RIDE GREEN, RIDE METRO

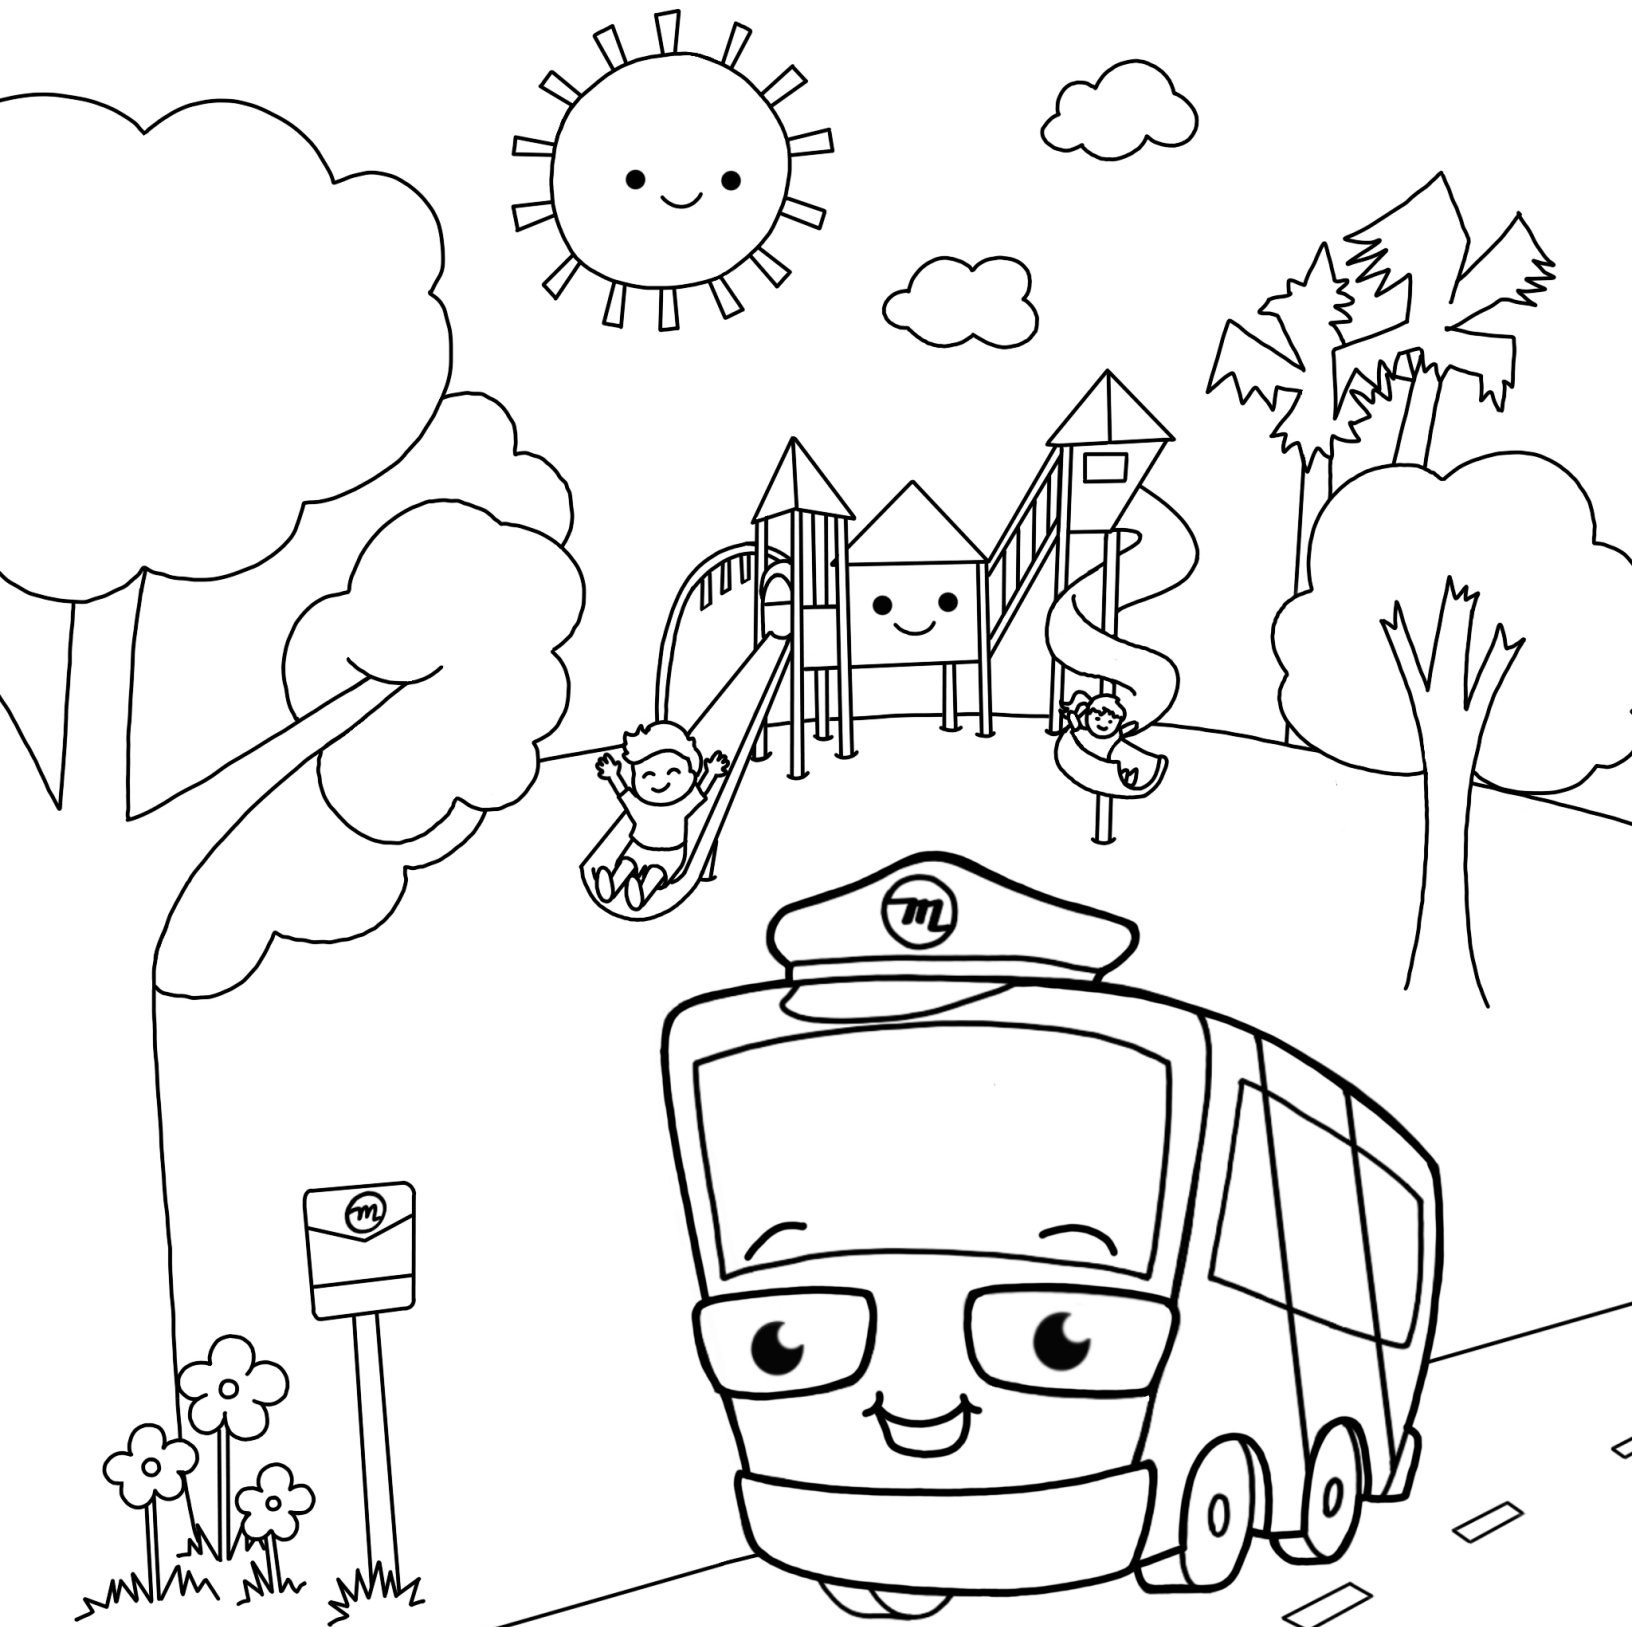

The Adventures of
MILES THE METRO BUS

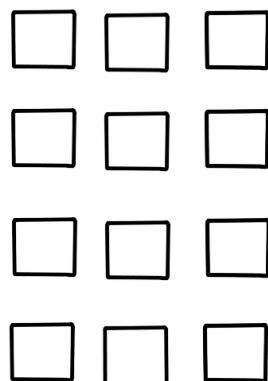

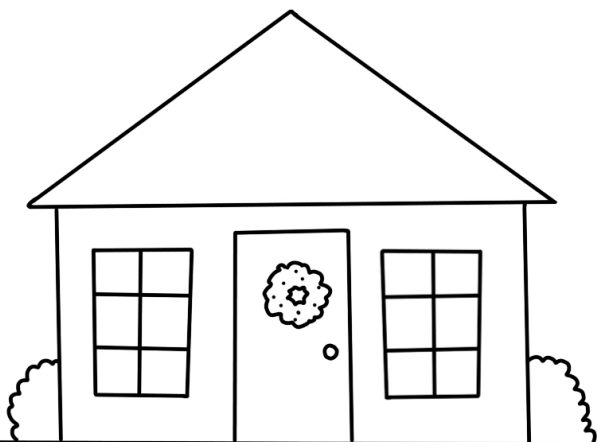

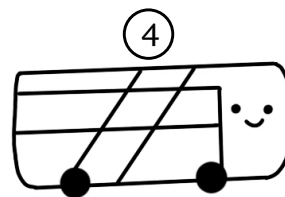

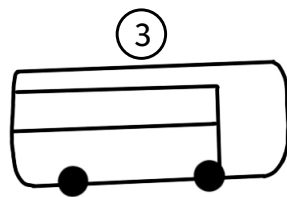

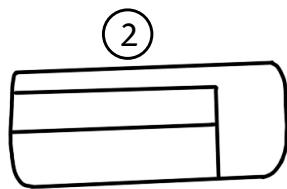

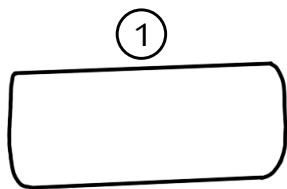

Welcome to the
City of McAllen Central Station.

