

## **2013 Parks & Recreation Bond**

### **McAllen Youth Baseball Complex**

The McAllen Youth Baseball Complex is made up of 11 fields and space for a miracle field on 51 acres located on the North West side of McAllen. Because of the close proximity to Mexico, competitions and tournaments hosted in McAllen become international events. This new gem in the City of McAllen is sure to foster civic pride and enrich the community.

Since the grand opening of the McAllen Youth Baseball Complex in July 2018 the facility has hosted an average of 75 teams per weekend tournament. Of the teams participating in these tournaments 25% are traveling to McAllen. These teams travel to the region from across the state and country.

#### **McAllen Youth Baseball Complex Amenities:**

- 11 Youth baseball fields

### **Municipal Softball Complex**

When completed the Municipal Softball Complex, the only of its kind in the region, will create new opportunities for play that have not been available in McAllen. In addition, the City of McAllen expects an increase in visitors to the area in terms of tournaments and spectators due to the new state of the art facility.

When completed the Municipal Softball Complex will include the following features:

**Six fast pitch softball fields** – Under Construction

**Field lighting** –Installation Complete

**A concession building with restroom facilities-** Concrete masonry unit installation is complete

**Irrigation & drainage system-** Phase One complete

**Backstop netting at each field**

**Projected completion  
date of  
Summer 2019**
