

Dear Paratransit Applicant,

Enclosed is the certification application that you requested for Metro McAllen Paratransit, the origin-to-destination alternative for people whose disabilities prevent use of Metro McAllen's standard fixed route buses.

Please take a few minutes to read the enclosed materials that explain the program; then answer the questions regarding your abilities and limitations of using regular public transportation. You must also have your physician complete the Doctor's Certification form that you will find attached to the back of the application. Incomplete applications will delay the review process.

Upon completion of your application, please mail to:

Metro McAllen
1501 West Hwy 83, Suite 110
McAllen, TX 78501

Faxed applications will not be accepted.

Once your application has been received, Metro staff will review your application. If needed, you may be contacted for more information or to arrange an interview with the Paratransit Coordinator. Please note that Paratransit service will be provided to and from the interview upon request. It is highly recommended that if you need assistance, you should bring someone with you. We will not be able to provide assistance from the parking lot.

The process may take up to 21 days for a decision on eligibility, provided that the application form is complete and additional information is not needed. After the 21 days, if a decision has not been reached, paratransit service will be provided on a temporary basis until a determination is made. Once a decision is made, you will be notified by letter of our determination of eligibility.

If you should have any questions regarding this application, please contact Metro staff at (956) 681-3535.

Sincerely,

Mark Decker
ADA Coordinator

Metro McAllen Application for Paratransit Service

What is Paratransit?

Paratransit means comparable transportation service required by the Americans with Disabilities Act (ADA) for individuals with disabilities who are unable to use fixed route transportation systems. To fulfill this requirement, the City of McAllen operates Metro McAllen Paratransit (MMP), a reservation-required, shared-ride public transportation service.

Transportation is origin-to-destination. Assistance between the door of the starting point or destination and the paratransit vehicle will be provided if requested, in advance if possible. To provide assistance, drivers may not leave their vehicles unattended for a lengthy period of time, nor lose sight of the vehicle. Assistance is always provided to help board and exit vehicles.

Provisions of ADA require that service "mirror" the standard Metro McAllen fixed route service in terms of areas and available times. Service will be provided only if both the starting point and the destination of a trip are located not more than $\frac{3}{4}$ of a mile from a Metro McAllen fixed route. Paratransit transportation is provided only during hours when the fixed routes are operating.

Who Qualifies for Paratransit?

Paratransit service is designed to serve only those persons whose severity of disability prevents them from using public transportation. Under the Americans with Disabilities Act (ADA), disability or age does not automatically qualify a person to ride Paratransit. A person must be functionally unable to use the fixed-route Metro McAllen service. A person simply being reluctant to use the fixed route because they think it is inconvenient is not a consideration in determining paratransit eligibility.

Service is provided to the following three general groups of individuals with disabilities:

1. Individuals with mental or visual impairments who, as a result, cannot "navigate the system", or people who cannot board, ride, or disembark from an accessible vehicle "without the assistance of another individual (other than the bus driver)."
2. Individuals who need a wheelchair lift when a wheelchair lift-equipped bus is not available on the fixed route that they need to travel. (Please note: All Metro McAllen fixed-route buses are wheelchair lift-equipped.)
3. Individuals that have "a specific impairment-related condition which prevents such individual from traveling to a boarding location or from a disembarking location."

Please initial the area provided below after you have read the above information in full.

PROFESSIONAL CERTIFICATION

Dear Professional:

The applicant who has asked you to review the information on the application and to sign this form is applying for eligibility for Metro McAllen Paratransit services. Please read the following information carefully since it may affect your response.

Who Qualifies for Paratransit?

Paratransit is designed to serve only those persons whose severity of disability prevents them from using public transportation. Under the Americans with Disabilities Act (ADA), disability or age does not automatically qualify a person to ride Paratransit. Paratransit transportation is provided only during hours when the fixed routes are operating.