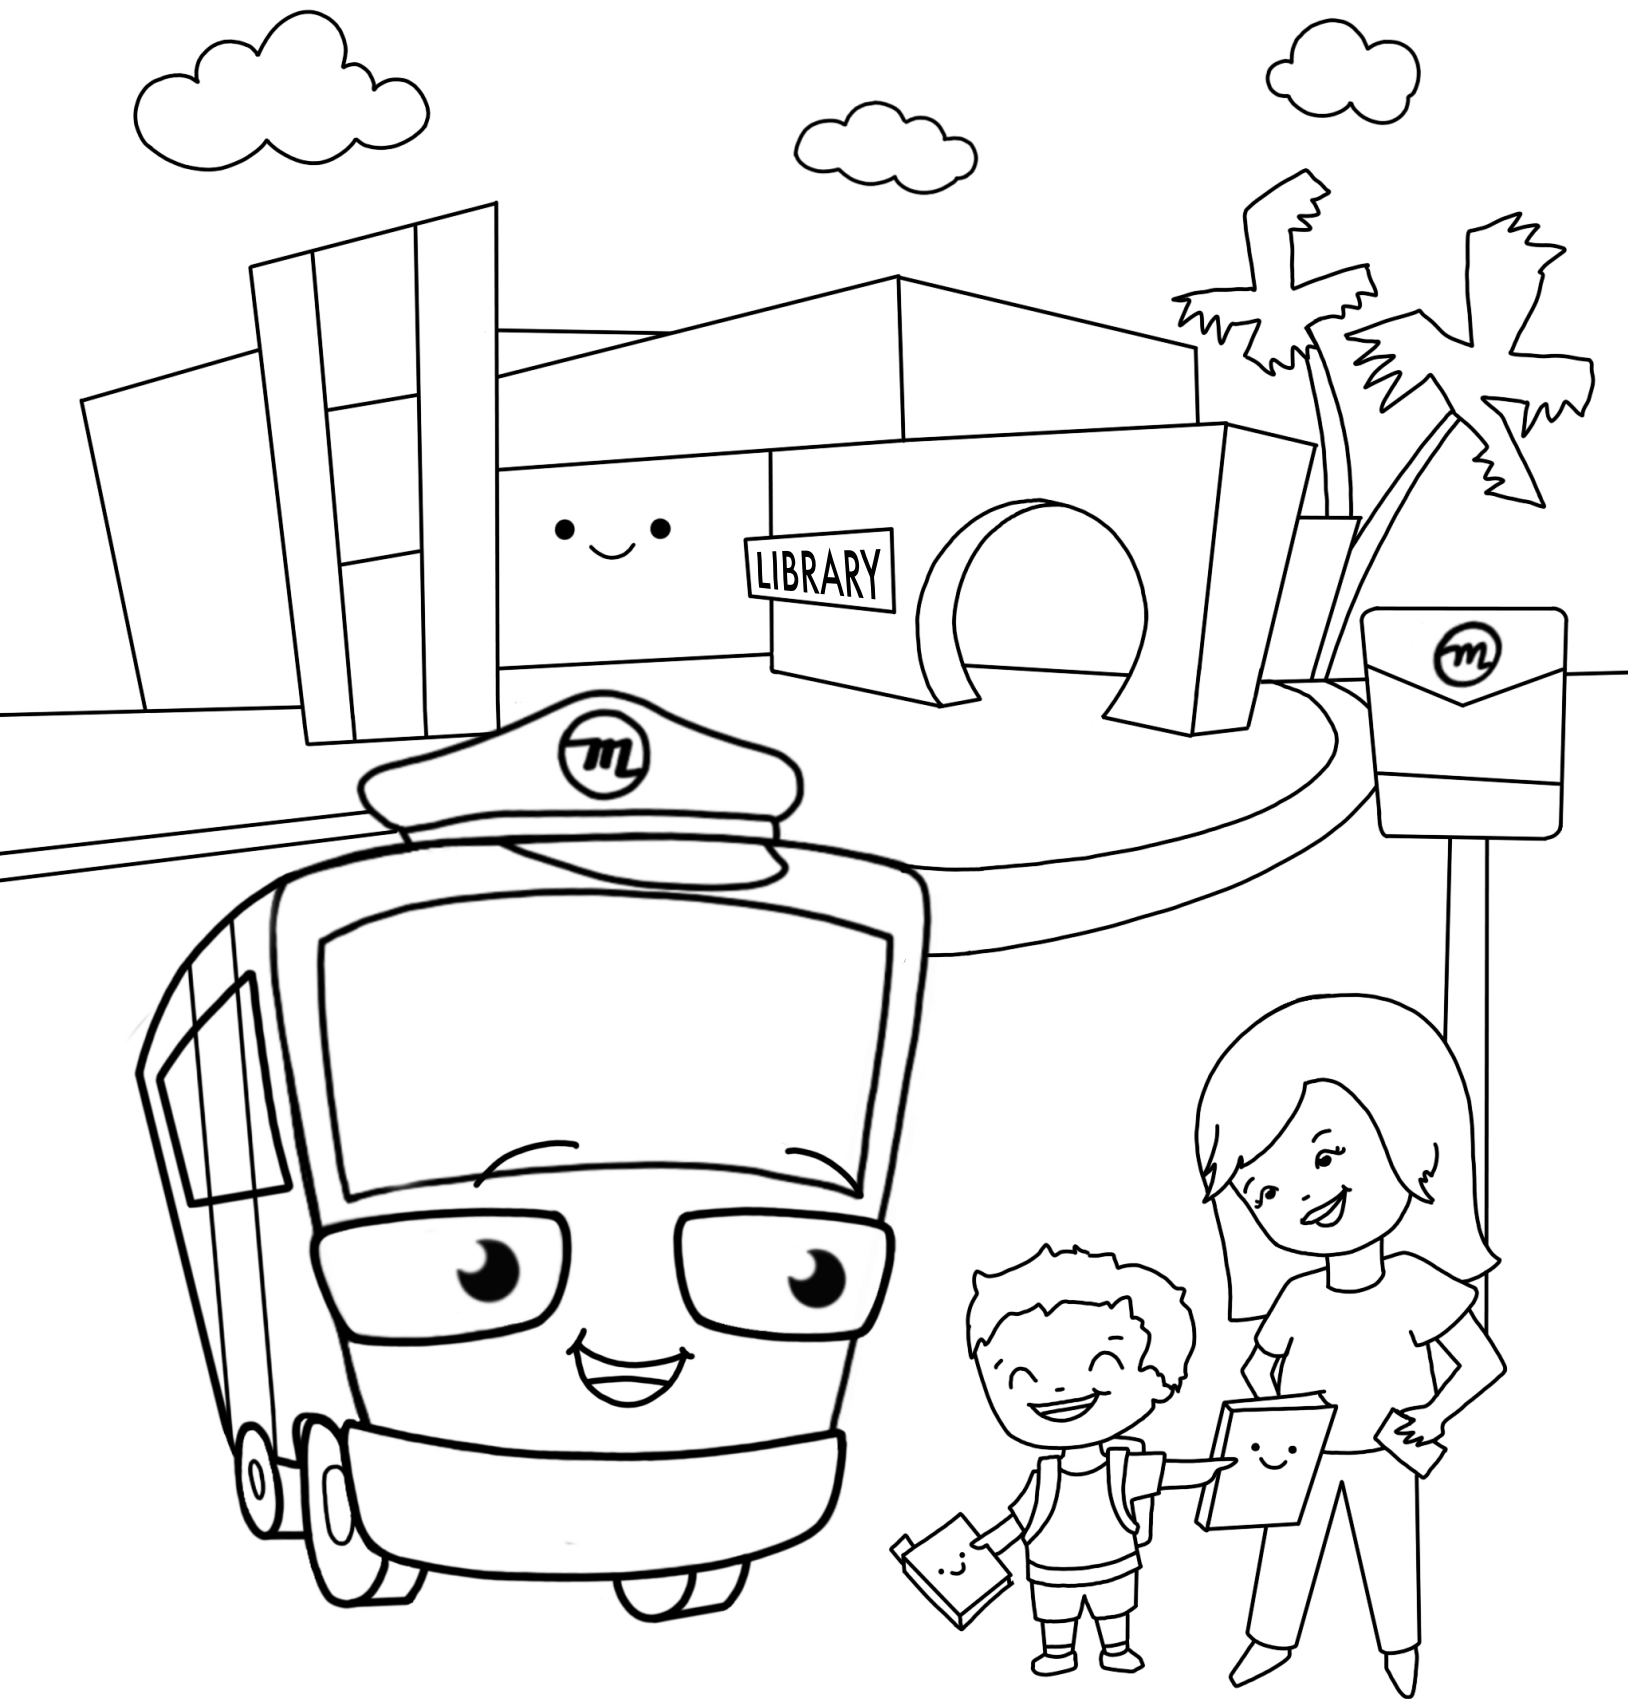

From here you can travel
across McAllen, the USA, and
Mexico.

