer, garbage & brush)
- **Working Hours:** Work will generally take place Monday through Friday, from 7:00 AM to 5:00 PM. Some weekend work may be necessary.
- **Traffic Impact:** Please plan for potential delays. Local access to homes and businesses will be maintained whenever possible; periodic lane closures, detours, and construction equipment in the area as construction progresses.
- **Noise and Dust:** There will be increased noise and dust during construction. We appreciate your patience and understanding.

For questions regarding city services or the overall project, please contact Jorge Gutierrez [jorge.gutierrez@mcallen.net](mailto:jorge.gutierrez@mcallen.net) or Roberto Garza [Roberto.garz@mcallen.net](mailto:Roberto.garz@mcallen.net) or by phone at the City of McAllen Engineering department 956-681-1151.

We appreciate your cooperation and patience as we work to improve our community's infrastructure. Thank you for your understanding and support.
