"Bringing experiences like ***Sesame Street Live*** to McAllen gives families an opportunity to come together, make lasting memories and enjoy meaningful moments," said City Manager Isaac J. Tawil. "At the City of McAllen, we believe the arts should be for everyone, and that means offering a variety of experiences, from Broadway and symphony performances to family entertainment. We work hard to bring the caliber of programming you would expect to find in a major metropolitan area. And there's something especially exciting about experiencing ***Sesame Street Live***, in our intimate theater setting which gives families an up-close experience and makes them feel like they are part of the action!"

The production features popular songs such as "Sunny Days," "Elmo's Got the Moves" and "Letter of the Day," creating a welcoming environment where children can learn, laugh and move alongside their favorite characters. Guests can also enhance their visit with an exclusive Photo Experience, offering a chance to take a photo alongside some of their favorite Sesame Street friends.