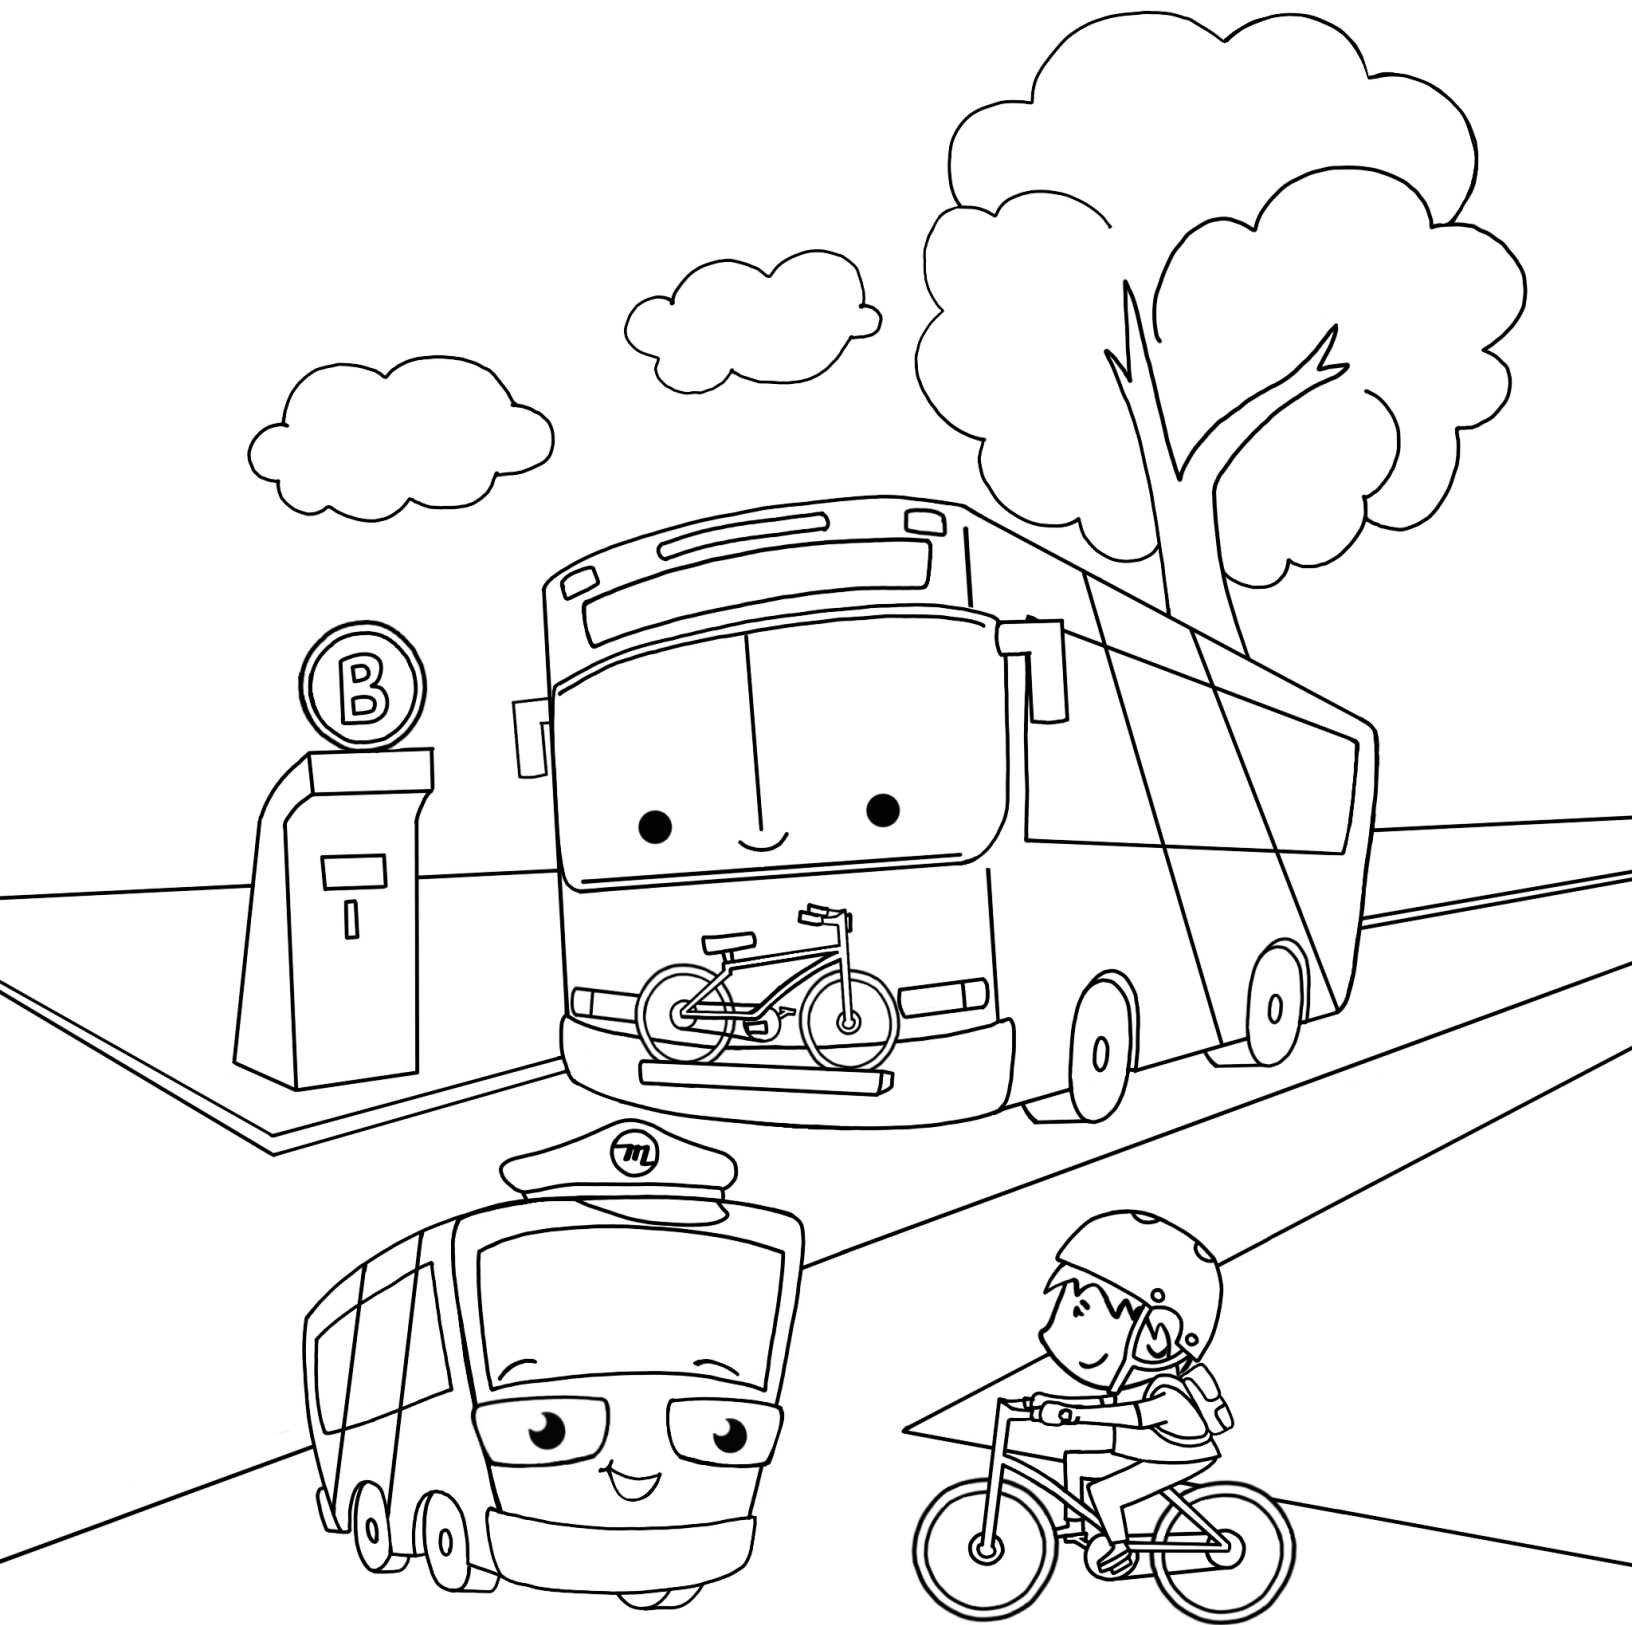

Our bus routes can take you to fun places,
like our McAllen parks.

Let's draw and doodle together!
Design your city and follow steps 1 through 4 to add more buses.

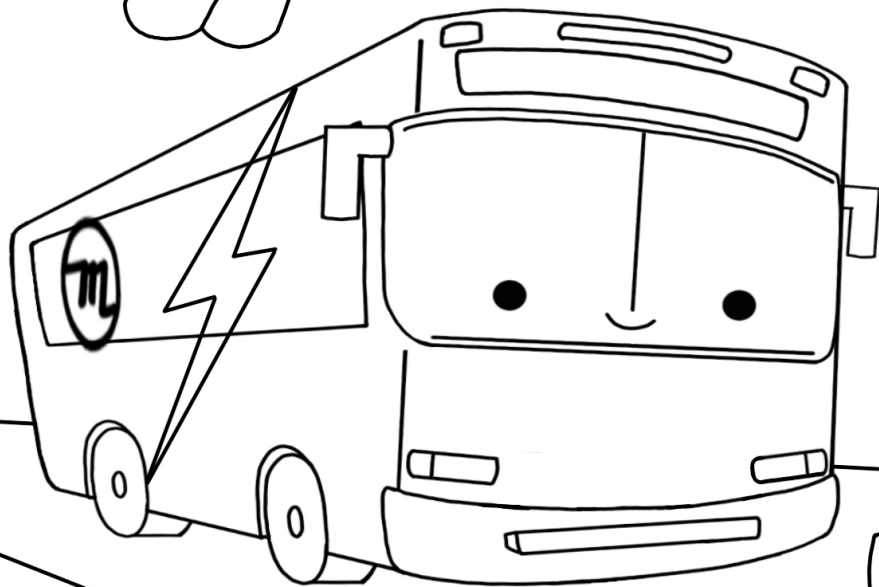

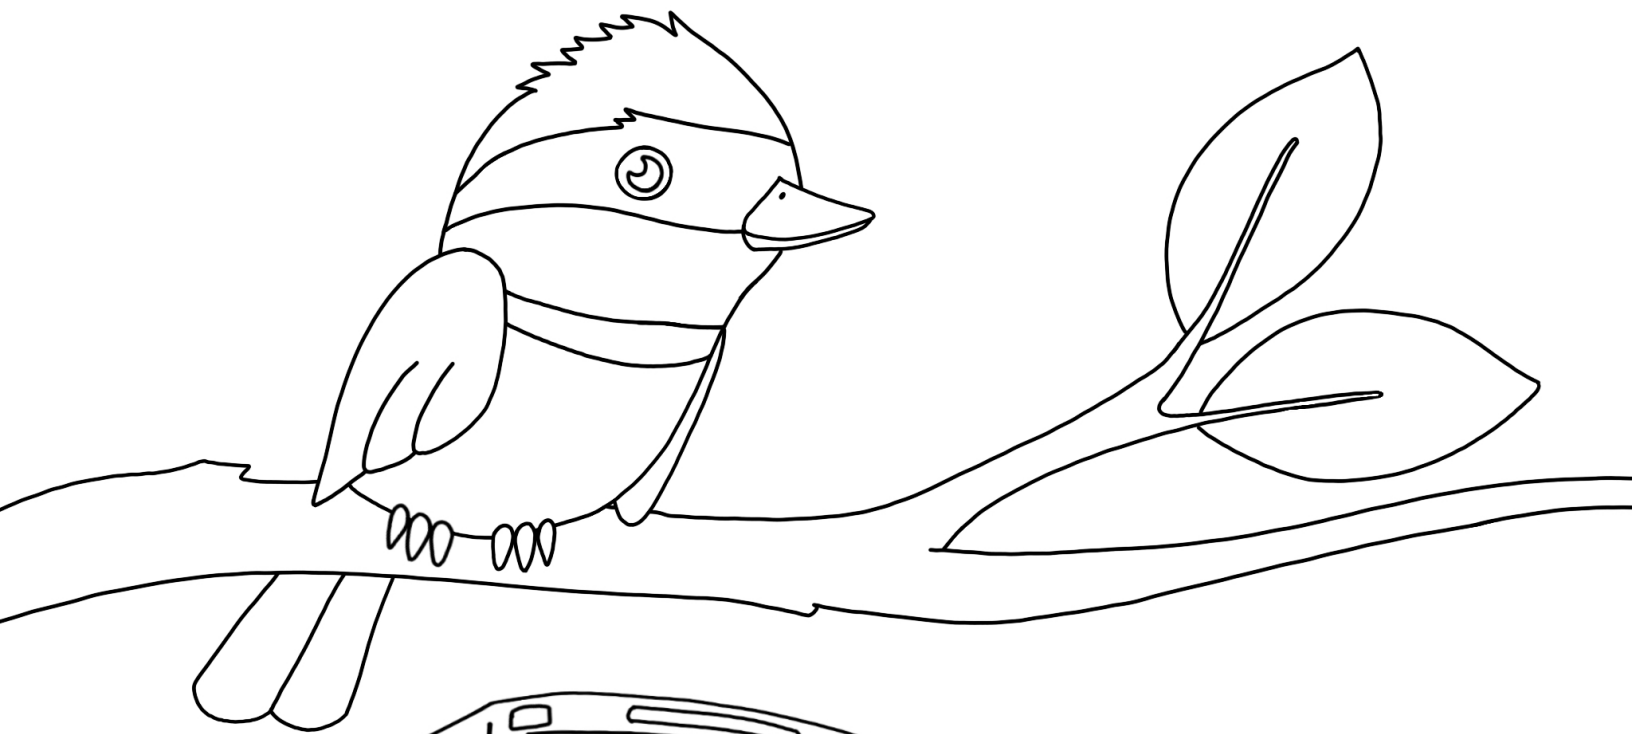

Miles loves when passengers read and ride.
The McAllen Public Library has thousands of books to choose from.

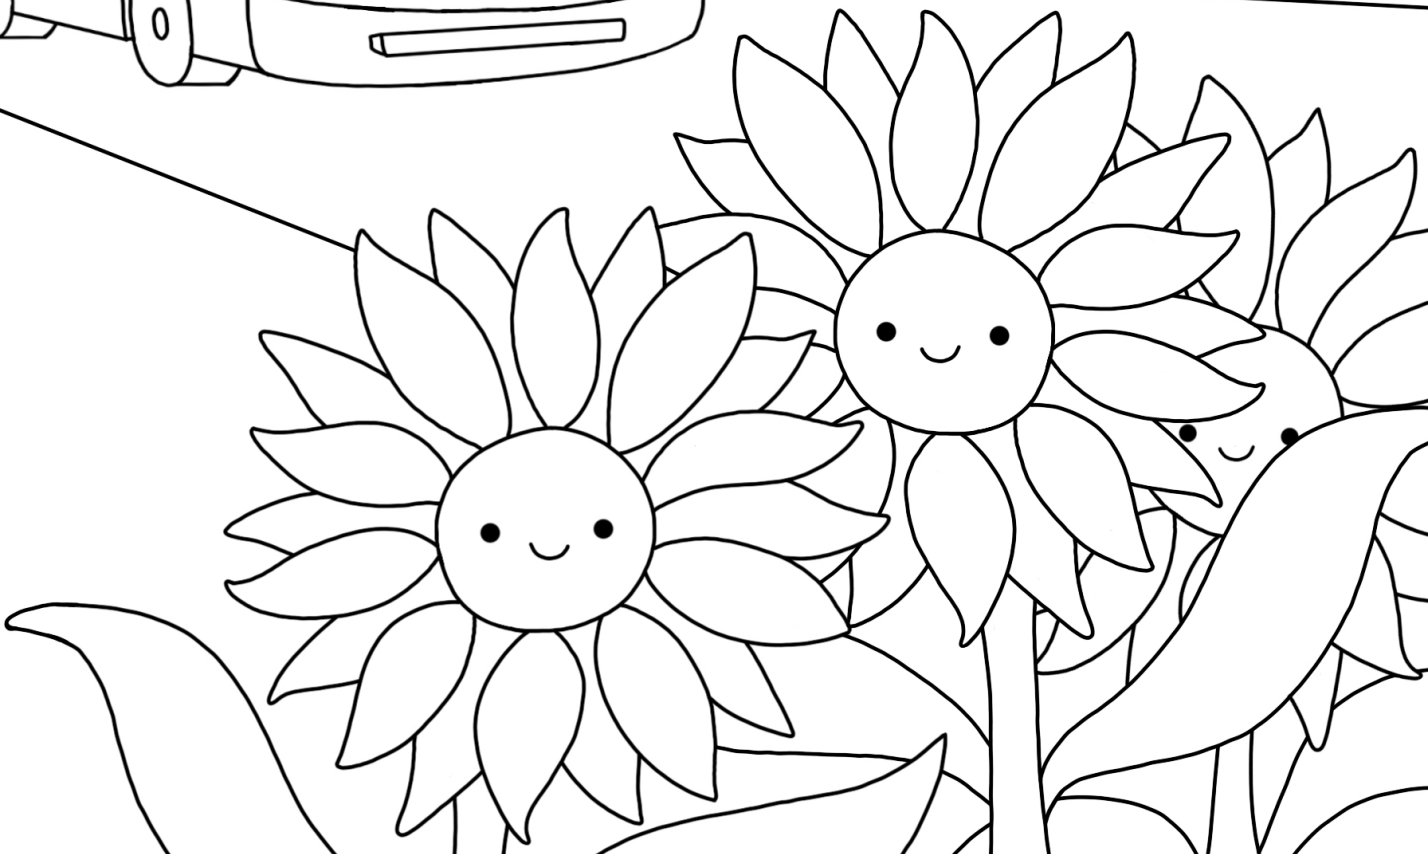

Bicyclists can ride the bus too.
Safety first! Always wear your helmet.

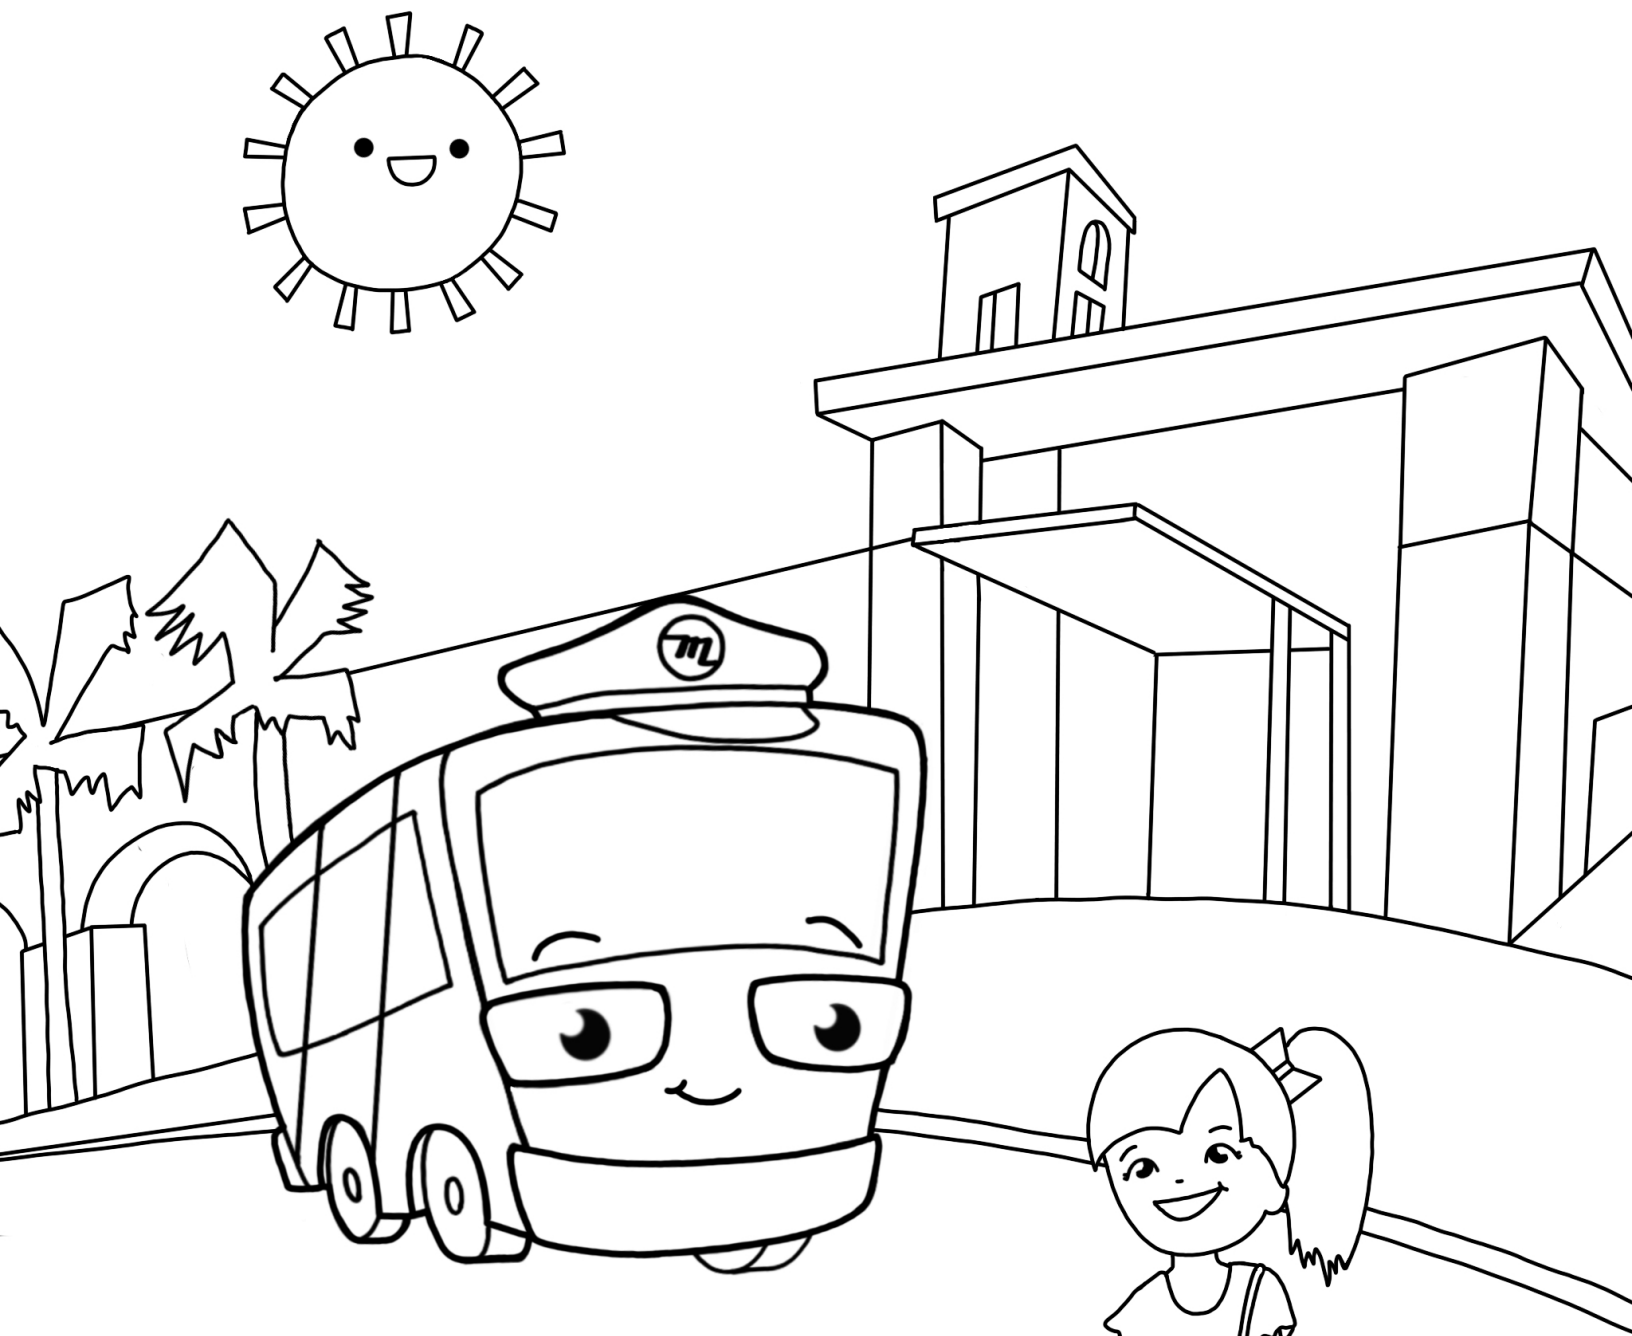

Our all electric buses
keep our environment
cleaner and healthier.

Ride Green, Ride Metro!

We love to visit our airplane pals
at the McAllen International Airport.

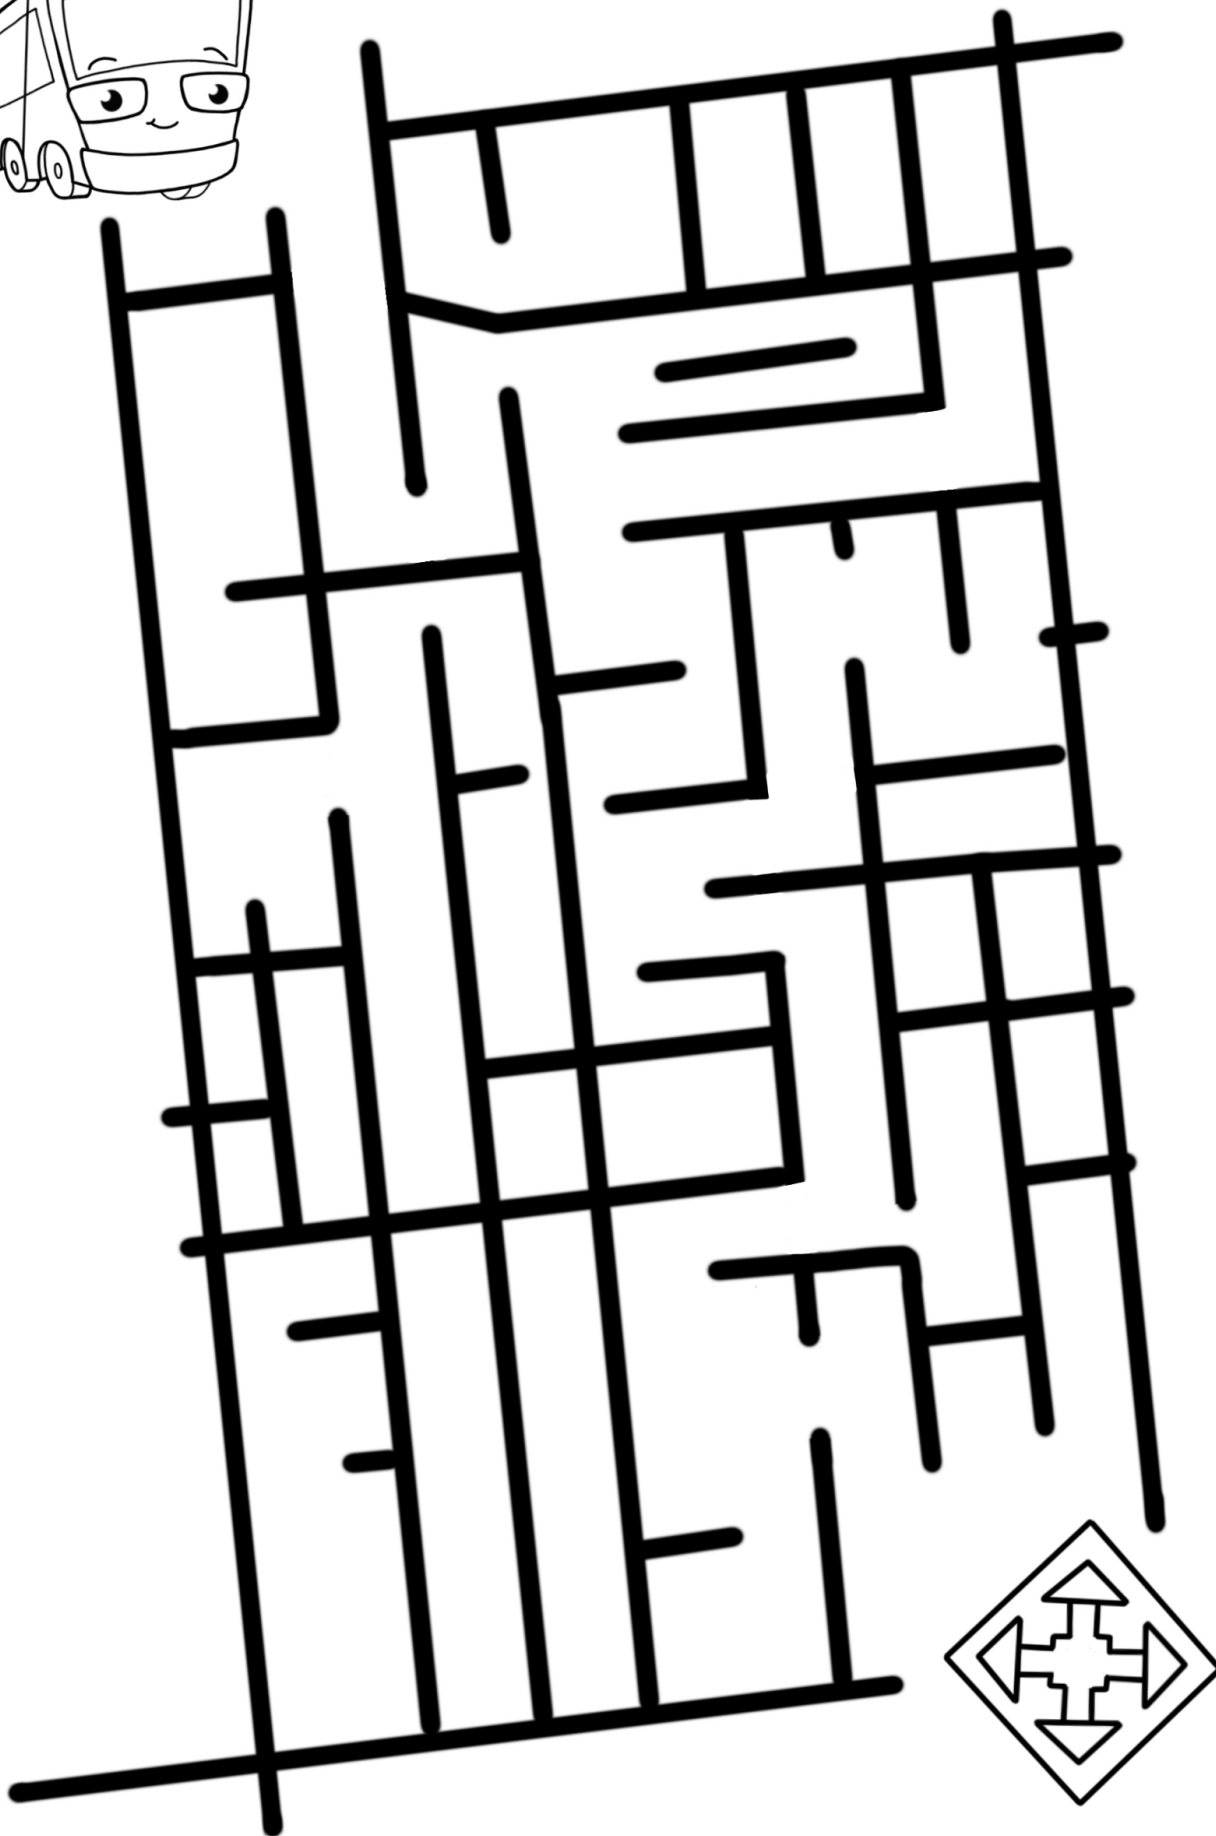

Explore McAllen when you
ride Metro McAllen.

Visit local landmarks like the
McAllen Convention Center,
Performing Arts Center,
and much more.

Help Miles get back to Central Station

Thank you for keeping us moving!
Can you draw yourself riding the bus?
